- **Agenda No. 04/32** To consider the anomalies of autonomous status of Ewing Christian College a Constituent College of the University of Allahabad.
- **Resolution No.04/32** The Academic Council was informed that there were certain anomalies in the autonomous status of the Ewing Christian College. Prof. Sunit Dwivedi informed the Hon'ble members that the Ewing Christian College (ECC) had ceased to be an autonomous College in 2013 and hence the ECC was no more enjoying that status. It was just a Constituent College like other Constituent Colleges of the University. It also came to the knowledge of the Hon'ble members that the ECC had, in flagrant violation of rules and academic propriety, obtained affiliation for different courses from other Universities as well. There were serious complaints against ECC and they ranged from charging high fees from students to gross mismanagement of funds, to favouritism and nepotism to name just a few.

The Hon'ble members took a very serious note of the above mentioned complaints and authorized the Vice Chancellor to constitute a Committee to enquire into academic, administrative and financial malpractices and wrongdoings as well as the cases of lapses and willful defiance being committed by the Governing Board of the Ewing Christian College and submit the report to the Vice Chancellor within a time bound framework. The Academic Council further authorized the Vice Chancellor to take appropriate action on the report and the same would be presented in the next meeting of the Executive Council.
