**TO WHOM IT MAY CONCERN**

It is to certify that **Dr. TRIRANJITA SRIVASTAVA** (Entry No. 2006PHZ8040) has obtained her/his Ph.D. degree from Indian Institute of Technology (I.I.T.) Delhi complying all the ordinances and regulations laid down by the institute. The degree of Doctor of Philosophy of Indian Institute of Technology, Delhi conferred to his/her followed following regulations, as cited in UGC regulations 2016 (4<sup>TH</sup> Amendment).

1. Her/his Ph.D. degree was awarded in regular mode.
2. National Reservation Policy for admission was followed.
3. The selection to Ph.D. programme was made through test and/or interview.
4. She/he fulfilled the minimum credits criteria through courses prescribed by the supervisor(s), course advisor and approved by the DRC/CRC. The minimum CGPA requirement in IIT Delhi is 7.50 on a 10 point scale for admission to the candidacy of Ph.D. degree. If the CGPA/DGPA of any student is below 7.00 at the end of any semester, her registration is terminated with the immediate effect.
5. She/he was required to renew the registration every semester till the submission of the thesis. The renewal of the registration every semester was subject to completion of specified number of credits/courses and/or satisfactory progress in his/her research work as recommended by Department Research Committee (DRC)/Centre's Research Committee (CRC). A student/candidate who fails to register or renew his registration as the case may be, ceases to be a student/candidate with immediate effect.
6. She/he took a comprehensive examination which tests student's comprehension of his broad field of research and her academic preparation and potential to carry out the proposed research plan. The comprehensive examination was conducted by a committee called Student's Research Committee (SRC), which is constituted as follows: (a) Chairman, DRC/CRC or his nominee; (b) One expert in the field from the Department/Centre; (c) One Institute faculty expert, preferably in the concerned area, from outside the Department/Centre to which the student belongs; and (d) Supervisor(s).
7. She/he carried out a Pre-Ph.D. seminar which is an essential requirement before the DRC/CRC considers the synopsis of Ph.D. scholar.
8. The evaluation of her Ph.D. thesis was done by a Board of Examiners appointed by the Dean, Academics. The Board consisted of internal examiners, normally the supervisor(s), and two external examiners; one from within India and other from abroad. These external examiners were chosen from the panel of examiners recommended by DRC/CRC.
9. After the submission of her Ph.D. thesis he made a presentation to defend her/his work/thesis orally before a duly constituted committee referred to as Viva Board during working hours of the Institute. The Board constituted internal examiner(s), and one external examiner.

Further, as certified by her supervisor:

1. She has published six research papers in International Journals.
2. She has attended six International Conferences.
