*The Visitor Hon'ble His Excellency
President of India*
Sri Ram Nath Kovind

*The Chief Rector Hon'ble Her Excellency
Governor of Uttar Pradesh*
Smt. Anandiben Patel

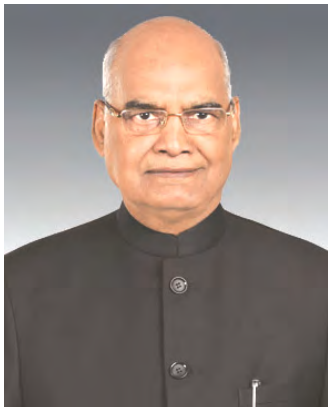

Hon'ble Chancellor
Shri Ashish Kumar Chauhan

Hon'ble Vice-Chancellor
Prof. Sangita Srivastava

Hon'ble Visitor of the University

The Visitor Hon'ble His Excellency
President of India
Sri Ram Nath Kovind

A lawyer, veteran political representative, and long-time advocate of egalitarianism and integrity in Indian public life and society, Shri Ram Nath Kovind was born on October 1, 1945, in Paraunkh, near Kanpur, Uttar Pradesh. His parents were Shri Maiku Lal and Smt Kalawati.

Before assuming charge of the office of the 14th President of India on July 25, 2017, Shri Kovind served as the 36th Governor of the state of Bihar from August 16, 2015 to June 20, 2017.

Educational and Professional Background

Shri Kovind completed his school education in Kanpur and obtained the degrees of B.Com and L.L.B. from Kanpur University. In 1971, he enrolled as an Advocate with the Bar Council of Delhi.

Shri Kovind was Union Government Advocate in the Delhi High Court from 1977 to 1979 and Union Government Standing Counsel in the Supreme Court from 1980 to 1993. He became Advocate-on-Record of the Supreme Court of India in 1978. He practiced at the Delhi High Court and Supreme Court for 16 years till 1993.

Parliamentary and Public Life

Shri Kovind was elected as a member of the Rajya Sabha from Uttar Pradesh in April 1994. He served for two consecutive terms of six years each till March 2006. Shri Kovind served on various Parliamentary Committees like Parliamentary Committee on Welfare of Scheduled Castes/Tribes; Parliamentary Committee on Home Affairs; Parliamentary Committee on Petroleum and Natural Gas; Parliamentary Committee on Social Justice and Empowerment; and Parliamentary Committee on Law and Justice. He was Chairman of the Rajya Sabha House Committee.

Shri Kovind also served as Member of the Board of Management of the Dr. B.R Ambedkar University, Lucknow, and Member of the Board of Governors of the Indian Institute of Management, Kolkata. He was part of the Indian delegation at the United Nations and addressed the United Nations General Assembly in October 2002.

Positions Held

2015-17: Governor of Bihar

1994-2006: Member of the Rajya Sabha, representing the state of Uttar Pradesh

1971-75 and 1981: General Secretary, Akhil Bharatiya Koli Samaj

1977-79: Union Government Advocate at the Delhi High Court

1982-84: Union Government Junior Counsel in the Supreme Court

Personal Details

Shri Kovind married Smt Savita Kovind on May 30, 1974. They have a son, Shri Prashant Kumar, and a daughter, Miss Swati. An avid reader, the President has keen interest in reading books on politics and social change, law and history, and religion.

During his long public career, Shri Kovind has traveled widely across the country. He has also visited Thailand, Nepal, Pakistan, Singapore, Germany, Switzerland, France, the United Kingdom, and the United States in his capacity as a Member of Parliament.

Message

I am indeed happy to learn that University of Allahabad, Prayagraj is publishing its 16th Annual Report for the year 2020-21'.

Higher Education enhances students' abilities to be more responsible citizen. I do hope that the Annual Report will fulfill its purpose to exhibit the achievements of the University and communicate the same among its stakeholders and masses.

I extend my best wishes for the successful publication of the Annual Report.

Anandiben Patel

Message

University of Allahabad is an esteemed education institution and one of the four oldest Universities with a glorious past of more than 125 years of learning.

It gives me immense pleasure and honor to be associated with the University of Allahabad. I hope that the Annual Report will fulfill its purpose and exhibit the achievements of the University and communicate the same among its stakeholders.

I extend my best wishes to the University to manifest the highest standards of academic excellence.

(Ashishkumar Chauhan)

From the Vice-Chancellor's Desk

Hon'ble Vice-Chancellor
Prof. Sangita Srivastava

Greetings from the University of Allahabad!

As the fourth oldest University of the country, established in the year 1887, the University of Allahabad has continued to fulfill its responsibility of enriching the country with thinkers, scientists, entrepreneurs, administrators, writers, artists and politicians. I feel privileged and honored to serve this University as the first woman Vice-Chancellor with an aim to steer the institution on the path to new directions in keeping with the demands of the new times. It is a matter of great pleasure to present to you the Annual Report of the University of Allahabad for the Academic Year 2020-2021. The report has been prepared to provide information related to profile of the University and its various academic units, courses of study, enrollment of students, activities and achievement of the faculty members, and students of the University as well as institutions admitted to its privileges.

We have been living through very tough times in the history of human kind because of the Corona Virus and its mutated strains. Billions of people have been infected and millions have lost their lives as a result of the tragedy created by the virus. The financial and economic repercussions have also been tremendous. I take this opportunity to appreciate the untiring and unceasing work being done by the frontline Corona Warriors - Doctors, Nurses, Paramedics, Ambulance Drivers, Pharmacists, Police and Civil Administration. The pandemic could not dull our spirits and halt our progress towards the attainment of excellence. In spite of activities aimed at tackling the Corona menace, we have successfully conducted our classes online, completed our admission processes for PG courses and ensured an online examination system that has not compromised on the qualitative output of our students.

I take this opportunity to inform you that the year under report witnessed significant progress in academic, administrative, financial, and infrastructural activities. Major funding under DST-PURSE and DST-HFIBF were provided to the University. Four departments have got support under the DST-FIST scheme. An innovative centre of Vocational Education & Skill Development has been created and made functional in the University. The University has ensured optimum utilization of the ICT tools in administration and teaching and is committed towards making the University totally web enabled. We have organized several distinguished lectures by eminent academicians and social scientists this year also. Taking account of COVID-19 pandemic, the University has also witnessed organization of national and international webinars throughout the year. The faculty members and students brought laurels to the University. The last few years have changed the nature of demands from an education of higher learning with unprecedented developments in sciences and opening up of the boundaries of the subjects into interdisciplinary nature. The New Education Policy 2020 reflects the shift in vision regarding education from the creation of a resource pool to a path of holistic development of the person. The University has initiated the implementation of New Education Policy 2020 with the designing of new integrated programs.

The infrastructural development was given a major boost. The inauguration of recently conserved Vijiyanagram Hall, the heritage of the University and surrounding area was done by Hon'ble Governor, Uttar Pradesh Smt. Anandiben Patel. The Tilak Bhawan has been refurbished and inaugurated. To supplement online teaching in a better way and organised manner, the University has established its own video studio, which has been made functional. Construction of Sophisticated Advance Instrumentation Centre, Ishwar Topa Academic Complex and M.N. Saha Centre is also in final stage of completion. The major renovation and upkeep work in several departments was also carried out besides repair and maintenance of Hostels. I am very happy to inform you all that the construction work in the three new Hostels (one each for Girls, Boys and International Students) is in advance stage of completion.

Despite the COVID-19 lockdown, the Placement Cell has successfully aligned activities related to Training & Placement in virtual mode and have engaged leading names in the industry, for exciting and emerging career opportunities for our students. Several eligible faculty members of the University and Colleges have been promoted under CAS and is still in process. Long pending cases of MACPS has been cleared and process of promotion for non teaching employees has been initiated.

The University fully understands its responsibility of capacity building for national development and is making rapid strides to meet the challenges of higher education in modern times. The highest priority has been given to raise the standard of teaching, learning, research and innovation in the University. If the University is to succeed in broadening its horizons of success, it needs the contribution and support of all the stakeholders including the students, the teachers, the staff, the guardians and the people. I urge everyone to come together to create an environment where this aspiration is fulfilled. The University will only succeed in its vision in the years to come if the students can achieve their potential not just in terms of academic excellence but also in cocurricular areas of sports, culture and art. We strive to provide an environment for their all-round development. Their success reflects upon the perception of the people regarding the institution. I am confident that collectively we can overcome all challenges and will continue moving forward on the path of success with the same momentum in the coming years also.

I would like to express my deep sense of gratitude to the Hon'ble Visitor and Chief Rector of the University for their constant support and encouragement. I would also like to extend my sincere thanks to the Chancellor of the University for his Guidance. Thanks are also due to the Members of the Executive Council, Academic Council and Finance Committee for their cooperation and support. I take this opportunity to place on record my sincere appreciation and acknowledgement for the untiring efforts of the faculty members, officials, staff, students and other stakeholders of the University towards achieving the desired goals. I also thank the members of Annual Report Committee Prof. Vandana Singh, Prof. Neelam Yadav, Prof. Ajay Jaitly, Prof. R.K. Singh, Dr. Pinki Saini and Dr. Haribans Singh for bringing out this publication.

I hope that the readers will find the Annual Report informative and useful.

Thank you!

From the Editor's Desk

With great pride, we present the XVI Annual Report of University of Allahabad. The report presents a summary of major achievements of the Central University and summarizes the important activities undertaken in the last academic year i.e. 2020-21. It is indeed heartening to present to readers, the substantial academic and research work carried out by the University, its constituent colleges/institutes even with Covid's enervating handicaps. This annual report covers in detail the relevant information with regards to all the Departments, Centre of Excellence, Sections and Colleges of the University.

It has been an endeavor on part of the Editorial Team to bring to fore the initiatives undertaken by the University administration aimed at fostering both qualitative and quantitative development. While, it has been a tough period for the entire academic fraternity, students and faculty at the Allahabad University have ensured that the pace of research and academic pursuits remains insulated from the impact of pandemic. The University has deftly adapted to the new challenges viz online lectures, seminars etc and have achieved stupendous success as far as national and international publications, books, research papers, honours and awards are concerned. The same find adequate mention in the report. In addition to the above, the report also showcases the vibrant and prolific activities of both teachers and student community alongwith the extracurricular activities undertaken in the year gone by.

We are privileged to have Prof Sangeeta Srivastava, Vice-Chancellor of Allahabad University, an academician and administrator par excellence as our guiding light. It would have been impossible for the editorial team to prepare the report on such an exhaustive subject in short time frame without the Vice Chancellor's personal indulgence, tutelage and support. The Editorial team would also like to express our profound gratitude and acknowledge the support extended by the non-teaching staff in the compilation and Hindi translation of the report. In the end, I on behalf of the entire team, wish the readers a succinct sojourn into the academic pursuits of our University.

Prof. Vandana Singh

Members of Finance Committee

1. Prof. Sangita Srivastava, Vice Chancellor, UoA
2. Joint Secretary and Finance Advisor or his/her nominee, Ministry of Education, Delhi.
3. Joint Secretary (CU & L) or his/her nominee, Ministry of Education, Delhi.
4. Joint Secretary (CU), UGC or his/her nominee, Delhi.
5. Prof. B.N. Tiwari, Director, G.B. Pant Social Science Institute, Jhunsi, Prayagraj.
6. Prof. Furquan Qamar, Jamia Millia Islamia, Delhi.
7. Prof. Sataya Narain, Department of Botany, University of Allahabad.

MILESTONE OF THE UNIVERSITY

The University of Allahabad, established in 1887, is the fourth oldest in India and has to its credit significant academic attainments and contributions towards the promotion of higher education in the country. The University has been a unitary teaching institution (with certain kinds of institutions admitted to its privileges) since 1921, the year it came under Provincial (i. e. State) jurisdiction.

In recognition of its role, endeavours, and contribution in the fields of higher learning, national development, and social engagement, and with a view to help it realize its potential at the national level, the University has been re-incorporated by Parliament, upon the recommendation of the Government of India to that effect, as a Central University by means of the University of Allahabad Act 2005, which received the assent of the President on June 23, 2005, and has commenced on July 14, 2005.

The change in status from State to Central University has been accompanied by significant changes in the functional set-up, inter alia in respect of the constitution of its authorities, the modes and subject matter of internal legislation (the Statutes and the Ordinances), appointment and recruitment procedures, and provisions relating to institutions admitted to the privileges of the University.

The University was assessed by the National Assessment and Accreditation Council (NAAC) in April 2019, and accredited with a rating of B++.

Presently the University has four faculties; Arts, Commerce, Law, and Science; four university institutes: the Institute of Inter-Disciplinary Studies, the Institute of Professional Studies, Institute of Gandhian Thoughts and Peace Studies, and the National Centre of Experimental Mineralogy and Petrology and five independent university centres: Centre of Behavioural and Cognitive Sciences, Centre for Women's Studies, M.N. Saha Centre of Space Studies, Centre of Vocational Education and Skill Development, National Genomics Core Centre; one constituent institute: Govind Ballabh Pant Social Science Institute and eleven constituent colleges: Ewing Christian College, Chaudhary Mahadev Prasad Degree College, Allahabad Degree College, Shyama Prasad Mukherjee Govt. Degree College, Ishwar Saran Degree College, Sandanlal Savaldas Khanna Degree College, Arya Kanya Girls Degree College, Jagat Taran Girls Degree College, Rajarshi Tandon Girls Degree College, Hamidia Girls' Degree College and K. P. Training College.

Under the stewardship of distinguished Vice-Chancellors (Sir Ganganatha Jha, Pt. Iqbal Narain Gurtu, Prof. Amaranatha Jha and Prof. Tara Chand) and the academic leadership of illustrious faculty, the University took determined steps to enlarge its intellectual and educational ambit and gave a lead in national emancipation. In view of its achievements, as well as its position among the universities of Uttar Pradesh, the state government accorded it formal recognition in July 1992 as a 'Premier Institution' (Vishesh Agrani Sanstha), and at one point in time; it was called the "Oxford of the East". Several teachers and students played a prominent role in the national struggle, particularly from 1930, and the University solemnly recalls with pride the martyrdom of its student Lal Padmadhar Singh during the Quit India Movement.

The University has had on its rolls a host of politicians and statesmen including one president and two vice-presidents of India, two former prime ministers, several union and state ministers, at least four chief justices of the Supreme Court, besides a large number of senior bureaucrats and has contributed immensely to the Defence Sector of the Country.

The scholars who gave an idiosyncratic aroma to the academic vibes of the University, from its first venture into teaching in 1905, are too numerous to be named individually, and included such legendary figures as Amaranatha Jha, Raghupati Sahai "Firaq", S. C. Deb and P. E. Dastoor (English), H. N. Randle, R. D. Ranade, and A. C. Mukerji (Philosophy), L. F. Rushbrook Williams, Sir Shafaat Ahmad Khan, R. P. Tripathi, G. R. Sharma, D. C. Panday (History), Syed Muhammad Ali Nami and M. G. Zubaid Ahmad (Arabic and Persian), Udai Narayan Tiwari (Linguistics), P. K. Acharya, Babu Ram Saxena and Kshetresh Chandra Chattopadhyaya (Sanskrit), Dharendra Verma, Devi Prasad Shukla and Ram Kumar Verma (Hindi), Syed M. Zamin Ali and Muhammad Hafiz Syed (Urdu), Beni Prasad, Tara Chand, Ishwari Prasad (all three being historians of repute) and A. B. Lal (Political Science), R. N. Dubey (Geography), P. S. Naidu, S.B. Adawal (Education), Meghnad Saha, K. S. Krishnan, D. S. Kothari, Salig Ram Bhargava, R. N. Ghosh G. B. Deodhar and K. Banerjee, Prof. Rajendra Prasad Singh nickname Rju Bhैया (Physics), N. R. Dhar, Satyeshwar Ghosh and N.R. Dhar, Satya Prakash (Chemistry), A. C. Banerji, Gorakh Prasad, P. L. Srivastava and B. N. Prasad (Mathematics), J. H. Mitter, Shri Ranjan, R. K. Saxena and R. N. Tandon (Botany), D. R. Bhattacharya and H. R. Mehra (Zoology), H. Stanley Jevons, S. K. Rudra, C. D. Thompson, B. P. Adarka and J. K. Mehta (Economics), M. K. Ghosh and R. C. Choudhury (Commerce) and J. C. Weir, M. U. S. Jung, K. K. Bhattacharya, K. R. R. Sastry and T. N. Sapru (Law).

The University is now exploring the new magnitude of the institutional achievement, by renovating its academic system, reinforcing and augmenting its teaching, research and residential facilities and pursuing social purposes in a coordinated manner, to keep pace with international standards in these areas and endow human resource with the capabilities to serve the nation in the special context of the challenges and imperatives of globalization.

VISION OF THE UNIVERSITY

- The pursuit, advancement and generation of knowledge in all branches of learning, with particular stress on exploring their intersection and frontiers.
- The transmission of knowledge through teaching learning process.
- The application of knowledge to human and social advancement.
- The optimum mobilization of resources and infrastructure.
- The preparation of human resource of the highest possible quality, capability and motivation.
- To link the "World of Knowledge" with the "World of Work" through professional courses.
- To create a conducive environment for focused learning.
- To provide world-class infra-structure and facilities.
- To promote innovation and entrepreneurship.
- To engage with the society through out-reach activities and applied research.

MISSION OF THE UNIVERSITY

The Mission of the University embodies by the slogan 'as many Branches, so many Trees', has led to the following institutional goals and objectives:

- The chase, expansion, and invention of acquaintance in all branches of learning, classical, modern, new and promising, on its own strength and in cooperation and collaboration with other institutions and authorities.
- The communication of awareness through the teaching-learning process, the sharing of knowledge with nobles and counterparts in the world of learning and with society in general, and the organization of the students educated, trained, and enlightened by the institution.
- The pursuit of excellence in all its endeavours tempered by the concern for equity in the context of the realities of the educational disadvantage of some sections of society.
- The best possible mobilisation of assets and infrastructure from all existing and potential sources, and their proficient management, in order to fulfill institutional objectives efficaciously.
- The preparation of human resource of the highest possible quality, capability and motivation, appropriately equipped for fulfilling the needs and expectations of society, the nation and humanity and playing a constructive role in social advancement, national progress and human development.
- To make provisions for integrated courses in the Humanities, the Social Sciences, the basic and applied sciences and technology in the educational programmes of the University;
- To take appropriate measures for promoting innovations in the teaching-learning process, inter-disciplinary and professional studies and research, removal of gender disparities and the digital divide, and the application of knowledge to social advancement, national progress, and human welfare; and to educate and train human resource for the development of the country.
- The mission, expansion, and creation of awareness in every branch of knowledge, employing meticulous stress on exploring their intersection and frontiers.
- Keeping current pandemic (COVID-19), to connect the student to online teaching through online portal "Learning Management System".
- Creation of an innovative centre of Vocational Education & Skill Development to deliver trained human resources to the country leading to *Aatmnirbhar Bharat*.
- To make University web-enabled, the best utilization of ICT tools in administration and teaching is warranted
- The optimum deployment of placement activities of the students
- The procurement of new types of equipment for society throughout-reach activities and applied research

HIGHLIGHTS OF UNIVERSITY INITIATIVES

ACADEMICS

- The world faced an unprecedented situation due to the pandemic COVID-19. The entire regular activity was disrupted, and the country went in the lockdown mode on March 24, 2020. To ensure least disturbance in academic calendar, the University of Allahabad had initiated online teaching. The faculty members accepted the challenge and the University went through the transition quickly and efficiently towards remote teaching as well as being connected with the students by conducting online classes to complete the syllabi.
- To supplement ONLINE teaching in a better way and organised manner, the University has established its own video studio, which became functional by the end of July 2020. The University faculty is utilizing the facility for recording good quality lectures not only to be uploaded on the University portal but on the public learning portals as well.
- Major funding under DST-PURSE, DST-HFIBF, and DST-fMRI and National Genomic Core Project were provided to the University.
- The extra-mural funding has increased as new departments were granted DST-FIST support.
- To make University web-enabled, the best utilization of ICT tools in administration and teaching is being done.
- The University successfully completed admission process despite the Covid 19 pandemic conditions by conducting an online and offline Entrance Test for UG, PG, Professional, and Ph.D. courses for admission to various courses of study for the academic session 2020-21. This helped the University to attract talented and potentially bright students from all over the country.
- The University, due to Covid 19 situation, concluded the end semester examinations including professional courses in online mode
- An innovative centre of Vocational Education & Skill Development has been created and made functional in the University to deliver trained and skilled human resource to the country so that the country may become self-reliant. In the first phase, it will provide manpower in the area of Software application packages development, designing and providing a networked environment and maintenance of computing peripherals, storage, etc.
- Due to the pandemic, it was not possible for the departments to organize conferences, seminars, or workshops in the normal mode. So the departments had to switch over to the virtual mode. Different departments of the University and its constituent Colleges organized webinars to mentally engage the faculty members and the student community during the lockdown period.
- National and International Webinars were organized throughout the year in nearly all the academic units from April 2020 to March 2021.
- The Placement Cell has successfully aligned the activities related to Training & Placement in virtual mode despite the pandemic and have engaged leading names in the industry, for exciting and emerging career opportunities for our students.
- Online/virtual placement of the students was conducted through nine organizations viz. Extramarks Education Pvt. Ltd., Wipro Limited, Piramal Foundation's SDDNN Campaign, TCS, HCL Technologies, Kaivalya Education Foundation, Prism Johnson Ltd. and Axis Institute, where 1744 students participated.
- Over 1500 students are at various stages of online selection process in organizations including Azim Premji Foundation, Piramal Foundation, TCS, Wipro, HCL, Axis Institute, Prism Cement and Genpact.
- To enhance the quality and frequency of placement activities, collaborative efforts have been initiated for Employability Training, Skill Development and Internship Programs of students with organizations like Piramal Foundation, Tata Consultancy Services, CSRBOX for IBM SkillsBuild, CSRBOX for Career Orientation Sessions by BOSCH INDIA and Internshala.
- Over 1000 students from general streams were provided an opportunity to enhance their skills and improve on their employability through virtual internships, training programs and live sessions from industry experts.

- The procurement of new types of equipment in various departments was done through equipment grants by the Government e-Market.
- Timely and continuous monitoring of the progress of the research students has drastically improved the research standards and quality of Ph.D. Program of the University.
- The Library subscribed to 176 journals, approx. 18648+ e-journals and 12 e-databases. The access of these resources was provided through UGC-INFLIBNET Consortium, i.e., e-Shodhsindhu, and subscription by the University.
- Many of the faculty members and students of the University bagged prestigious fellowships and awards of national and international importance.
- Due to Covid 19 pandemic, the Convocation of the University could not be held in year 2020, however the University is in the progress of organizing the Convocation in September 2021.

ADMINISTRATION AND FINANCE

- Recruitment rules of non teaching were finalized and preparation of roster is under process.
- Long pending issue of Date of Eligibility is resolved and several eligible faculty members of the University and Colleges have been promoted under CAS and is still in process.
- Long pending cases of MACPS have been cleared and process of promotion for non teaching employees has been initiated.
- The recruitment of Teaching and Non Teaching positions is under process and will be done shortly.
- The General Financial Rules (GFR)-2017 and its subsequent amendments are being strictly followed.
- E-procurement (e-tendering and e-publishing) system and GeM are fully functional in the University for procurement of goods and services as well as for works (manpower) allotment.
- The VISAKA (Vittiya Saksharta Abhiyan) guidelines have been implemented in the University.
- Financial accounting is being done so that maximum transparency may be ensured to have a proper system in place.
- The financial transactions of the University have become cashless. The digital initiatives of the MHRD have been fully implemented in the University.
- The University actively participated in all the national schemes proposed by MHRD and UGC.
- The CCASH is functional to provide prompt relief to the complainants as per its guidelines.
- The University actively participated in all the Govt. of India initiatives such as Yoga Day, National Science Day, Guru Purnima, Environment Day, etc.

EFFECTIVE USE OF THE ICT FOR TEACHING, ADMISSIONS, AND E- GOVERNANCE

- University of Allahabad recognized the importance of providing the students with the type of networked computing environment they can expect to work. A programme of continual improvement ensures that both hardware and software are the latest.
- University of Allahabad has launched its new website in month of March, 2021 that provides secure access, both on and off-campus, to coursework, electronic teaching and learning materials, exam results, and a variety of other information and services, much of which is personalized.
- Wireless network of University of Allahabad is available throughout the campus enabling mobile access to resources from a wide range of personal devices.
- University is continually working and developing innovative ways of using technology to support teaching and learning through virtual learning environment.
- University is planning to enhance its ICT facilities, in coming years by Incorporation of e-Office and Business Analytics system in University and increasing the bandwidth of the campus-wide LAN (including the hostels) and the Wi-Fi facility from 1 Gbps to 10 Gbps through NKN.

- New lecture hall complex, with large lecture theaters, with ICT enabled infrastructure is coming up to be shared by various departments to address effective teaching.
- The campus-wide CCTV surveillance system, having pan, tilt, and zoom cameras, with the centralized control room, is being effectively used to cut down the security expenditure on the campus.
- The University is fully utilizing the digital initiative of MHRD, namely the MOOCs platforms like Swayam, NPTEL, ePG Pathshala, Swayamprabha, etc, as well as GIAN scheme to ensure that best and updated lectures are available to the student community.

INFRASTRUCTURE AND STUDENT AMENITIES

- Hon'ble Governor, Uttar Pradesh Smt. Anandiben Patel inaugurated recently conserved Vijayanagram Hall, the heritage of the University and surrounding area on 5th March, 2021.
- Tilak Bhawan is fully refurbished and inaugurated by the Vice-Chancellor on occasion of Women's day.
- Construction of Students' Activity Centre has been completed within the stipulated time. The building will provide facilities for the extracurricular activities of the students.
- Construction of Sophisticated Advance Instrumentation Centre and M.N Shaha Centre is in advance stage of completion. It will provide much needed facilities for the research work.
- Construction of Girls Hostel is in advance stage of completion. In first phase it will provide accommodation for 124 girl students. There is future scope for further vertical expansion in the proposed hostel.
- Construction of New Boys Hostel is at the verge of completion. It will provide accommodation for 218 Boys students. It also has provision for future vertical expansion.
- Construction of International Hostel for the International Students as an annexe of the present International Hostel and will provide accommodation for 34 students.
- Prof. Ishwar Topa Academic Complex building is being constructed from the donation provided by an alumnus of the university Prof. Ishwar Topa. The building has provisions of Large Lecture Theatres and Halls for Academic purposes. The building is in final stage of completion.
- Efforts are on to repair the famous and classic clock tower of the University, housed in its main senate-house campus
- Efforts are on to hoist a high mast national flag in the senate-house campus of the University.
- Efforts are being made to increase the out-reach activities for better linkages with society.
- University has installed solar panels of the capacity of 1.434 MW. During the period April 2020 to March 2021 the university generated 15,39,859 (Fifteen Lacs Thirty-nine Thousand Eight Hundred Fifty-nine) units of Solar Power.
- Plantation of trees is carried out at regular intervals to keep the campus as green as possible.
- Anti-ragging cell, as per UGC guidelines, is fully functional.
- NCC and NSS organized several activities throughout the year.
- Recreation and sports facilities have been upgraded in the campus.
- Efforts are on to upgrade the Health Centre of the University.
- Freeships, Scholarships, Poor Boys Fund, Merit-cum-means scholarships were distributed to economically weaker students.
- Jawahar Lal Nehru Centre for differently-abled students of the University has been further equipped with state of-the-art facilities.

DETAILS OF RESEARCH PROJECTS

CENTRAL FACILITY

- The Department of Biotechnology, Ministry of Science and Technology, Govt of India has sanctioned a National Genomics Core Project at University of Allahabad with a total cost of Rs Twenty crore six lacs eighty thousand (Rs. 20,06,80,000) for a duration of 2 years (2019-2021).
- The Department of Science & Technology (DST) has sanctioned Rs. Six crore seventy lacs (Rs. 6,70,00,000) under PURSE Scheme to University of Allahabad for development of Central Facility in Faculty of Science.

DEPARTMENT OF ANTHROPOLOGY

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Baseline/ need based assessment for CSR in Prayagraj Power (PPGCL)	3 months	PPGCL a wing of Tata power Prayagraj	Rs. 2.70 Lacs	Dr. Rahul Patel

DEPARTMENT OF BIOCHEMISTRY

Funding received during period:

S. No.	Agency	Purpose	Amount
1.	UGC SAP	Strengthening infrastructure	Rs. 108 Lacs

Research Projects:

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Isolation, purification and characterization of some phytochemicals against HIV-1	3 years (2018-2021)	UPCST-Lucknow	Rs.10.44 Lacs	Prof. B. Sharma
2.	Anti-aging strategies based on caloric restriction mimetics: Role of glycolytic & mTOR inhibitors, and sirtuin activators in an accelerated senescence model of rat	3 years (2018-2021)	SERB DST New Delhi	Rs. 44.12 Lacs	Prof. S.I. Rizvi

DEPARTMENT OF EARTH & PLANETARY SCIENCES

Research Projects:

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Spatio-temporal evolution of the TTG gneisses in Bundelkhand craton, Central Indian Shield.	3 years (Started in 2021)	Ministry of Earth Sciences, Government of India	Rs. 72.66 Lacs	Prof. Jayanta Kumar Pati
2.	Dhala Structure, Shivpuri district, M.P., India-a Palaeoproterozoic Meteoritic Impact Structure	1 year (Completed-2020-2021)	International Geological Congress, Ministry of Earth Sciences, Govt. of India	Rs. 3 Lacs	Prof. Jayanta Kumar Pati (P.I.) and Dr. Kuldeep Prakash (Co-P.I., BHU, Varanasi)
3.	Study of Lunar Geomorphological and Impact Cratering Processes through Chandrayaan-1 Datasets	Since Aug 17, 2016 (Completed-2020)	Space Application Centre, Ahmedabad, ISRO, Government of India	Rs.17.73 Lacs (Fund is for the P.I.)	Dr. Vikrant Jain (P.I.; IIT Gandhinagar) and Prof. Jayanta Kumar Pati (Co-P.I.)

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
4.	Heavy metal apportionment of geogenic and anthropogenic sources in Ganga river using geomagnetic and geochemical studies	3 years (2020-ongoing)	Rashtriya Uchchatar Shiksha Abhiyan (RUSA), State Project Directorate, Govt. of Rajasthan, India	Rs. 41.75 Lacs (Fund is for the P.I.)	Mr. Akhil Kumar Dwivedi (P.I.; Udaipur University, Rajasthan) and Prof. Jayanta Kumar Pati (one of the Co-P.I.s)
5.	Functional dynamics and slopes stability modelling by inculcating the role of Bedrock-Overburden Interface (BOI) geometry as domineering parameter.	2 years (awarded in June 2018)	UGC Start-up	Rs.10 Lacs	Dr. Ravindra Pratap Singh

DEPARTMENT OF ELECTRONICS AND COMMUNICATION

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	COVID 19 Pandemic: Effect of Yoga and Meditation on Boosting Immunity and Mental Health	1 year	Department of Science and Technology (DST)	Rs. 8.98 Lacs	Dr. Ashish Khare

DEPARTMENT OF MATHEMATICS

Funding received during period:

S.No.	Agency	Purpose	Amount
1.	DST-FIST (Level I) Programme No. SR/FST/MS-I/2017/5(c)	Infrastructure development to strengthen PG teaching and Research in the department	Rs. 30 Lacs (First installment grant) Date:23-01-2019 (2018-19), under creation of capital assets

DEPARTMENT OF PHYSICS

Funding received during period:

S.No.	Agency	Purpose	Amount (in Rs.)
1.	Consumable of Laboratory grant	Consumable, spare parts and minor repairing	3.5 lakhs
2.	Capital Asset Grant		12 lakhs

Research Projects:

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Investigation of mature seeds by synchrotron radiation, X-ray imaging, X-ray fluorescence and IR spectroscopy	3 Years (2021-2024)	UGC-DAE-CRS, Indore	Rs. 6.39 Lacs	Prof. K.N. Uttam

CENTRE OF BIOTECHNOLOGY

Funding received during period:

S.No.	Agency	Purpose	Amount
1.	DBT	Scholarship, chemicals, maintenance and contingency	23 lakh

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Development of biogenic 3D nanoporous silica-based sensor for enhanced sensitivity against plant pathogenic fungi, pi, No. O/o DG (TM)/81/48222/LSRB-289/LS&BD/2017	2017-20	LSRB, DRDO	Rs. 37 Lacs	Prof. Shanthi Sundaram

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
2.	Impact of mass bathing event on the natural microbiota of the river Ganges; a concern to human health, No. BT/PR31340/ BCE/ 8 /1505/ 2019, 87 lakhs.	2019-22	The Department of Biotechnology, New Delhi	Rs. 87 Lacs	Prof. Shanthi Sundaram and Prof. Shouche (NCCS, Pune)
3.	Synthesis, characterization and evaluation of ciprofloxacin and gentamicin loaded solid lipid – chitosan composite Nanoparticles for the treatment of mastitis in dairy animal	3 Years	DBT, New Delhi	Rs. 132.5 Lacs	Dr. Awadh Bihari Yadav
4.	Synthesis and characterization of siRNA loaded ligand bearing PLGA nanoparticles for targeted delivery to the lung cancer	3 Years	DST Nanomission	Rs. 54.74 Lacs	Dr. Awadh Bihari Yadav
5.	Nanobiotechnology based Therapy & Bio-Entrepreneurship	3 Years	MHRD	Rs. 50 Lacs	Dr. Awadh Bihari Yadav
6.	Development of the SPLUNC1 protein loaded composite nanoparticles based targeted therapy for the treatments of lung inflammation	3 Years	SERB, New Delhi	Rs. 37.54 Lacs	Dr. Awadh Bihari Yadav

K. BANERJEE CENTRE OF ATMOSPHERIC AND OCEAN STUDIES

Funding received during period:

S.No.	Agency	Purpose	Amount
1.	DST-FIST	Equipment/Infrastructure upgradation	Rs. 1.37 Crores
2.	University of Allahabad	Equipment/Lab Grant	Rs. 1.00 Lacs

Research Projects:

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Understanding Teleconnections between Southern Hemisphere Extra-Tropical Temperatures and Indian Summer Monsoon	2017-2020	DST	Rs. 61.65 Lacs	Prof. Suneet Dwivedi
2.	Investigation of extreme events in Indian summer monsoon rainfall and Future Projections of the Indian summer monsoon	2017-2020	DST	Rs. 50.78 Lacs	Dr. Vivek Kumar Pandey
3.	Land use/land cover change modeling and sustainable development of water resources in the Ghaghara River basin	2020-2022	SERB, DST	Rs. 29.8124 Lacs	Dr. Sudhir Kumar Singh

CENTRE OF MATERIAL SCIENCES

Funding received during period:

S.No.	Agency	Purpose	Amount
1.	DST-FIST	Equipments	1.15 Crores
2.	University of Allahabad	Small Laboratory Equipments	25 Lacs
3.	University of Allahabad (Lab Grant)	Consumables and Chemicals	2 Lacs
4.	University of Allahabad (DST Purse Grant)	Consumables and Chemicals	3.35 Lacs

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	To determine mixed valence state of Mn, Fe and Ru in CaMnFeO and LiMnRuO	Oct 2016– March 2021	UGC - DAE CSR, Indore, India	Rs. 11.994 Lacs	Dr. Brajendra Singh

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
2.	To determine the mixed valence states of Mn, Ti and Fe in $\text{La}_{0.7}\text{Pb}_{0.3}\text{Mn}_{1-x}\text{Fe}_x\text{O}_3$, $\text{La}_{1-x}\text{Pb}_x\text{Mn}_{0.95}\text{Fe}_{0.05}\text{O}_3$ and $\text{La}_{0.7}\text{Sr}_{0.3}\text{Mn}_{1-x}\text{Fe}_x\text{O}_3$ compositions	Nov 2020 - Jan 2021	UGC - DAE CSR, Indore, India	Lodging and boarding was included in the cast of project	Dr. Brajendra Singh

CENTRE OF SCIENCE AND SOCIETY

Funding received during period:

S. No.	Agency	Purpose	Amount
1.	Ministry of Rural Development (MoRD), Govt. of India	Evaluation of Dr. Shyama Prasad Mukherji RURBAN Mission	Rs. 7.7279 Lacs

Research Projects:

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Evaluation of Dr. Shyama Prasad Mukherji RURBAN Mission of Uttar-Pradesh by MoRD, Govt. of India.	Up to 01 Year	Ministry of Rural Development (MoRD), Govt. of India Ref. No. 506246/2019/NLM	Rs. 37.0821 Lacs	Dr. Rohit Kumar Mishra
2.	Rural Innovation Centre, DIC, MHRD	03+01 years	MHRD, Govt. of India	Rs. 50 Lacs	Dr. Rohit Kumar Mishra

CENTRE OF BEHAVIORAL AND COGNITIVE SCIENCES

Funding received during period:

S.No.	Agency	Purpose	Amount
1.	Capital Assets Equipment Grant (Small Equipment/Laboratory Head) for 2020-21	Equipment Grant: small equipment	Rs. 3.50 lakh
2.	Recurring Head: Non Salary Items for 2020-21	Consumable and Laboratory Grant	Rs. 2.00 lakh

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Grant Amount	Principal Investigator
1.	The neural mechanisms of decision making for co-ordinated eye-hand movements.	5 Yrs.	Wellcome Trust DBT India Alliance	Rs. 225.016 Lacs	Dr. Supriya Ray
2.	Influence of attention on control of eye movement	3 Yrs.	DST	Rs. 48.582 Lacs	Dr. Supriya Ray
3.	Extensive Cognitive Neuroimaging	5 Yrs	DST	Rs. 17.65 Crores	Prof. Bhoomika R. Kar
4.	DST FIST	5 Yrs	DST	Rs. 98 Lacs	Prof. Bhoomika R. Kar
5.	Dynamic adjustments in control EEG characterization of anxiety and its effect on cognitive control	3 Yrs.	DST	Rs. 32 Lacs	Prof. Bhoomika R. Kar
6.	COVID-19 Pandemic: Effect of Yoga and meditation on boosting immunity and mental health	1 year	DST	Rs. 8.98 Lacs	PI: Prof. Ashish Khare Co-PI: Prof. Bhoomika R. Kar and Prof. Neena Kohli
7.	Age related anticipation and language processing	3 Yrs.	DST	Rs. 14.94 Lacs	Dr. Niharika Singh
8.	Testing the explanatory limits of value representations	3 Yrs.	DST	Rs. 2.86 lakhs	Prof. N Srinivasan

NATIONAL CENTRE OF EXPERIMENTAL MINERALOGY AND PETROLOGY**Funding received during period:**

S.No.	Agency	Purpose	Amount
1.	Non-Plan : Non Salary (Consumable & Laboratory) Grant	Laboratory Grant	Rs. 2.00 Lacs
2.	Equipment Grant	Equipment Grant	Rs. 2.50 Lacs

Research Projects:

S.N.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Spatio-temporal evolution of the TTG gneisses in Bundelkhand craton, Central Indian Shield.	3 years	Ministry of Earth Sciences, Government of India	Rs. 72.66 Lacs	Prof. Jayanta Kumar Pati
2.	Dhala Structure, Shivpuri district, M.P., India-a Palaeoproterozoic Meteoritic Impact Structure.	1 year	International Geological Congress, Ministry of Earth Sciences, Government of India, New Delhi, India	Rs. 3 Lacs	Prof. Jayanta Kumar Pati
3.	Study of Lunar Geomorphological and Impact Cratering Processes through Chandrayaan-1 Datasets	Since August 17, 2016 (ongoing)	Space Application Centre, ISRO, Government of India, Ahmedabad, India	Rs. 17.73 Lacs	Dr. Vikrant Jain (P.I. : IIT Gandhinagar) and Prof. Jayanta Kumar Pati (Co-P.I.)
4.	Heavy metal apportionment of geogenic and anthropogenic sources in Ganga river using geomagnetic and geochemical studies	3 years	Rashtriya Uchchatar Shiksha Abhiyan (RUSA), State Project Directorate, Government of Rajasthan, India	Rs. 41.75 Lacs	Mr. Akhil Kumar Dwivedi (P.I. : Udaipur University, Rajasthan) and Prof. Jayanta Kumar Pati (Co-P.I.s)

CENTRE OF FOOD TECHNOLOGY**Funding received during period:**

S. No.	Agency	Purpose	Amount
1.	MoFPI	Upgradation of Food Testing Laboratory	434.99 Lacs

DESIGN INNOVATION CENTRE**Funding received during period:**

S. No.	Agency	Purpose	Amount
1.	DIC BHU MHRD	Conference, Seminar, training workshop and design Project	8.0 Lacs

GOVIND BALLABH PANT SOCIAL SCIENCE INSTITUTE**Funding received during period:**

S. No.	Agency	Purpose	Amount
1.	Recurring Head	--	2 Crores

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Justice for Nomadic Communities among Scheduled Castes: A Study of Nomadic Scheduled Castes Empowerment in Telangana	Sep 2019 to Aug 2021	ICSSR under IMPRESS schemes- 2019	Rs. 10 Lacs	Dr. Chandraiah Gopani
2.	Understanding the Pattern and Process of Temporary and Permanent Labour Migration from Rural Jharkhand: An Exploratory Study	Jan 2020 to Dec 2021	ICSSR, New Delhi	Rs. 9 Lacs	Dr. Kunal Keshri

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
3.	Social Face and Mela Organization: A study on Magh	5 Years	Mela Pradhikaran, Prayagraj	Rs. 25 Lacs	Dr. Archana Singh
4.	Concurrent Evaluation of Implementation of NFS Act 2013 – Phase (II) 2020-21, 22,23	Oct 01, 2018 to June 01, 2020	Department of Food and Public Distribution, Ministry of Food and Civil Supply, Govt. of India	Rs. 5 Lacs	Dr. Kunal Keshri
5.	Facilitation of study on impact of COVID-19 & 1918 Pandemic (H1N1 Virus) of 5-6 Villages adjoining.	June 12, 2020 to Aug 2020	Zero Funding by UGC, New Delhi	Rs. 0.00	Prof. Bhaskar Majumder
6.	Special Monitoring of MGNREGS & PMAY (G) in Bankura and Bibhum (West Bengal)	Aug 14-31, 2020	Ministry of Rural Development, Govt of India.	As sanctioned	Prof. Badri Narayan
7.	Evaluation and Validation of Programmes under Samagra Shiksha-Uttar Pradesh	Sep 2020	State Project Directorate, Samagra Shiksha, U.P	As sanctioned	Prof. Badri Narayan
8.	Food insecurity and dietary diversity among Low-income migrant workers affected by COVID-19 in India.	Dec 07, 2020	Global Challenge Research Fund COVID-19 Response	12894 Pound	Dr. Kunal Keshri
9.	RD Programme regular Monitoring Phase-I (2020-21) Jharkhand	Dec, 2020	Ministry of Rural Development, Govt of India.	As sanctioned	Prof. Badri Narayan
10.	Assessing the Skill Development Needs: A survey of associated villages near MUNPL Plant, Meja, Prayagraj.		MUNPL, Meja	Rs. 2.82 Lacs	Dr. Archana Singh
11.	Social Impact Assessment of PAP ROB-29B & 27C-Pachdeora & Ghoredih	December, 2020	UP State Bridge Corporation Ltd. Prayagraj	Rs. 3.014 Lacs	Dr. Archana Singh
12.					

UGC HUMAN RESOURCE DEVELOPMENT CENTRE

Funding received during period:

S.No.	Agency	Purpose	Amount
1.	University Grants Commission	Orientation Programme, Refresher Courses	Rs. 40 Lacs

RESEARCH PROJECTS IN CONSTITUENT COLLEGES

ARYA KANYA DEGREE COLLEGE

Funding received during period:

S. No.	Agency	Purpose	Amount
1.	Allahabad University annual grant (Non-Salary Non-Plan)	Infrastructure/upgradation/ reimbursement	Rs. 5.0422 Lacs

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Concept and Relevance of Peace Education in Indian Philosophy	2 Yrs	Indian Council of Philosophical Research (Government of India, Ministry of HRD)	Rs. 3.50 Lacs	Dr. Shruti Anand

C.M.P. DEGREE COLLEGE

Funding received during period:

S.No.	Agency	Purpose	Amount
1.	DBT Star College Scheme for the following Departments: Department of Chemistry, Department of Botany Department of Zoology, Department of Physics	DBT Star College Scheme for strengthening UG Science	Total Rs. 80 Lacs in 3 years started from 2020
2.	University of Allahabad	Non Plan	Rs. 63 lakhs

Research Projects:

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Synthesis of potential antifungal heterocyclic compounds under green reaction conditions.	2 years + 1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Pravin K. Singh
2.	Photo-catalyzed synthesis of novel heterocyclic compounds as potential antiviral agents	2 years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Vishal Srivastava
3.	Reactivity and catalytic aspects of transition metal complexes with redox active ligand	2 years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Akram Ali
4.	Visible light driven synthesis-applications of metal-free, ionic liquid based photocatalytic systems for synthesis of clinically potent anti-tumor heterocycles	2 years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Arjita Srivastava
5.	Modification in physicochemical ingredients for successful drug delivery through co-crystallization, salt formation and dimerization: Perspective for solubility, stability and bioavailability	2 years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Ranjeet Kumar
6.	An Integrative and strategic approach to ecological assessment of Ghaghara River-a left bank tributary of the Ganges	3 years	SERB, DST	Rs. 32 Lacs	PI- Dr. Prateek Srivastava; Co-PI: Dr. Deepak K. Gond, Ms. Shalini Dhyani
7.	Pre-clinical validation of seizure biomarker in rodent model of the disease	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Manoj Kumar Jaiswal

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
8.	Evaluation of the hexavalent chromium exposure effects on the hippocampal organization and spatial cognition of a teleost fish: Amelioration by curcumin and quercetin	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Ashish Kumar Mishra
9.	Ecology of the Benthic Macro invertebrate and diatom communities in River Ken and Betwa with reference to their potential for Bio monitoring.	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Jyoti Verma
10.	The possible role of Endothelial Nitric Oxide Synthase (eNOS) in Nanoparticle-mediated toxicity in fish.	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Vinay Kumar Singh
11.	Role of NADPH Oxidase (Nox) mediated signalling in inflammation.	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Ajeet Kr. Singh
12.	Screening, identification and in silico analysis of mineral phosphate solubilizing bacteria	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Charu Tripathi
13.	Study of Environmental samples using LIBS and its artificial neural network analysis	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Rohit Kumar
14.	Synthesis of lead free 2D organic-inorganic hybrid perovskite materials for the development area thermometric generators modules	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Hari Pratap Bhasker
15.	Crystal-crystal transition and separation of binary mixtures: A density functional approach	2 Years +1 year extension	UGC, New Delhi	Rs. 10 Lacs	Dr. Atul Singh Bhardwaj
16.	Investigation on nitric oxide and hydrogen sulfide crosstalk and acquisition of arsenate tolerance in rice seedlings	3 years	SERB, New Delhi	Rs. 34.454 Lacs	Dr. Vijay Pratap Singh
17.	A workshop of Hands on Techniques used in biofuel production	-	DBT, Delhi	Rs. 4 Lacs	Dr. Anita Singh
18.	Isolation and characterization of microbial strains relevant to Sulfonylurea herbicides bioremediation	3 years	CST UP, Lucknow	Rs. 10 Lacs	Dr. Anita Singh

EWING CHRISTIAN COLLEGE, PRAYAGRAJ

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Study of electronic and magnetic properties of spin-dependent Falicov-Kimball model on some two dimensional lattices with finite magnetic field	3 years	UGC	10 Lacs	Dr. Umesh Kumar Yadav
2.	To establish a laboratory for the detection of cosmic ray muons	3 years	UGC	10 Lacs	Dr. Prashanta Kumar Khandai

HAMIDIA GIRLS' DEGREE COLLEGE

Funding received during period:

S. No.	Agency	Purpose	Amount
1.	National Council for Promotion of Urdu Language, MHRD, New Delhi	Akbar Allahabadi Memorial Lecture (March 20, 2020)	0.35 Lac
2.	U.P. Urdu Akademi, Lucknow	Mushaira-e-Asatza (March 20, 2020)	1.0 Lac
3.	University of Allahabad	Non Salary Non Plan	20.50 Lacs

S. No.	Agency	Purpose	Amount
4.	U.P. Urdu Akademi, Lucknow	Publication of Urdu Annual Journal <i>Naqsh-e-Nau</i>	0.2 Lac

ISWAR SARAN DEGREE COLLEGE

Research Projects:

S. No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Janjati sanskriti me prampara aur Gatisheelat ke tatv : Urao Janjatike sandarbh me	24 Months	ICSSR, New Delhi	14.6 Lacs	Self

K. P. TRAINING COLLEGE

Funding received during period:

S. No.	Agency	Purpose	Amount
1.	University of Allahabad	Upgradation	12 Lac From Non-Salary Non-Plan Grant

RAJARSHI TANDON MAHILA MAHAVIDYALAYA

Funding received during period:

S. No.	Agency	Purpose	Amount
1.	Allahabad University–Non Plan Non Salary Grant	Infrastructure, Equipment, Furniture, upgradation, Taxex etc	Rs. 16.60619 Lacs

SADANLAL SANWALDAS KHANNA GIRLS' DEGREE COLLEGE

Funding received during period:

S.No.	Agency	Purpose	Amount
1.	DBT	Grant for Department of Chemistry, Botany and Zoology	Rs. 41 Lacs
3.	University of Allahabad	Non Plan non salary grant	Rs. 20.60659 Lacs
3.	University of Allahabad	Salary + Arrear	Rs. 6 Crores 56.43605 Lacs

Research Projects:

S.No.	Title of Project	Duration	Funding Agency	Total Amount	Principal Investigator
1.	Purano mein Nirvachan	2 Years	ICHR	Rs. 1.50 Lacs	Dr. Meenu Agrawal
2.	Design, Green synthesis and anti-microbial evaluation of highly functionalized 4-thiozolidinone derivatives	2 Years	UGC, New Delhi (Start Up Grant)	Rs. 10 Lacs	Dr. Anuradha Singh

FACULTY OF ARTS

DEPARTMENT OF ANCIENT HISTORY, CULTURE & ARCHAEOLOGY

Introduction:

The department was founded in 1955 with the objective of promoting research and teaching in Ancient History (including pre-history and proto-history) and Ancient World Civilizations. The department excavated the world famous archaeological site of Kaushambi from 1948 to 1964 with outstanding results. The department was chosen for Special Assistance Programme (SAP) by the UGC for three consecutive phases from 1981 to 1995. It was also granted the status of Centre of Advance Study (CAS) from 2001 to 2006. The department carried out International Collaborations with a) University of California, Berkeley (1980-82), b) Soviet Union on the Project, “Comparative Archaeology and Ethno-Linguistic Studies” (beginning in 1980), and 3) Australian Research Council (2005-2008). The Department is Internationally recognized for its studies in Socio-Economic Puranic studies and Art. This department gets the credit of starting Archaeology in Northern India.

Department has following facilities:

- **G.R. Sharma Memorial Museum** developed out of cultural material recovered mainly through excavations and explorations in the Northern Vindhya and the Middle Ganga Plains by the archaeologist of the Department.
- **Experimental Archaeology Lab:** Since its inception, January 2010, the lab has been engaged in understanding **Cognitive Ecosystem of archaeological landscape** combining the results of the various scientific experimental techniques.
- **Archaeo-Zoological Lab:** for Archaeozoological Researches.
- Departmental Research and PG Library.
- Lab of Archaeological Chemistry.
- Photographic Lab.
- Surveying Drawing Lab
- Computer Reprographic Lab.

From time to time, learned professors across the world visited and interacted with faculty members, research scholars and students of the departments. The latest visitors include a team of scholars from Delhi and Boston, USA. Our departmental museum (Prof G.R. Sharma Memorial Museum) houses a unique collection of antiquities spanning from Prehistory to early historical period. Research/scientific analysis is being carried out on different antiquities and artifacts. The department has archaeological research laboratories, a Photography Unit, a Drawing Section, Libraries (PG, as well as, Research) and a Publication Unit.

Thrust Areas:

- Archaeology
- Socio-economic history
- Art and Architecture
- Religion and philosophy
- Numismatic and Paleography
- Puranic Studies

Programmes of Study

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	Variable	Archaeology, Socio-Economic History, Culture, Art & Architecture and Religion & Philosophy
2.	M. A.	CBCS (4 Semesters)	368	Archaeology, Socio-Economic History and Art & Architecture
3.	B. A.	3 years	-	Not Required

Faculty members and their Area of Research:

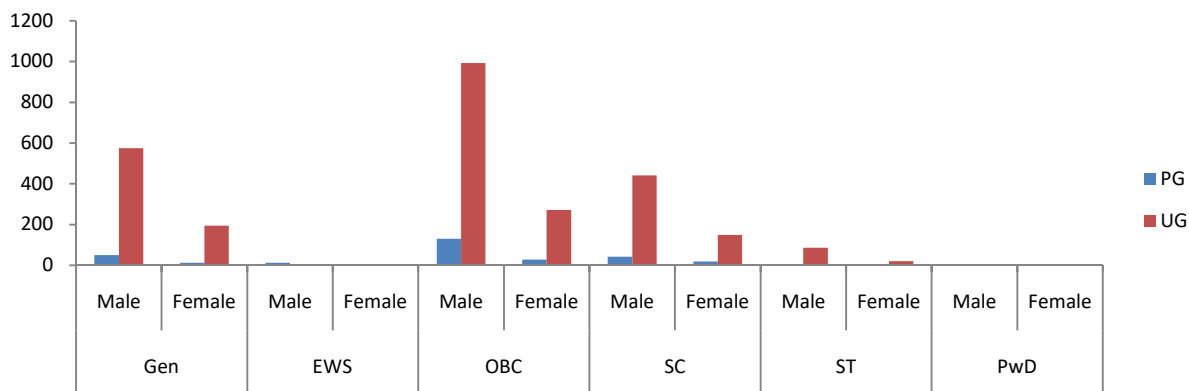

S.No.	Name of Faculty	Designation	Area of Specialization
1.	Prof. Anamika Roy	Professor and Head	Art and Architecture, Epigraphy, Religion and Women's Studies
2.	Prof. PushpaTiwari	Professor	Art and Architecture (Retired in June, 2021)
3.	Prof. Harsh Kumar	Professor	Puranic Studies and Numismatics
4.	Prof. Prakash Sinha	Professor	Archaeology (Retired in April,2021)
5.	Prof. D. P. Dubey	Professor	Religion and Philosophy, Epigraphy
6.	Prof. Suniti Pandey	Professor	Art and Architecture
7.	Prof. S.K.Rai	Professor	Socio-Economic

Support Staff:

Webinar/Seminar

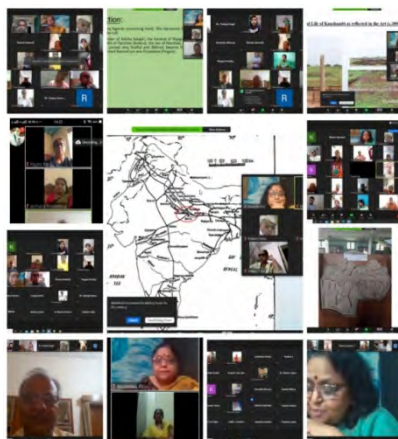

A webinar was conducted by the department on July13-15, 2020. The faculty members of the department and constituent colleges of the university along with research scholars participated and presented their research papers.

“KAUSAMBI REVISTED: DOES IT NEED A PARADIGM SHIFT”

Kaushambi Lecture Series

An online lecture series has been started by the department for the academic gathering of the scholars, called 'Kaushambi Lecture Series-2020'. These are the details-

- First lecture delivered by Prof. V.S. Shinde, former Vice- Chancellor, Deccan College, Pune on 'DNA studies and Aryan issues'.
- Second lecture delivered by Prof. Suchandra Ghosh, Hyderabad Central University, Telangana on 'Viewing urban centres as spaces for convergence: a few case studies from early India'.
- Third lecture delivered by Dr. B.R. Mani, Former Director General, ASI on 'Indian Buddhist Archaeology Today'.
- Fourth lecture delivered by Prof. D.P.Tewari, Vice-Chancellor of Chhapra University, Bihar on 'The Age of Trithankar Rishabhdeva'.
- Fifth lecture was delivered by Dr. Neeru Mishra, Former Director, Indian Council for Cultural Relations (MoEA) on 'Jain Art of Deogarh'.

Kaushambi Lecture Series

Prof. Anamika Roy's Book in co-authorship 'Exploring the Goddess' was launched virtually in the 14th edition of Jaipur Literary Festival

DEPARTMENT OF ANTHROPOLOGY

Introduction:

The Department of Anthropology was established in the year 1985 and was headed by the eminent anthropologist late Prof. A.R.N. Srivastava. The department was earlier seated in the Senate House Building of the University. In the year 2003, it was shifted to the Banda Guest House building of the University and subsequently since 2016 the department is located in the newly constructed New Academic Complex of the University.

Since its inception the Department of Anthropology has contributed immensely to the academic delivery of the University. The department provides education at both undergraduate and postgraduate levels.

The department caters to both biological and social branches of the discipline and has well-equipped laboratories for Osteology, Osteometry, Prehistoric Archaeology, and an Anthropology Museum displaying human evolution through casts of human ancestors and various cultural objects of present-day tribes of India. An interesting feature of the anthropology course is the mandatory training of students (undergraduates and postgraduates) in the field with modern research tools and techniques of anthropology. The present faculty members of the department also adopt a modern approach to teaching and research. The range of contemporary research interests spans from tribal issues to scientific analysis of the human body. The scientific temper of the faculty for research work, besides the normal teaching, is clear from the many published research papers in many referred national and international journals.

Thrust Areas:

- Forensic Anthropology
- Physiological Anthropology
- Human growth & development
- Bio-cultural aspects of human health
- Reproductive Health
- Medical Anthropology
- Development Anthropology
- Gender and Society
- Tribal Development

Programme of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)

DEPARTMENT OF EDUCATION

Introduction:

Department of Education, University of Allahabad was established in the year 1942 with M.Ed. Programme. Colonel Sohan Lal was the first Head of the Department. B.A. classes were started in 1949. In 1981 classes in M.A. were started with the objectives of developing academic excellence. The Department consistently ensure constructive and conducive learning environment. Department completed 75 year of Excellence in 2017.

Department of Education implemented DRS-I of the UGC SAP for a duration of Five years (01.04.2011 to 31.03.2016). Department is presently running UGC SAP DRS Phase- II (2018 to 2023). The staff members of the Department have collaborated with various organizations like University Grants Commission, NCERT, NCTE, SIEMAT for academic endeavors.

Department has also worked on e-PG Paathshala Project of UGC in Collaboration with CIET, NCERT, New Delhi. Department is publishing National Journal "Research and Studies" Since 1950 annually ISSN number 0084-621. Department is also Publishing UGC-SAP Annual News Letter since 2013. The Department of Education boasts of fully equipped labs of Educational Psychology, Educational Technology and Science Education

Thrust Areas:

- Quality issues in Education.
- Development of research potential among young scholars.
- Building Professional competencies among teacher educators

Programmes of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)

DEPARTMENT OF ENGLISH AND MODERN EUROPEAN LANGUAGES

Introduction

The Department of English and Modern European languages, University of Allahabad, has a unique distinction of being one of the oldest English Departments in the country. Established in 1922, it was part of the British plan of westernizing the natives of the land through education, “the white man's burden”. As part of that colonial legacy, we still have the S.G Dunn (our first British Head of the Department) memorial gold medal for the undergraduate topper in English. This historical truth and inheritance always gave the Department an elitist character. We have had our share of brown sahibs walking the portals of the grand Edwardian Mughal structure (with Rajasthani artefacts) that houses us till date. There were great teachers in this Department who in their own style carried the mantles of Oxford dons that they reflected in the then “Oxford of the East” of which the English Department could be called the truest representative.

Thrust Areas:

- British Literature
- Literary theory and Criticism
- American Literature
- Indian Literature
- New Literatures in English
- Languages (English, Russian, French, German) and Linguistics
- Gender Studies

Programmes of Study:

S.N.	Programme of Study	Duration	No. of Seats
1.	Ph. D.	5 years (includes course work)	As Per Vacancy available
2.	M. A. English	4 Semester (2 Years)	327
3.	B. A. English Language B. A. English Literature	3 (Years (Annual))	1250
4.	Diploma Courses	French, Russian, German	2 Years - 80
5.	Certificate Course	French, Russian, German	1 Year -80

Faculty members and their Area of Research:

S.N.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Bandana Sharma	Female	Professor & Head	Shakespeare, Children's Literature, British Literature
2.	Gunjan Sushil	Female	Professor	Indian Literature, Modern British Literature, D.H. Lawrence
3.	Indrani Mukherji	Female	Professor	Tagore Shakespeare, Contemporary Literature
4.	Neelam Saran Gaur	Female	Professor	Contemporary Literature, Creative Writing
5.	Phool Chandra Singh	Male	Professor	Folklore and Comparative Study
6.	Rakesh Kumar Singh	Male	Professor	American Fiction, Cultural Studies
7.	Sanjoy Saxena	Male	Professor	Postcolonial Studies
8.	Sonjoy Dutta Roy	Male	Professor	Contemporary Poetry, Performance Studies, Culture Studies, Narrative Studies Creative Writing
9.	Sarvjit Mukerji	Male	Professor	Environmental Studies, Women's Studies
10.	Susheel Kumar Sharma	Male	Professor	English Studies in India, John Milton, Language and Linguistics
11.	Smita Agarwal	Female	Professor	Modern Poetry and Women's Studies, Culture Studies, Creative Narrative Studies Creative Writing
12.	Jaya Kapoor	Female	Assistant Professor	Theatre Studies Partition Studies and Cultural Studies
13.	Raju Parghi	Male	Assistant Professor	African American and Indian Women's Drama

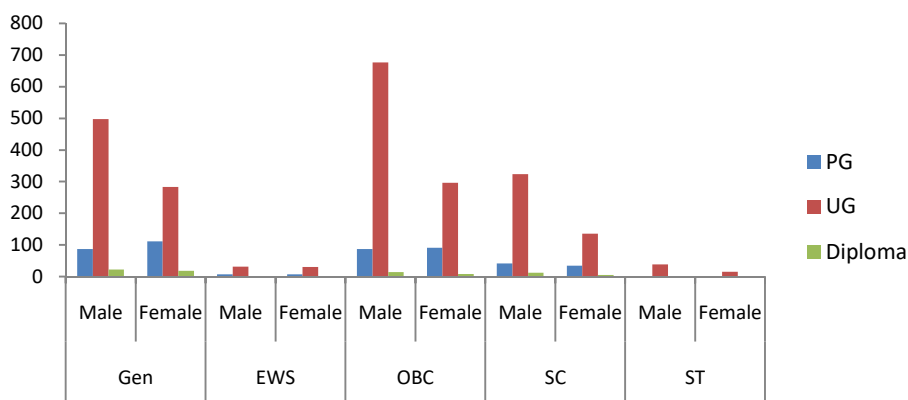

Support Staff:

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Smt. Malti Devi	Female	OBC	Office Asstt.	Office work
2.	Sri. Krishna Murari	Male	OBC	Jr. Office Asstt.	Office work
3.	Sri. Ram Sajeevan	Male	OBC	Peon	All Departmental Works

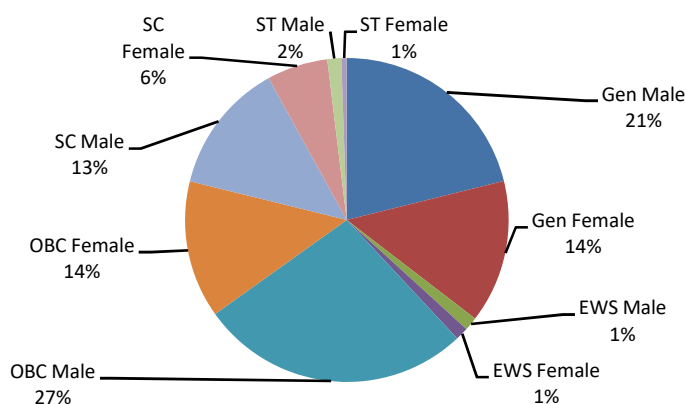

S.No.	Name	Gender	Category	Designation	Work assigned
4.	Sri. Rajesh Kumar	Male	OBC	Peon	All Departmental Works
5.	Sri. Kasim	Male	OBC	Peon	All Departmental Works
6.	Sri. Ajay Kumar Khatri	Male	Gen	Peon	All Departmental Works

DEPARTMENT OF GEOGRAPHY

Introduction :

The department of Geography was founded in 1937 through the efforts Prof. R. N. Dubey, who later became the first professor & Head of the Department. Undergraduate study started immediately and the Post-Graduate study was started in 1946. The Geographers from the Department of Geography, University of Allahabad founded two national societies i.e. Allahabad Geographical Society & Indian Institute of Geomorphologists (IGI).

Thrust Areas:

- Geomorphology
- Regional Development Disparities and Planning
- Quality of Life/Welfare Issue
- Environment & Sustainable Development
- Urban Environment
- Tourism Geography
- Agro-Climatic Regions
- Climate Change
- Agro-Industrial Regions
- Voting Pattern & Electoral Behavior
- Population and Development
- Neo – Tectonic
- Ground Water Exploration
- Disaster Management
- Arid Land Studies
- Application in Remote Sensing & GIS

Programmes of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	--	Degree according to the Art or Science stream of student
2.	M.A./M.Sc.	Two years (Four semesters)	142	Degree according to the Art or Science stream of student
3.	B.A./B.Sc.	Three years	476	In combination with two Arts or Science subjects

Faculty Members and their Area of Research:

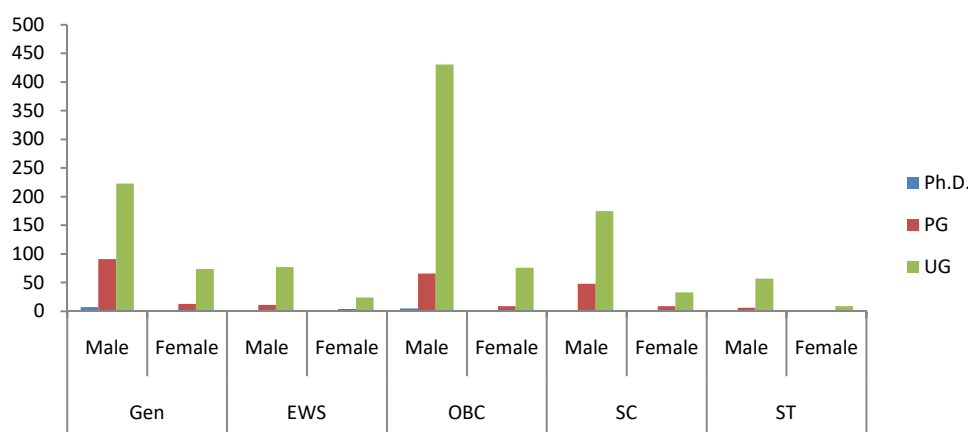

S. No.	Name of Faculty	Designation	Area of Specialization
1.	Dr. A.R. Siddiqui (Head)	Professor	Arid Land Ecology, Remote Sensing G.I.S. (Environment), Urban Geography, Agricultural Geography, Population Geography
2.	Dr. Anupam Pandey	Professor	Environmental Geography, Geomorphology, Remote Sensing & G.I.S.
3.	Dr. Ashwajeet Chaudhary	Associate Professor	Environmental Geography, Geography of Water Resources, Hazards
1.	Dr. Vandana Shukla	Cartographer	Regional Planning, Settlement Geography, Town Planning

Support Staff:

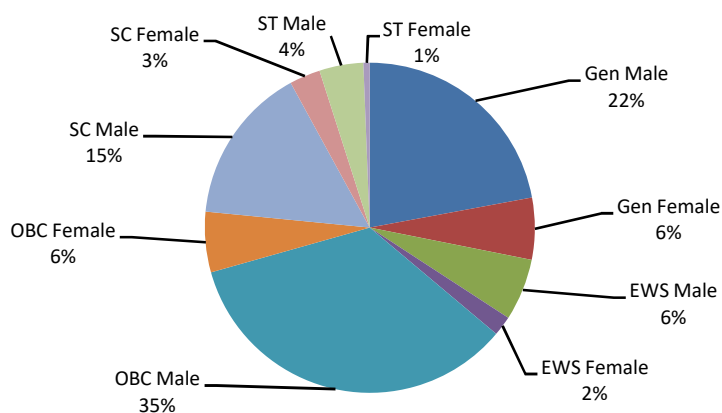

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Khedu Ram	Male	OBC	Junior Office Assistant	Maintenance Laboratory Store, Stock, Association Library.
2.	Ganga Prasad	Male	GEN	Lab Attendant	Maintenance of Laboratory and equipments.
3.	Dileep Kumar	Male	GEN	Lab Attendant	Assisting in Office Maintenance, Laboratory etc.
4.	Arjun Chauhan	Male	OBC	Peon	Official work as MTS
5.	Rakesh Kumar	Male	OBC	Parichar	Official work as MTS
6.	Shivram	Male	OBC	Mate	Official work as MTS
7.	Mehtab	Male	Minority	Lab attendant	Official work as MTS

List of academic activities performed in Department of Geography, University of Allahabad**Series of online lectures organized by Department of Geography**

1. Special online lecture on the topic "Core Issues of Research in geographical Studies" by Prof. Santosh Shukla, Former Dean and Head of the Department of General and Applied Geography, Dr. H. S. Gaur University, Sagar, Madhya Pradesh, India on July 11, 2020.
2. Special online lecture on the topic "How to Write Good Scientific Research papers in Geography" by Prof. Sunil Kumar De, Head of the Department of Geography, North Eastern Hill University (NEHU), Shillong, Meghalaya, Vice-President, International Association of Geomorphologists (IAG) on July 12, 2020.
3. Late Prof. S. S. Ojha Special memorial lecture on the topic "Application of Geospatial Technologies in Geomorphology" by Takashi Oguchi, Professor at the Centre for Spatial Information Science, University of Tokyo, Japan on July 31, 2020.
4. Late Prof. S. S. Ojha Special memorial lecture on the topic "Urbanizing India- Sustainable Development and Urban Planning" by Professor Shahab Fazal, Department of Geography, Aligarh Muslim University, India on July 31, 2020.
5. Special online lecture on the topic "Application of Geospatial Technologies in Soil Resource Management" by Dr. Suresh Kumar, Scientist/Engineer, SG and Group Head, Department of Agriculture and Soil, IIRS-(Dehradun), Uttarakhand, India on August 8, 2020.
6. Special online lecture on the topic "Application of machine Learning for Agro- geography using Temporal Remote Sensing Data" by Dr. Anil Kumar, Head, PRSD and Scientist/Engineer- SG, Department of Photogrammetry and Remote Sensing, IIRS- (Dehradun), Uttarakhand, India on August 8, 2020.
7. Special online lectures on the topic "A Brief History of the Himalayan Glaciers" by Prof. Milap Chand Sharma, Centre for the Study of Regional Development, School of Sciences, Jawaharlal Nehru University, Delhi, India on August 22, 2020.
8. Special online lectures on the topic and "Geospatial Technology for water Resources Management" by Dr. S. P. Aggarwal – SG and Group head, Water Resources Department, IIRS-(ISRO), Dehradun, Uttarakhand, India on August 22, 2020.
9. Special online lecture on the topic "Traditional Ecological Knowledge of Soil and Water Conservation practices in

- Sikkim Himalayas” by Prof. S. C. Rai, Vice-President, Asian Geographer Association, Secretary General, National Association of Geographers, India (NAGI), Head of the Department of Geography, Delhi School of Economics, University of Delhi, Delhi on September 6, 2020.
10. Special online lecture on the topic “Monitoring Desertification in India: Status, Processes and Causes” by Prof. H. S. Sharma, Professor and Former Head of the Department of Geography, University of Rajasthan, Former President IGI/NAGI(IIG) on September 12, 2020.
 11. Special online lecture on the topic “Emerging Issues of Coastal Geomorphology” by Prof. Ashish Kumar Paul, Professor and Former Head of the Department of Geography, Vidyasagar University, Midnapur, West Bengal and Former President, Indian Institute of Geomorphologists on September 12, 2020.
 12. Special online lecture on the topic “Climate Change: Local to Global” by Dr. Vishwas S. Kale, Former Professor and Head, Department of Geography, SP, Pune University, India on September 13, 2020.
 13. Special online lecture on the topic “Landslides in Darjeeling Himalayas” by Prof. Sunil Kumar De, Head of the Department of Geography, North Eastern Hill University (NEHU), Shillong, Meghalaya, Vice-President, International Association of Geomorphologists (IAG) on September 13, 2020.
 14. Special online lecture on the topic “Impact of Climate Change on Cryosphere in Drass- Suru-Zaskar Valley, Kargil: Trends and Socio-economic Relevance” by Prof. M. N. Koul, Former Professor and Head of the Department of Geography, University of Jammu, September 20, 2020
 15. Special online lecture on the topic “Terrain Analysis: Theory and Application on Land Management with examples from Kerala” by Dr. Srikumar Chattopadhyay, ICSSR National Fellow, Gulati institute of Finance and Taxation, Government of Kerala, Thiruvananthapuram, on September 20, 2020.
 16. Special online lecture on the topic “A Geomorphological Interpretation of Himalayan Kumbh Mela: Nanda Devi Raj Jat” by Professor D. D. Chauniyal, Professor in Department of Geography, Himalayan Research Centre, Doon University, Dehradun, Uttarakhand, India on October 5, 2020.
 17. Special online lecture on the topic “Contextualizing Key Concepts of Geomorphology” by Professor Ram Krishna Maiti, Professor and Head, Department of Geography and Environment Management, Vidyasagar University, Midnapur, West Bengal, India on October 5, 2020.
 18. Special online lecture on the topic “Prospectives on Spatiality and development” by Prof. Sachchidanand Sinha, Professor at Centre for the Study of regional Development, School of Social Sciences, Jawaharlal Nehru University, New Delhi on October 11, 2020.
 19. Special online lecture on the topic “Social Consequences of North South Divide in Demographic Change in India” by Dr. Debendra Kumar Nayak, Professor at Department of Geography, North Eastern Hill University (NEHU), Shillong, Meghalaya on October 11, 2020.
 20. Special online lecture on the topic “Environment, Development and Environmental Movements in India” by Prof. M. H. Qureshi, Former Professor at Centre for the Study of Regional Development, Jawaharlal Nehru University, New Delhi, India on October 18, 2020.
 21. Prof. Alok Dubey Memorial Lecture on his birth anniversary (1st November) on the topic “Journey of Geoinformatics: Evolution to Recognition” by Dr. Sameer Saran, Head of the Department of Geoinformatics and Scientist-SG, Vice-President of Indian Society of Remote Sensing on November 01, 2020.
 22. Online memorial lecture of Prof. R. N. Dubey (Founder of Department of Geography) on the topic “Revealing Indian Cultural Landscape of India vis-à-vis Ecological Cosmology” by Prof. Rana P. B. Singh, President- ACLA (Asian Cultural Landscape Association), Former Professor and Head of Department of Geography, Institute of Science, Banaras Hindu University, Varanasi, India on November 15, 2020.

Lectures Delivered

- Siddiqui AR (2020)- Issues and challenges of COVID-19 with reference to regional development planning strategies organised by MDPG College in Pratapgarh on June 7-8, 2020.
- Siddiqui AR (2020)- COVID-19 and its impact on environment and society National webinar- organised by RR PG College Amethi on June 15, 2020.
- Siddiqui AR (2020)- Impact of COVID-19 on the migrant workers and future strategies national Webinar organised by Jagjivan college Gaya, Bihar on June 22, 2020.
- Siddiqui AR (2020)- Innovation in physical biological and social sciences for sustainable development – organised by International webinar organised by Kamala Nehru Institute of physical and social science, KNI Sultanpur on June 27, 2020.
- Siddiqui AR (2020)- Impact of Covid 19 on environment and tourism National webinar- organised by Ganga Sheel Mahavidyalaya, Badlapur, Nawabganj, Bareilly on July 16, 2020.
- Siddiqui AR (2020)- Delivered lecture on changing global scenario after COVID-19, environmental, social, economic and geopolitical dimension Organised by Department of Geography, Government College Rajapur, Balrampur, Ramanujan, Chhattisgarh on July 18, 2020.

- Siddiqui AR (2020)- Environment, development and livelihood challenges and opportunities in the era of Covid 19 Pandemic organised by Chandrapur College, Purva Burdwan, West Bengal on date 30 July, 2020.
 - Siddiqui AR (2020)-Delivered lecture on application of satellite derived data and Geoinformatics, data sources and field survey during research methodology - Osmania University, Hyderabad on August 7, 2020.
 - Siddiqui AR (2020)-Recent trends in climatic studies issues and challenges organised by Suresh Gyan University, Jaipur, Rajasthan on August 28, 2020.
 - Siddiqui AR (2020)- COVID-19 spatial dimension of environment and resource management, National webinar-organised by Department of Geography JN Vyas University Jodhpur Rajasthan on date August 29, 2020.

DEPARTMENT OF HINDI AND MODERN INDIAN LANGUAGES

Introduction:

Department of Hindi was established in 1924. First Head of Department, Dr. Dharendra Verma, with cooperation of his colleagues prepared the syllabus in such a form that in higher education scientific knowledge of Hindi Language & Literature might be provided to the students. Dr. Uday Narain Tiwari, Dr. Hardeo Bahri -- these are the names, well-known in the field of linguistics. Dr. Mata Prasad Gupta was especially devoted to textual criticism. Dr. Brajeshwar Verma was authentic scholar of Surdas, Dr. Paras Nath Tiwari of Kabirdas and Dr. Dharmvir Bharati were also attached with the Department for some time. The department, from the very beginning, has been a centre of learning and creativity in Hindi. We are carrying on this tradition onward.

Thrust Areas:

- Aadi Kavya, Bhakti kavya and Ritikavya
- Modern Hindi Poetry, Hindi Criticism
- Aesthetics and Literature, Linguistics
- Hindi Journalism
- Post Colonialism and Hindi Literature
- Identity Discourse (Feminism, Dalit, Adivasi, LGBTQ...etc.)
- Hindi Fiction
- Hindi Non-Fiction (Memoir, Travelogue, Autobiography, Biography etc.)
- History of Hindi Literature
- Functional Hindi
- Translation
- Modern Indian Languages

Programmes of Study:

S.N.	Programme of Study	Duration	No. of Seats
1.	Ph.D.	5 years (includes course work)	60
2.	M. A.	2 years	308
3.	B. A.	3 years	1200

Faculty members and their Area of Research:

DEPARTMENT OF MEDIEVAL AND MODERN HISTORY

Introduction:

The Chair of Professor in Department of History was created in 1912-13. Academic lectures and teaching commenced in December 1916. Gradually eminent historians joined the department on the invitation and appointment made by the first HOD, Prof. L. F. Rushbrook Williams. Those joining in 1917-1919 period include Ishwari Prasad, R. P. Tripathi, Beni Prasad, Sir Shahafat Ahmad Khan and Dr. Tara Chand. Two of the above earned the D.Litt. degree of the London University by working under the legendary Haraold Laski – Beni Prasad and R. P. Tripathi. By 1935, when the first session of the Indian History Congress was held at Pune – it was deemed necessary to unanimously elect Prof Shahafat Ahmad Khan, the then HOD of our Department as its first president because of the immense contributions made by the historians working under his stewardship. Their contributions gave rise to what emerged later as the “Allahabad School of History”.

Thrust Areas:

- Historical Analysis of the Political developments in the region c.1200 to c.1950.
- Studies of the Social and Political Profile of the Region c.1200 to c.1950.
- A study of Cultural Developments and conflicts in the region c.1200 to c.1950.
- Historical understanding of the Gender Issues and conflicts in the region from c.1200 to c.1950.
- Study of political and social Conflicts in region from c.1200 to c.1950.
- Agrarian issues and social conflicts in the region from c.1200 to c.1950.

DEPARTMENT OF MUSIC AND PERFORMING ARTS

Introduction:

Established in 1926, the Department of Music and Performing Arts has a long and illustrious history, when the well-known music lover and the renowned academician Dr. D.R. Bhattacharya started a Music Association in 1926 and the first music conference was organized under the auspices of this Association and Dr. D.R. Bhattacharya, the Vice-President. Two years Junior Diploma in vocal and instrumental music was started in 1935 and diploma in painting in 1937 started in Women's College campus. In 1942 Senior Diploma in Vocal and Instrumental Music was introduced and in 1945 the music vocal, instrumental and painting became a formal academic subject at undergraduate level and the regular teachers were appointed. It was only in 1947 that Dr. Amarnath Jha, Vice-Chancellor of Allahabad University laid down the foundation of the building of Music department and in 1950 a small building was constructed for the music department and inaugurated by the then Hon'ble Governor Sri. H.P. Modi. But again this building was handed over to Urdu Department in 1968 and the Music classes were again shifted to Women's College campus. Only in 1970 by the courtesy of Prof. A.B. Lal, the Pro-Vice-Chancellor, building of the music department was constructed and inaugurated on the auspicious occasion of Basant Panchami in 1971 and since then the department has flourished on every front from 1973 onwards. P.G. classes were started and research work also began as a follow up. Many students of the department emerged as national level artists as well as they occupied important position in academics or other important work places. The department till now offered teaching for B.A., M.A. and Diploma courses and conducted research, but from July 2003, the department of music has introduced Bachelor of Music (B. Mus.) three years Degree course in Vocal / Sitar / Tabla and M.Mus. from 2006-07 for enriching the quality of teaching music and to advance specialized training to the students. From 2005, the department included male candidates in B. Mus programme as a follow-up in M.Mus also. In B.A. this provision was since 2001. The department also introduced practical screening test for P.G. entrants in Music from July 2003 and included Rabindra Sangeet in B.Mus degree programme. The department also started 2 years diploma course in Indian Classical Kathak dance from session 2006-07. Started new course in P.G. MPA in Vocal, Sitar and Tabla from 2016-17. B. Mus 3 years UG course changed in 4 year BPA programme from session 2016-17.

Thrust Areas:

- Traditional teaching under Guru Shishya Parampara is imparted to the students to enable them for Performing Arts in their respective field.
- To provide teaching in Musicology aspect of Music.
- To provide teaching in Dhrupad/ Dhamar, Tappa, Thumri in vocal Music, Swar Vadya Pakhawaj with Tabla.
- To provide Music Teaching job oriented viz Music critic, Music recording, Music Director, Music arranging.
- To develop Audio-Visual recording (Digital) .

DEPARTMENT OF POLITICAL SCIENCE

Introduction:

The Department of Political Science was established in the pre-independence era in the year 1927. It soon became a centre of excellence in the field of higher education. The Department was headed by eminent historians like Dr. Beni Prasad, Prof. Ishwari Prasad and Dr. Tara Chand and reputed political scientists like Prof. A. B. Lal and Prof. A. D. Pant. The Department has gained recognition for its academic excellence and credible achievements of its students especially in the field of academics and administrative services. The Department has also produced a good number of JRFs and NET scholars – establishing the high quality of teaching and research. The Department is imparting thrust to research-oriented teaching. In fact, it has gained recognition as a prominent centre of learning and research in the country. The Department has designed courses with a view to promoting holistic knowledge of the subject. The Department aims at pursuing academic excellence and all-round development of students, motivating them to acquire cognitive and political skills, to become profound scholars, original thinkers, sincere researchers, good and responsible citizens, capable of playing an active and effective role in the nation-building.

Thrust Areas:

- Political philosophy
- Empowerment of women and marginalized sections of society
- Gender justice.
- Public policy and issues in administration
- Environmental issues, human rights
- International relations
- Regional security and regional organisations
- South Asian politics and governance

Programmes of Study:

DEPARTMENT OF PSYCHOLOGY

Introduction:

The Department of Psychology at Allahabad University was established in 1961 with Prof. Durganand Sinha as the first chairperson and two other faculty members. In 1977, the UGC approved it as a Department of Special Assistance (DSA) and the faculty strength was increased to 20. In recognition of its outstanding contribution to the field of Psychology in India, the Department was upgraded as the centre for Advanced Studies (CAS) in 1984 by the UGC. The Department was evaluated by the UGC and second, third and fourth terms of CAS were sanctioned between the period 1989 to 2008.

In 1989, the Department started an international journal 'Psychology and Developing Societies' in collaboration with the Sage publications which is now in its 32nd year. The Department was the first in the University to start D. Phil. with course work as early as in 1979. Semester system in P.G. Programme was started in the Department in 1989 and later on, in 2001, the Department adopted 'Choice Based Credit System' in P.G. Programme. The Department has Departmental Library which is recognized as regional resource center.

Thrust Areas:

- Clinical Psychology & Mental Health
- Organizational Behaviour
- Social Psychology

DEPARTMENT OF SANSKRIT, PALI, PRAKRIT AND ORIENTAL LANGUAGES

Introduction

This is one of the oldest departments of University of Allahabad. Sanskrit department came into existence in 1873 A.D. as a department of Muir Central College under aegis of Calcutta University. It was established 14 years earlier than UoA (1887). Founder Head of this department was Prof. Adityaram Bhattacharya 1873-1902.

Sixty-three students have been awarded D.Phil. Degree in last five years. Ninety-two research scholars are pursuing their research for D.Phil./Ph.D. Degree in the Department.

Thrust Areas:

- Research thrust area of Sanskrit Dept. has been divided in three main streams- Veda and Vedic Studies, Classical literature, and Indian Philosophy.
- Besides many other areas have been explored by our research scholars i.e. Architecture, Human-rights, Defense-studies, Environmental-studies, Tourism, Horticulture, Astrology, Ayurveda, Geology and Geo-hydrology, Economy, Polity, Law, History, Geography, Sanskrit Grammar and Pauranik Literature.

FACULTY OF COMMERCE

DEPARTMENT OF COMMERCE & BUSINESS ADMINISTRATION

Introduction:

The Department was set up in 1924 with the introduction of UG/PG teaching in Commerce. The Management wing was added in 1965 with the setting up of Motilal Nehru Institute of Research and Business Administration and the launching of PG programme leading to the award of Master's degree in Business Administration. In fact the Department was the first among the Indian University departments to take a lead in starting formal education in Management. During the year the academic calendar was strictly observed and the admissions, teaching, and examinations for various classes were held on time.

31	Zanab Abbas	The Future Learning: Generation Z and their challenges in the Covid world	International conference on "Emerging opportunities and challenges in Indian Economy: An Interdisciplinary approach	Oct 18, 2020	

DEPARTMENT OF ECONOMICS

Introduction:

The Department of Economics became a truly full-fledged department in 1914, with the appointment of Herbert Stanley Jevons (son of the marginalist, W.S. Jevons) as the first Professor of Economics and Head. A post-graduate course was also introduced the same year, so that the full fledgling department offered both, under-graduate and post-graduate courses. Origins are like riddles which may never be completely solved, and the Department of Economics is no exception. However, some sources also point to the year 1908, when the teaching of Economics as a subject commenced at the under-graduate level, though it remained under the Head of the then History Department. In view of the above, 2014 is taken to be its Centenary Year of the Department. Prof. Jevons also founded the Indian Journal of Economics, in the year 1916, the first economics journal ever to be published in India. This is the oldest existing journal of Economics and is regularly published, even today. In an article, published in its first volume in 1916 and available even today in the Department, Prof. Jevons wrote that his academic purpose was “*teaching to think and to do, rather than of teaching only to know*”.

This legacy of his was faithfully adhered to by stalwarts like Professors C.D. Thompson, A.R. Burnett-Hurst and S.K. Rudra, Mr. B.P. Adarkar, and later by Professors J.K. Mehta, P.C. Jain, S.L. Parmar, Mahesh Chand and many others. Faculty members such as Prof. H.S. Jevons, Prof. C.D. Thompson, Prof. S.K. Rudra and Prof. J.K. Mehta became Presidents of the Indian Economic Association Conferences of 1922, 1934, 1946, and 1968 respectively. Former faculty of the Department who became Presidents were Dr. M.V. Mathur (1967), Prof. Gautam Mathur (1978) and Prof. P.D. Hajela (1980). Allahabad had the proud privilege of hosting I.E.A. conferences in the years 1920, 1929 and 1940.

It also has a Planning and Development Unit, created through an endowment by the Planning Commission, Government of India, with the renowned development economist, Jean Dreze was Associated with it as the Honorary Chair Professor. The UGC also selected the Department under Special Assistance Programme (SAP) in 2004-05, DRS-I level. The Departmental library has more than fifteen thousand books and it subscribes 35 national and international journals.

The Department recently formed an Alumni Association and the first Alumni meet was organized on Feb.14, 2014, the meet was a grand success and it was attended by more than two hundred alumni. The Department is holding meetings of the Association every year since then. The Department has celebrated its Centenary Year in 2014.

Thrust Areas:

- Environmental Economics
- Social Sector
- Gender Economics

FACULTY OF LAW

DEPARTMENT OF LAW

Introduction

Law as a subject was introduced in the year 1872 in affiliation with the Calcutta University. In 1887 the Department of Law was established and in the year 1890, the Department became a separate single Department /Faculty of the University along with the Faculties of Arts, Science and Commerce. Hon'ble Justice D. Straight was appointed as the first president of the Department. The Law Department functioned in Muir College from 1872 onwards till the new building was constructed for the Law Faculty around 1910, adjacent to Senate House. By an Act of the United Province of British India. Prof. Weir, a distinguished jurist became the first Head of the Law Department. The Department was shifted to the new building which was constructed by UGC grant in the Chatham Lines Campus of which Hon'ble Mr. A.K. Sen the then Law Minister of India, had laid the foundation stone in 1965

In the process of reform and excellence in legal education, the University launched a Five Year Integrated Course of Law w.e.f. the academic session 2005-2006. A separate building for Law Five Year Integrated course has been built in the Law Faculty premises.

Thrust Areas:

The Law Department is engaged in various research areas including Laws Relating to:

- Jurisprudence
- Constitution
- Administrative Law
- Human Rights and Fundamental Freedoms
- Public International Law

Students Enrolment for the Department

Categorywise and Genderwise distribution of the students

Seminars/Webinars/Workshops/Conferences conducted by the Department

International Online Webinar

- **International Online Webinar** by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Human Rights and Vulnerability Protection in Times of Covid Pandemic, and Climate Crisis' on November 17, 2020. Professor Katak Malla, an eminent scholar of International Law in Stockholm University, Sweden was Chief Speaker.

National Online Webinar

- **National Online Webinar** by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Changing Dimensions of Personal Liberty under the Constitution of India' on October 1, 2020. Dr. Satish Chandra, Associate Professor, Department of Law, Allahabad P.G. College, A Constituent College of University of Allahabad, Prayagraj, was Chief Speaker.

- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Preparation of Documents for Filing of a Suit' on October 3, 2020. Dr. Rajeshwar Tripathi, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Clients Dealing at Lawyer's Chamber' on October 4, 2020. Shri Rajendra Pande, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Legal Profession and Mahatma Gandhi' on October 5, 2020. Dr. Rama Singh, Associate Professor and Principal, Arya Kanya Post Graduate College was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Philosophy of Criminal Law' on October 6, 2021. Professor S.C. Singh, National Law University Assam, Gauhati was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Expanding Horizons of Human Rights under the Constitution of India' on October 7, 2020. Professor S. K. Singh, Former Vice Chancellor, Madhya Pradesh Bhoj Open University Bhopal was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Human Rights: Theory and Practice' on October 8, 2020. Professor Mohd. Shakeel Ahmad (Samdani), Dean, Faculty of Law, Aligarh Muslim University was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Equality before Law' on October 9, 2020. Dr. A.K. Sharma, Advocate, Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Working of the National Human Rights Commission' on October 17, 2020. Sri R.N. Tiwari, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Natural Rights and Human Rights' on November 18, 2020. Dr. Rajeshwar Tripathi, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Procedure for Amendment of the Constitution' on November 19, 2020. Dr. Satish Chandra, Associate Professor, Department of Law, Allahabad P.G. College, A Constituent College of University of Allahabad, Prayagraj, was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Advisory Jurisdiction of the Supreme Court' on November 20, 2020. Sri Alok Singh, Advocate Supreme Court, New Delhi, was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Contempt Jurisdiction of the Supreme Court' on November 22, 2020. Sri Prdeep Singh, Advocate Supreme Court, New Delhi, was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Alternative Environment Dispute Resolution Mechanism: A Road Map for National Green Tribunal after 10 Years, on 28 November, 2020. Hon'ble Mr. Justice A.K. Goyal, former Judge Supreme Court and Chairman National Green Tribunal, New Delhi was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Green Social Work' on November 29, 2020. Dr. Satish Chandra, Associate Professor, Department of Law, Allahabad P.G. College, A Constituent College of University of Allahabad, Prayagraj, was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Doctrine of Rule of Law' on November, 30, 2020. Dr. A.K. Sharma, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'To Raise Awareness and Knowledge about HIV and a call to move Towards Ending the HIV Epidemic' on the Occasion of World Aids Day, December 01, 2020. Dr. Rama Singh, Principal Arya Kanya P.G. College was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Basic Philosophy of Commercial Law' on December 02, 2020. Professor S.K. Singh, Former Vice Chancellor, Madhya Pradesh Bhoj Open University Bhopal was Chief Speaker.
- National Online Webinar on the Topic: 'Dr. Bhimrao Ambedkar: Artist of the Constitution of India' in Faculty of Law, University of Allahabad, Prayagraj on December 06, 2020. Professor Shekhar Srivastava, Dean, Faculty of Science was Chief Speaker.

- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Basic Principles of the Law of Tort' on December 07, 2020. Professor S. K. Singh, Former Vice Chancellor, Madhya Pradesh Bhoj Open University Bhopal was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Regulatory Framework of Securities Market in India' on January 29, 2021. Professor Peeyush Ranjan Agrawal, Department of Management Studies, Motilal Nehru, Engineering College, Prayagraj, was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Law and Society' on January 31, 2021. Professor Mohd. Shakeel Ahmad (Samdani), Dean, Faculty of Law, Aligarh Muslim University was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Arbitration and Conciliation Act, 1996: Perspective and Prospective', on February 1, 2021. Dr. Satish Chandra, Associate Professor, Law Faculty, A.P.G. College, a Constituent College of University of Allahabad, Prayagraj was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'The Bar Council of India Rules, 1975' on February 15, 2021. Professor B.D. Singh, Faculty of Law, Lucknow University was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Legal Education: Past, Present and Future', on February 17, 2020. Hon'ble Mr. Justice Sudhir Narain, Retired, Judge of Allahabad High Court, Prayagraj, was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Fundamentals of Indian Contract Act, 1872' on March 01, 2021. Dr. Deevanshu Srivastava, Head, Jagran School of Public Policy and International Affairs, Jagran Lakecity Bhopal was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Fundamentals of Indian Constitution' on March 02, 2021. Dr. Hariom Awasthi, Assistant Professor, Department of Law, Prestige Institute of Management, Gwalior was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Political Science: An Introduction for Beginners' on March 03, 2021. Professor V.K. Rai, Department of Political Science was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Chaurichaura', on March 05 2021. Sri Ashok Mehta, Senior Advocate, Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Law and Justice' on March 06, 2021. Dr. A.K. Sharma, Advocate, Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Importance of History' on March 07, 2021. Professor Alok Prasad, Department of Medieval and Modern History was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Professional Ethics and Lawyers' on March 08, 2021. Sri Ravi Prakash Srivastava Advocate, Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Professional Ethics and Bar Council of India Rules, 1975' on March 09, 2021. Shri R.N. Tiwari, Advocate, Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Importance of Moot Court Competitions', on March 10, 2021. Dr. Slesh Gautam, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Gender Minority Laws in India, on March 11, 2020. Dr. Sangeeta Sriraam, Head, School of Legal Studies, Central University of Tamilnadu, Thiruvavur, Tamilnadu was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Modern Age in English Literature: Causes and Characteristics', on March 14, 2021. Professor Ranjana Tripathi, Principal Rajarshi Tandon Mahila P.G. College was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Scientific and Curative Value of Holy River Ganga in Legal Perspective' on March, 15, 2021. Sri Arun Kumar Gupta, Senior Advocate, Allahabad High Court was Chief Speaker.

- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Study and Legal Approach for Beginner of Law Students' on March 16, 2021. Dr. Slesh Gautam, Advocate, Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Political Organizations' on March 17, 2021. Sri Janardan Singh, Retired Judge was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'How Political Science is Useful for Students of Law' on March 18, 2021. Dr. Govind Gaurav, Assistant Professor, Department of Political Science, C.M.P. P.G. College, A Constituent College of University of Allahabad was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Foreign Policy of India', on March, 19, 2021. Professor Rajpal Budhanian, Department of Political Science was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Importance of Moot Court Competitions' on March, 20, 2021. Dr. Slesh Gautam, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Witness for the Prosecution: A Study of Agatha Christie's Mystery' on March 21, 2021. Professor, Ranjana Tripathi, Principal Rajarshi Tandon Mahila P.G. College was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Confluence of Law and Financial Education' on March, 22, 2021. Dr. Shipra Srivastava SEBI, Lucknow was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on the topic: 'Preamble of the Constitution' on March, 23, 2021. Dr. Ajay Pratap Singh, Associate Professor, Faculty of Law, C.M.P. Degree College, University of Allahabad was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on: 'Shakespeare and Law' on March 24, 2021. Professor L.R. Sharma, Department of English, University of Allahabad was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Financial Education and Role of Regulators', on March 25, 2021. Dr. Shipra Srivastava SEBI, Lucknow was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Bench Bar Relations' on 26, March, 2021. Shri R.N. Tiwari, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Arbitration and Conciliation Act, 1996: Perspective and Prospective', on March 27, 2021. Dr. Satish Chandra, Associate Professor, Law Faculty, A.P.G. College, a Constituent College of University of Allahabad, Prayagraj was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Moot Court and Real Court' on March 28, 2021. Dr. Slesh Gautam, Advocate Allahabad High Court was Chief Speaker.
- National Online Webinar by Legal Aid Centre, Faculty of Law, University of Allahabad on 'Art of a Successful Lawyer' on March, 31, 2021. Dr. A.K. Sharma, Advocate Allahabad High Court was Chief Speaker. Organization of UGC Human Resource Development Centre, University

Training/Orientation/refresher courses/special lectures conducted by the Department

S.No.	Name of the course	Duration and dates	Funding/sponsor	Speakers
1	UGC sponsored Refresher Course organized by UGC Human Resources Development Centre, University of Allahabad and Faculty of Law, University of Allahabad	2 Weeks	UGC	50

Proposed Courses

S.No.	Name of Programme	Nature	Duration	Proposed or In process
1	Intellectual Property Rights	Certificate course	Two years	In process

Any other information (about the Department):

National Symposium

Organized 4th National Symposium and Awards on the topic: "Law, Society and Changing Social Norms" by Droit Penale Group, a Unit of Arjun Das Gulati Memorial Society & Faculty of Law, University of Allahabad, Prayagraj on January 9-10, 2021.

FACULTY OF SCIENCE

DEPARTMENT OF BIOCHEMISTRY

Introduction:

The Department of Biochemistry was established in 1968 by the legendary Professor Dr. Radha Pant. At that time University of Allahabad was one of the few Universities in the country to start a Master's course in Biochemistry. In view of the growing importance of Biochemistry, both as a basic science as well as a broad based discipline, the Department also introduced Biochemistry at the undergraduate level in the year 2000. The Department presently offers a 3-year undergraduate program (B.Sc.) with Biochemistry as one subject, a 2-year Master's program (M.Sc. Biochemistry) and a Doctoral program (Ph.D. Biochemistry). Department organizes weekly students' seminars and frequent invited lectures by leading scientists from across the world with a view to develop quality personnel in the field of Biochemistry. In year 2018, Biochemistry department completed 50 years and celebrated Golden Jubilee year by organizing the first ever Alumni Meet and a National Conference on "Expanding Horizons of Biochemistry" on December 01, 2018. It was attended by distinct alumni from across the World.

Thrust Areas:

- Biochemistry of Health and Diseases
- Free radical biology and oxidative stress
- Biochemical toxicology and xenobiotic metabolism
- Ethnopharmacology and natural product biochemistry
- Molecular biology of HIV-1, anti-HIV-1 drug design
- Biochemistry of aging and anti-aging interventions
- Clinical and Nutritional Biochemistry
- Metabolic disorders & Cancer Biology
- Microbiology, Immunology and Parasitology

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph. D.	5 years (includes course work)	Variable	Biochemistry
2.	M. Sc.	2 years	27	Biochemistry
3.	B. Sc.	3 years	34	Biochemistry as one subject

Faculty members and their Area of Research:

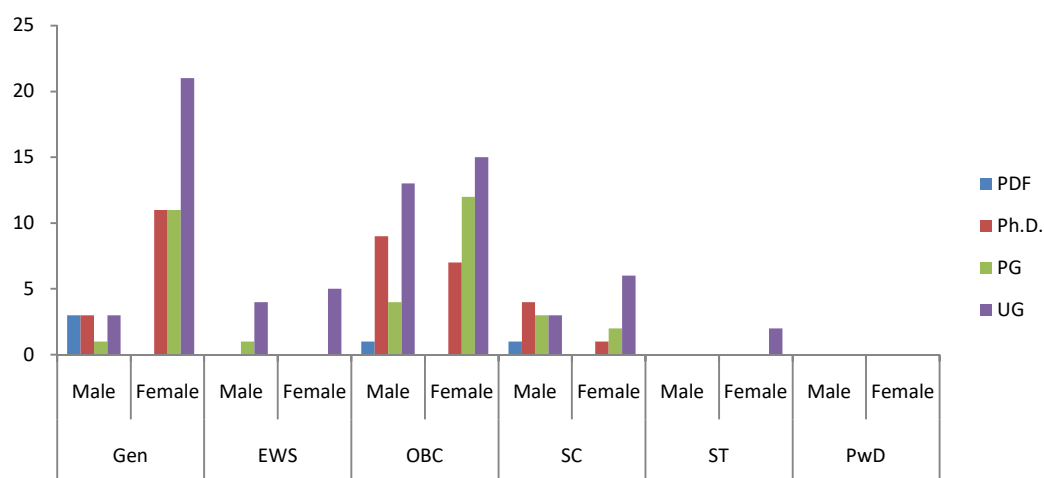

S.No.	Name of Faculty	Designation	Area of Specialization
1.	Dwijendra Kumar Gupta	Professor	Membrane Biology
2.	Bechan Sharma	Professor	Molecular Virology, Biochemical Toxicology, Phytomedicine, Drug discovery
3.	Syed Ibrahim Rizvi	Professor	Aging and Natural product
4.	Abhay Kumar Pandey	Professor	Oxidative Stress & Natural product biochemistry, Toxicology, Cancer biology
5.	Munish Kumar	Assistant Professor	Cancer Biology and Gene Polymorphism
6.	Jalaj Kumar Gour	Assistant Professor	Molecular Parasitology
7.	Ujla Minhas	Assistant Professor	Immunology

Support Staff:

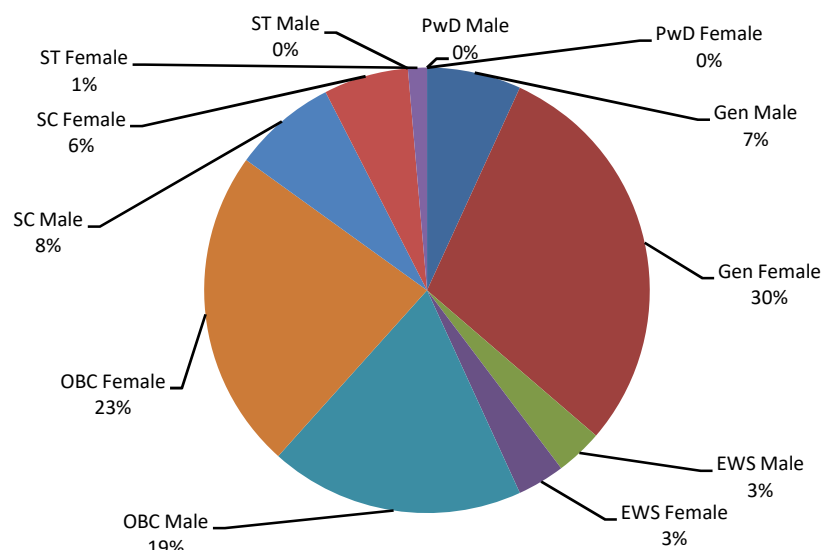

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Mr. O. P. Gupta	M	OBC	Office Assistant	Office related
2.	Mr. Dileep K. Mishra	M	Gen	Lab Attendant	Laboratory related
3.	Mr. Vijay Pal	M	OBC	Lab Attendant	Lab equipments upkeep

Details of Students, Year wise and Reservation wise (2020-21):

Students Enrolment for the Department

Categorywise and Genderwise distribution of the students

Training/orientation/refresher courses/special lectures conducted by the Department:

S. No.	Name of the course	Duration and dates	Funding/sponsor	Speakers
1.	(Webinar) "Glorious Past--Exciting Present and Encouraging Future of Biological Research in India: From Basic Sciences to Translational.	2 hours March 01, 2021	DBT New Delhi	Prof. Debi P. Sarkar University of Delhi
2.	(Webinar) "Genomic Diversity and relationships among Ethnic groups of India"	02 hours March 12, 2021	DBT New Delhi	Prof. Partha Pratim Majumder Distinguish Professor

Awards/Honours/Fellowship received:

S. No.	Name of Faculty Member/ Student who received award	Name of the award/Honours	Organization conferring award
1.	Prof. Abhay Kumar Pandey	External Expert Member - Board of Studies in Biochemistry	Central University of Punjab, Bathinda, Punjab
2.	Prof. Abhay Kumar Pandey	External Expert Member - Biochemistry Research Degree Committee	Pt. Ravishankar Shukla University, Raipur, Chattisharh
3.	Dr. Shiv Vardan Singh	DSK-PDF	UGC
4.	Dr. Arun Kumar Yadav	DSK-PDF	UGC
5.	Pooja Kumari	CSIR-UGC JRF	CSIR
6.	Prashansa Srivastava	CSIR-UGC NET	CSIR

Other Projections:

Department of Biochemistry is coordinating with Department of Biotechnology, Ministry of Science & Technology, Government of India for establishing Research Resources, Service Facilities and Platforms (RRSFP) Programme (DBT Builders) and National Genomics Core facility in the University of Allahabad.

Patent: 01

- Munish Kumar et al. 3D Printable Anti Covid-19 Mask with Eye Protection. 2021. Cbr No. 200212. Design patent.

Outreach activities:

S. N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1.	Prof S I Rizvi	NEP 2020 vision and design Invited Speaker	NEP 2020 Implementation Roadmap	Feb 27, 2020:	SRM University
2.	Prof. S I Rizvi	Anti Aging Strategies based on caloric restriction mimetics Invited Speaker	26 th International Conference, Indian Academy of Physical science	Dec 18-20, 2020;	SHUATS, Prayagraj
3.	Prof. S I Rizvi	Aging: Myth And Mystery Invited Speaker	Winter School on the theme "Challenges and Opportunities in Higher Education: Health, Environment and Learning"	Jan 19 to Feb, 01, 2021	Department of Home Science and UGC-HRDC
4.	Dr. Munish Kumar	Cancer in India Invited Speaker	Winter School on the theme "Challenges and Opportunities in Higher Education: Health, Environment and Learning"	Jan 19 to Feb, 01, 2021	Department of Home Science and UGC-HRDC
5.	Prof. Abhay K. Pandey	Invited Lecture on "Biological Chemistry"	Special Lecture Series under NEP	Jan 27 to Feb 06, 2021	Govt. PG College Saidabad, Prayagraj
6.	Prof. Abhay K. Pandey	Invited Lecture: Oxidative stress and associated complications	National e-Conference on "Current Trends in Life Sciences"	Sep 14-23, 2020	Calicut University, Kerala (GEMS Arts & Science College Mallapuram)

S. N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
7.	Prof. Abhay K. Pandey	Invited Lecture: “Zoonotic Diseases : Emergence & Prevention”	National Webinar on “Emerging Scenarios related to Zoonoses in a Warming Environment”	June 19-20, 2020	KBCAOS, AU & SHoADH, Shimla
8.	Prof. Abhay K. Pandey	Invited Lecture: “Covid-19 crisis: Present and future perspectives”	National WEBINAR on “Survival Strategies for Post COVID-19 Era: Perspectives from Science, Technology and Social Science”	May 20-26, 2020	Ewing Christian College, Allahabad
9.	Prof. Abhay K. Pandey	Invited Lecture: “Covid-19: Epidemiology and control measures”	National WEBINAR on “Challenges of COVID-19 Pandemic and Role of Science and Technology”	May 14-15, 2020	National Academy of Sciences, India & ISDC Allahabad
10.	Prof. Abhay K. Pandey	Chaired a technical session on Environmental Biotechnology	International Conference on Biotechnological Interventions for Societal Development (BioSangam 2020)	Feb 21-23, 2020.	MNNIT, Allahabad,
11.	Ramesh Kumar, Abhay K Pandey	Antidiabetic activity of Callistemon lanceolatus	107th Indian Science Congress on S&T for rural Development	Jan 03-07 , 2020	ISCA & Univ. of Agricultural Sciences, Bengaluru
12.	Ramesh Kumar, Abhay K Pandey	Antioxidant and anticancer activity of Callistemon lanceolatus	Role & Management of oxidative stress in human diseases. 17 th Annual meeting of Society for free radical research, India	Feb 12-15, 2020	SFRR India & BARC Mumbai
13.	Ashutosh Gupta, Abhay K Pandey	Ellagic acid: A natural ellagitannin with antioxidant and antidiabetic attributes against alloxan induced diabetes in rats	Biosangam 2020: International Conference on Biotechnological Interventions for Societal Development	Feb 21-23, 2020	MNNIT, Allahabad
14.	Risha Ganguly, Abhay K Pandey	Ameliorative effects of Baicalin on SSRI induced hepatotoxicity via oxidative stress attenuation	Biosangam 2020: International Conference on Biotechnological Interventions for Societal Development	Feb 21-23, 2020	MNNIT, Allahabad
15.	Prof. Bechan Sharma (Online Participant from India)	Rilpivirin resistance in HIV	CoVID19 Clinical Forum 2021	Jan 19, 2021	Virology Education, The Netherlands
16.	Prof. Bechan Sharma (Online Participant from India)	Impact of lockdown on the psychosomatic health	CoVID19 and Our Environment: 2nd International Conference on Environment and Society (ICES 2020) & 2nd Annual Meet of GESA	Dec 26-28, 2020	GESA-India
17.	Prof. Bechan Sharma (Online Participant from India)	On the pathogenicity of SARS CoV2 (Online Interaction)	COVID-19 Clinical Management Workshop	Dec 14-15, 2020	Virology Education, The Netherlands
18.	Prof. Bechan Sharma (Invited speaker)	HIV-1RT mutants and NRTIs resistance	BioSangam 2020; International Conference on Biotechnological interventions for Societal Development	Feb 21-23, 2020	MNNIT-Allahabad
19.	Anchal Dubey, Abhishek Kumar and Bechan Sharma. Poster	Antioxidant potential and phytochemical analysis of <i>Nyctanthes arbor-tristis</i>	BioSangam 2020; International Conference on Biotechnological interventions for Societal Development	Feb 21-23, 2020	MNNIT-Allahabad
20.	Vivek Kumar Gupta and Bechan Sharma. Poster	Renoprotective effect of <i>Aloe vera</i> extract against the toxicity of cartap and malathion in Wistar rats	BioSangam 2020; International Conference on Biotechnological interventions for Societal Development	Feb 21-23, 2020	MNNIT-Allahabad
21.	Priyanka Tiwari and Bechan Sharma	Effects of deflazacort and methylprednisolone therapy on certain biochemical indices of human blood	BioSangam 2020; International Conference on Biotechnological interventions for Societal Development	Feb 21-23, 2020	MNNIT-Allahabad

S. N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
22.	Nitika Singh and Bechan Sharma (Poster)	Evaluation of citrus limon fruit juice as effective antibacterial agents.	BioSangam 2020; International Conference on Biotechnological interventions for Societal Development	Feb 21-23, 2020	MNNIT-Allahabad
23.	Abhishek Kumar and Bechan Sharma (Poster)	Detrimental effect of lead exposure on nephropathy in diabetic rats and mitigating effect of <i>C. carandas</i>	BioSangam 2020; International Conference on Biotechnological interventions for Societal Development	Feb 21-23, 2020	MNNIT-Allahabad
24.	Khushboo and Bechan Sharma (Poster)	Antidepressant effect of garlic constituents and fluoxetine against reserpine induced depression in rat model	BioSangam 2020; International Conference on Biotechnological interventions for Societal Development	Feb 21-23, 2020	MNNIT-Allahabad
25.	Vivek K Gupta, and Bechan Sharma	Protective effect of <i>Aloe vera</i> on malathion and carptar induced toxicity in liver of wistar rats	22nd Agricultural Scientists and Farmers Congress on Post harvest technology and management for empowering the rural society and employment generation	Feb 22-23, 2020	Bioved Research Institute of Agriculture Technology and Sciences, Prayagraj
26.	Prof. Bechan Sharma (Key Note speaker/ Chair of a technical session)	The balance between the rates of incorporation and pyrophosphorytic removal influences the HIV-1 reverse transcriptase bypass of an abasic site with deoxy-, dideoxy-, and ribonucleotides	8th International Translational Cancer Research Conference: Role of Inflammation and Immune System for Cancer Prevention and Treatment	Feb 13-16, 2020	Department of Biochemistry, Institute of Science, BHU-Varanasi-221005 & Society for Translational Cancer Research (STCR)
27.	Prof. D.K. Gupta	Membrane Assisted Processes	International Congress on Membranes and Membrane Assisted Processes (ICMMAP2021)	Feb 12-14, 2021	Mahatma Gandhi University, Kottayam
28.	Prof. D. K. Gupta	Key note Speaker	National Seminar on "Application of Bioengineering and Bioinformatics in Health Care: Breakthrough to Miracles	Feb 18-19, 2020	Amity University", Lucknow
29.	Dr. Jalaj Kumar Gour	Workshop	Online National Workshop in Structural Bioinformatics "In-Silico Technique in Drug Designing"	May 27-29, 2020	Bioinformatics Center (SubDIC), Department of Biotechnology, Barkatullah University, Bhopal & Corporate Institute of Pharmacy, Bhopal
30.	Dr. Ujla Minhas	Evaluation was based upon assignments and online test	R Training	April 27 to May 02, 2020	IIT Bombay, funded by National Mission on Education through ICT, MHRD, GOI
31.	Dr. Ujla Minhas	Evaluation was based upon assignments and online test	ICT Tools for Teaching, Learning and Administration	Aug 04-10, 2020	Department of Electronics and Communication J. K. Institute of Applied Physics & Technology UoA
32.	Dr. Ujla Minhas	What would I do for achieving Academic Excellence in my institution?	Teaching effectively	March 24-31, 2021	CALEM, UGC HRDC, AMU, ALIGARH

Other information (about the Department/Center)

- Two institutional projects to strengthen the infrastructure and research facilities in life Sciences have been granted by Department of Biotechnology, Government of India to the University of Allahabad for supporting advanced Genomics research in the university as well as in adjoining region (North India). Prof. S.I. Rizvi has been made coordinator/PI of the projects. Details of the projects are given below:

S.No.	Project	Year	Funding agency	Sanctioned amount
1.	DBT Builder Grant in Life Sciences	2020-2024	DBT, New delhi	Rs. 2 Crore
2.	Genomic Core Project	2019-2021	DBT, New delhi	Rs.20 Crore

- Two research papers published by Biochemistry department have received highest Google Scholar Citations till date. Details are given below.

Article	Year of Publication	No. of citations (Google Scholar)
Kumar S. and Pandey A.K. (2013) Chemistry and Biological Activities of Flavonoids: An Overview. The Scientific World Journal, 2013: Article ID 162750. 16 pages, Doi: 10.1155/2013/162750.	2013	>3000
Pandey K.B. and Rizvi S.I. (2009) Plant polyphenols as dietary antioxidants in human health and disease. Oxidative Medicine and Cellular Longevity 2 (5): 270-278.	2009	>3000

- Research publications of three faculty members (Prof. Abhay Kumar Pandey, Prof. Bechan Sharma and Prof. S.I. Rizvi) of the biochemistry department have individually received more than 5000 citations (Google Scholar).

Prof. Shekhar Srivastava and Prof. S. I. Rizvi coordinated the online Special lecture delivered by Prof. Debi P. Sarkar on “Glorious Past--Exciting Present and Encouraging Future of Biological Research in India: From Basic Sciences to Translational Exploration” on March 01, 2021

DEPARTMENT OF BOTANY

Introduction:

Department of Botany is a well-known department of University of Allahabad. The Department which was earlier a part of Biology Department of Muir Central College started as a separate entity in the year 1923, with Dr. J.H Mitter as the founder Head of the Department. Now, the department has completed 97 years of its glorious existences under the stewardship of eminent botanists like Prof. S Ranjan, FNI, Prof. R.K. Saxena, FNI, Prof. R.N. Tandon, FNA, Dr. A.K. Mitra and Prof. D.D. Pant, FNA and others who have adorned the professorial chair of the department. In recognition of its academic excellence, the department of botany was awarded two prestigious programs by the UGC 1- The special assistance program (1976) 2- The COSIST support program (1990).

- **Roxburgh botanical garden and Experimental farm-** The department is maintaining perhaps the best botanical garden in the country which is famous for the rich collection of rare Pteridophytes, Gymnosperms and Angiosperms. It is maintaining the best collection of rare Cycads and Conifers.
- **Agharkar Museum-** The department has a Botanical Museum which is located on the first floor of east wing of the botany department. The museum is well known for its rare collection of living and fossil plant belonging to different plant groups from Algae to Angiosperm.
- **Duthie Herbarium-** The department is maintaining the best collection of herbarium plants of various groups like Bryophytes, Pteridophytes, Gymnosperms and Angiosperms. It includes the rare prized collection of Duthie, King, Kustler, Dudgeon, Cave, Wallich and Gamble. There are nearly 25000 specimens.
- **Central Instrumentation laboratory-** Department has central instrument facility (CIL) equipped with AAS, UV-Vis spectrophotometer, HPLC, High Speed Refrigerated Centrifuge and MilliQ water purification system.
- **Departmental Library-** The Departmental Library contains about 13,000 books on Botany and 250 books on Environmental Science.

Thrust Areas:

The department offers teaching in two main courses at the post-graduate level: 1. Botany, and 2. Agricultural Botany. The post-graduate courses are having semester system. The under-graduate program is integrated with B.Sc. curriculum of the Faculty of Science. The curricula are continuously updated. The ongoing research program emphasizes diverse areas of functional, structural, applied and evolutionary botany. The main emphasis is given on the following areas which are identified by UGC as areas of excellence:

- 1- Palaeobotany, Morphology and Anatomy
- 2- Plant Pathology including Microbiology
- 3- Plant Physiology

There are other areas of interest like Taxonomy, Bio-diversity, Palynology, Ecology, Cytogenetics and molecular Biology which are also attaining excellence.

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	-	-
2.	M.Sc. (Botany)	2 years (4 semesters-CBCS pattern)	68	Botany
3.	M.Sc. (Ag. Botany)	2 years (4 semesters-CBCS pattern)	17	Agriculture Botany
4.	B.Sc. (Bio. Group)	3 years	330	Bio. group

Faculty members and their Area of Research:

S.N.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Prof. Girjesh Kumar	Male	Professor & Head	Genetics & Plant Breeding
2.	Prof. D.K. Chauhan	Male	Professor	Evolutionary Botany, Stress Physiology
3.	Prof. S.C. Agarwal	Male	Professor	Limnology, Phycology, Marine Biology
4.	Prof. Narsingh Bahadur Singh	Male	Professor	Plant Physiology, Ecology, Crop Physiology
5.	Prof. Harbans Kaur Kehri	Female	Professor	Mycology, Plant Pathology, Microbiology

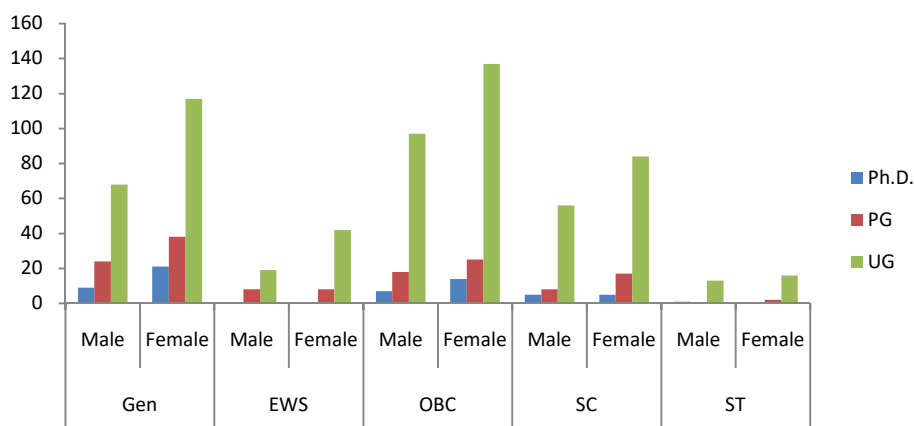

S.N.	Name of Faculty	Gender	Designation	Area of Specialization
6.	Prof. Sheo Mohan Prasad	Male	Professor	Physiology, Biochemistry & Molecular Biology
7.	Prof. Satya Narain	Male	Professor	Plant Taxonomy, Economic Botany
8.	Dr. Dinesh Kumar Yadav	Male	Assistant Professor	Molecular Biology & Genetic Engineering
9.	Dr. Rajiv Kumar Yadav	Male	Assistant Professor	Molecular Biology & Genetic Engineering
10.	Dr. K. Suresh Kumar	Male	Assistant Professor	Phycology & Algal Physiology

Support Staff:

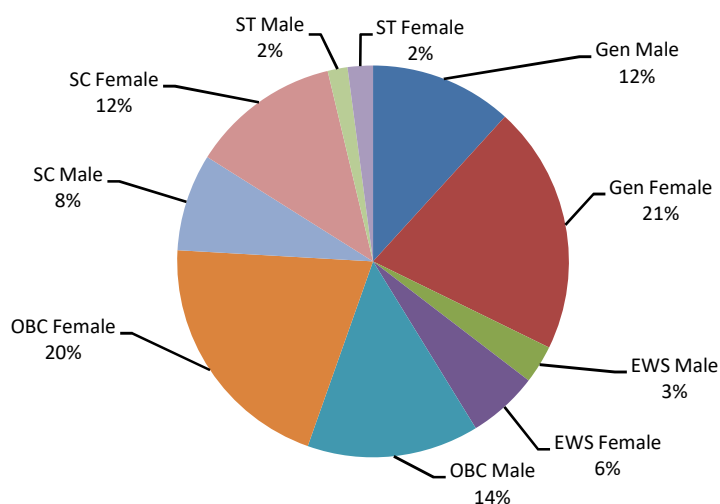

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Mr. Bishan Singh	M	GEN	Sr.Tech. Asstt.	Practical class arrangement
2.	Mr. Jagdish Chandra	M	GEN	Tech. Asstt.	Practical class arrangement
3.	Mr. Chandra Prakash Joshi	M	GEN	Tech. Asstt.	Practical class arrangement
4.	Mr. Akhil Agarwal	M	GEN	Lab. Asstt.	Practical, store and museum
5.	Mr. Rajesh Kumar Kashyap	M	OBC	Office Asstt.	Office work
6.	Mr. Braj Kishor Tiwari	M	GEN	Jr. Office Asstt.	Office work
7.	Mr. Awadhesh Kumar	M	GEN	Library Asstt.	Library work
8.	Mr. Shashi Prakash	M	OBC	Carpenter	Minor works as carpenter
9.	Mr. Santosh Babu Mishra	M	GEN	Photo Artist	Technical arrangements
10.	Mr. Brijesh Kumar	M	OBC	Mechanic	Driving
11.	Mr. Ram Babu Kushwaha	M	OBC	Tubewell operator	Electric maintenance
12.	Mr. Raj Mangal Tiwari	M	GEN	Lab. Attendant	M.Sc. Lab
13.	Mr. Radhey Shyam	M	OBC	Lab. Attendant	Helping in library work
14.	Mr. Virendar Kumar Maurya	M	OBC	Lab. Attendant	B.Sc I & II Practical classes
15.	Mr. Shiv Shankar	M	OBC	Lab. Attendant	Practical class work
16.	Mrs. Soma Tiwari	F	GEN	Peon	Looks after girl's common hall
17.	Mr. Ashok Kumar Maurya	M	OBC	Peon	Glassware and chemicals
18.	Mr. Ganiko Pd Kushwaha	M	OBC	Peon	Practical class work
19.	Mr. Radhey Shyam	M	OBC	Mali	Garden work
20.	Mr. Ram Lal	M	OBC	Mali	Garden work
21.	Mr. Umesh Chandra Mishra	M	GEN	Mali	Work related to office
22.	Mr. Dirgaj Prasad	M	OBC	Mali	Maintenance of garden
23.	Mr. Kamaljeet	M	SC	Sweeper	Cleaning
24.	Sanno Begum	F	OBC	Sweeper	Cleaning

17	Tajammul Husain, Mohammad Suhel, Sheo Mohan Prasad, Vijay Pratap Singh	Ethylene depends upon endogenous hydrogen sulfide for mitigating hexavalent chromium toxicity in two pulse crops.	Science & Technology in the service of common man	March 17-18, 2021	The Indian Science Congress Association

DEPARTMENT OF CHEMISTRY

Introduction

The Department of Chemistry is one of the oldest and most prominent departments of the University of Allahabad. It started functioning in 1872 under the principal ship of Prof. Harrison, who took keen interest in the development of this department. Prof Hill was responsible for managing the teaching of Chemistry. This department earned significant popularity on national/international scenario under the able guidance of Prof. N.R. Dhar, I.E.S. He was a distinguished scholar and pioneer researcher in the field of Physical Chemistry, Inorganic Chemistry and Soil Sciences. He served as Head of the Department from 1922-1938 and 1946-1953. The rich traditions set by Prof. Dhar were successfully executed by his successors Prof. S.Ghosh and Prof. Satya Prakash and hoard of other brilliant teachers, who contributed to develop the Department into the centre of high learning. Encouraged by the past glory, the department is striving hard to create a niche for itself in national and international domains of teaching and research. As a result it was selected as a Centre for Special Assistance by U.G.C. in 1978, selected for an aid under COSIST in 1996.

The Department's vision is to promote excellence in Chemistry education and its mission is to blend theoretical knowledge of Chemistry with practical skills

Thrust Areas:

- Chemical Kinetics
- Co-ordination Chemistry
- Synthetic Organic Chemistry
- Green Synthesis of biodynamic heterocyclic scaffolds
- Drug Designing & Medicinal Chemistry
- Anti-HIV drug development
- Quantum Mechanics
- Soil Chemistry
- Environmental Chemistry, Polymer & Material Chemistry
- Nano Science and Technology

Programmes of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph. D.	5 years (includes course work)	7 (Chemistry) 2 (Ag. Chemistry)	Chemistry & Agriculture Chemistry
2.	M. Sc.	2 years (4 SEMESTER) CBCS	136 (Chemistry) 22 (Ag. Chem.)	Chemistry & Ag.Chemistry
3.	B. Sc.	3 Years Degree Course	B.Sc. Part I – 653 B.Sc. Part II – 465 B.Sc. Part III – 257	--

Faculty members and their Area of Research:

S.N.	Name of Faculty	Gender	Category	Designation	Area of Specialization
1.	Shekhar Srivastava	Male	GEN	Professor	Photoelectron Spectroscopy, Organometallic Chemistry and Co-ordination Chemistry, Polymers/Biopolymers, Nanocomposites,
2.	R.K.P. Singh	Male	OBC	Professor	Coordination Chemistry and Electroorganic Synthesis
3.	P.K. Tandon	Male	GEN	Professor	Chemical Kinetics, Organic Synthesis and Catalysis by Nanoparticles, Water Pollution and Conducting Polymers
4.	Vandana Singh	Female	GEN	Professor	Natural Products, Macromolecular Materials and their Applications

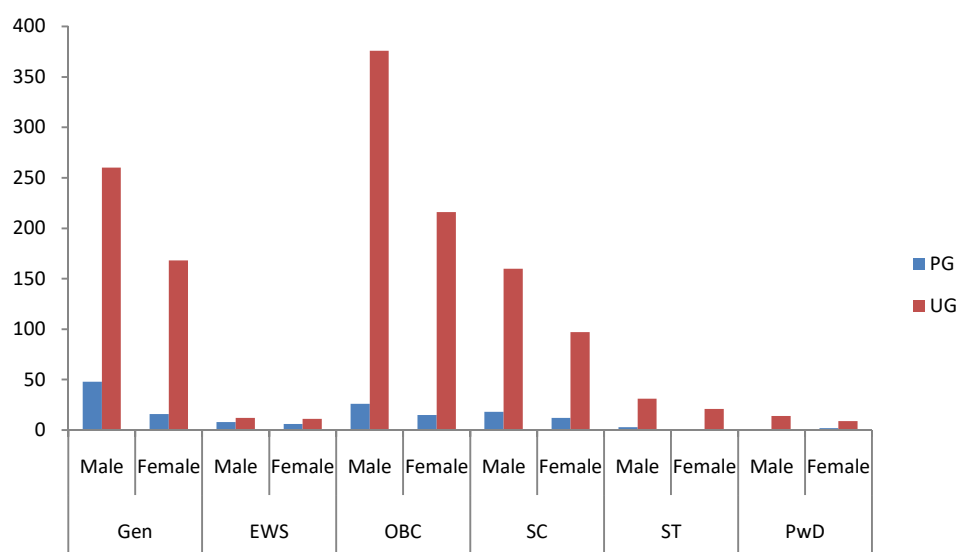

S.N.	Name of Faculty	Gender	Category	Designation	Area of Specialization
5.	Ibadur Rahman Siddiqui	Male	GEN	Professor	Natural Product Chemistry and Synthetic Organic Chemistry specially Green Synthesis of biodynamic heterocyclic scaffolds
6.	Dinesh Mani	Male	GEN	Professor	Agricultural Chemistry and Soil Science
7.	R.K. Singh	Male	GEN	Professor	Nucleic Acid Chemistry and Molecular Biology

Support Staff:

30.	Sikandar Paswan	Synthesis ,thermal, photo-physical and biological properties of mononuclear Yb ³⁺ , Nd ³⁺ and Dy ³⁺ complexes derived from Schiff base ligands	National Conference on Science and Technology :Rural Development	Feb 8-9, 2020	Allahabad Chapter , The Indian Science Congress Association
31.	Ved Prakash	An Electrochemical Approach for the Synthesis of Benzimidazoles from <i>O</i> -Phenylenediamines and Benzaldehyde.	National Conference on Science and Technology in the service of common man	March 17-18 2021	National Conference on Science and Technology
32.	VikasYadav	β -Cyclodextrin: An Efficient Supramolecular Catalyst for 'in water' Metal Free One Pot Synthesis of Medicinally Potent Pyridines & Chomopyridines	Science & Technology In The Service of Common Man (STSCM)	March 17-18, 2021	The Indian Science Congress Association in association with DST PURSE Project
33.	Shehala	Guar gum inspired (GNIOc) nanoparticle: synthesis, characterization and catalytic evaluation	Internantional e- Conference on Sustainability Challenges & Transforming Opportunities: Amidst COVID-19	July 26-30 , 2020	S.S. Khanna girls degree college, Prayagraj
34.	Shehala	Interference synthesis of gum ghatti capped silver nanoparticles: An efficient tool for saccharin sensing	National Conference on Science & Technology in the Service of Common Man	March 17-18 2021	Allahabad Chapter, Indian Science Congress Association
35.	Mani Prabha	Oxidized Guar Gum Modified ZnO Hybrid Nanostructure: An Excellent Antibacterial Material.	National Conference on Science & Technology in the Service of Common Man	March 17-18 2021	Allahabad Chapter, Indian Science Congress Association
36.	Aayushee	Synthesis and charcaterisation of oxidized sodium alginate-zinc oxide nanocomposites with enhanced antibacterial activity.	National Conference on Science & Technology in the Service of Common Man	March 17-18 2021	Allahabad Chapter, Indian Science Congress Association

National Conference on Science & Technology in the Service of Common Man (STSCM) 17th & 18th March 2021

DEPARTMENT OF DEFENCE AND STRATEGIC STUDIES

Introduction:

The Dept. of Defence and Studies established in 1940 has assumed enormous significance in the contemporary security environment at global level and more so in the era of Globalization. This area of study is not only up coming in India but also has become highly relevant for students, researchers, academics and policy makers. The Department will strive to provide a dedicated programme of study for higher education and research.

Thrust Areas:

- To function as a dedicated think tank and research centre for National Security Studies with a focus on the Southern Asian region. It would concentrate on the developments in the region and would disseminate information's related to India's Defence and National Security.
- The Department maintains linkages with the recognised institutions for cross research and Joint Collaboration to enhance the scope of teaching and research on Defence and National Security issues and concerns.

Programmes of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	04	International Security/ Southern Asia
2	M. A./M. Sc.	2 years (4 Semesters)	31+ 05 (Armed Forces Personnel)	--
3	B. A. / B. Sc.	3 years	583+105=688	--

Faculty members and their Area of Research:

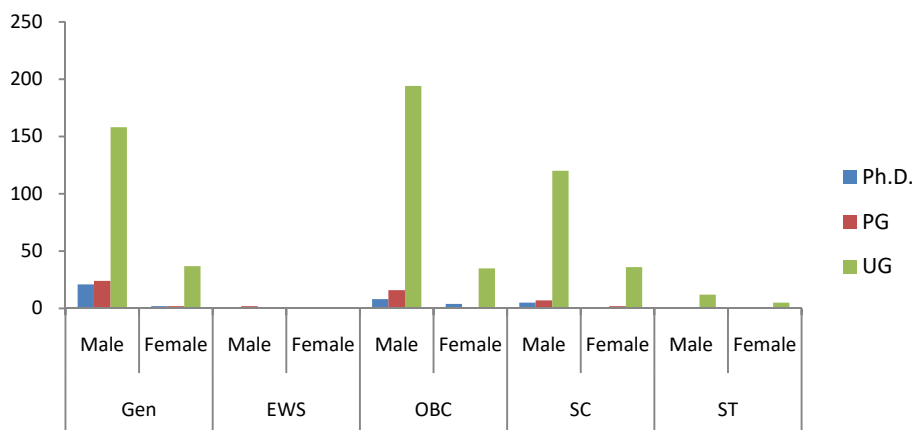

S. No.	Name of Faculty	Designation	Area of Specialization
1.	Madhvendra Nath Varma	Professor & Head	Guerilla Warfare and Peace & Conflict Studies
2.	Shekhar Adhikari	Professor	Strategic Thought, and Disarmament & Arms Control
3.	Raj Kumar Upadhyaya	Professor	Military History and South Asia
4.	Prashant Agarwal	Professor	Science Technology & National Security, Defence Economics, and National Security
5.	Bharti Das	Professor	Legal Aspects of International Relations and Contemporary Problems of War & Peace

Support Staff:

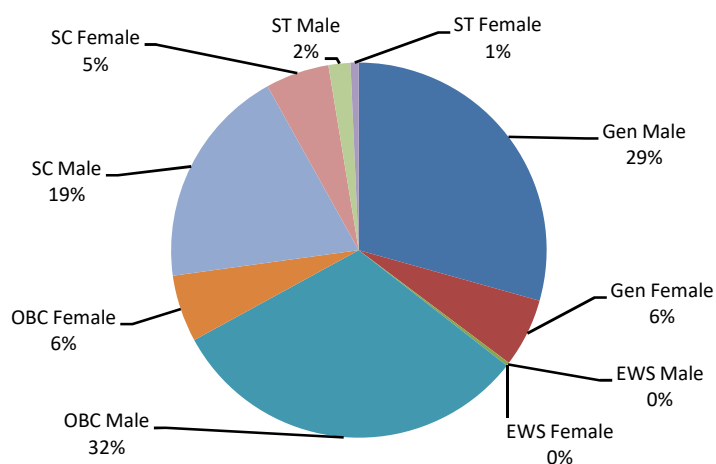

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Chandra Dutt Pandey	Male	General	Senior Office Assistant	Office Related
2.	Ajay Kumar Srivastava	Male	General	Technical Assistant	Laboratory Related work
3.	Virender Kumar Yadav	Male	OBC	Lab Attendant	Lab work
4.	Ujjwal Singh	Male	OBC	Book Attendant (MTS)	Library
5.	Ram Kishor Yadav	Male	OBC	Peon	Office Work
6.	Raj Kumari	Female	OBC	Waterman	Office Work

1.	UGC SAP (DRS-II)	Changing Dimensions of National Security	5 years	56 Lakhs
2.	UGC	National Security Center	3 years	21 Lakhs

DEPARTMENT OF EARTH & PLANETARY SCIENCES

Introduction:

The Department of Earth and Planetary Sciences (DEEPS), University of Allahabad was established in the year 1985 as a post-graduate teaching department employing Semester System and to carry out research in the frontier areas of planetary geosciences, especially Experimental Mineralogy and Petrology at variable temperatures and pressures. It is a FIST-sponsored Level-II department, recognized by the Department of Science and Technology, Government of India. The DEEPS is internationally recognized for its contributions in the field of terrestrial and extraterrestrial geosciences involving experimental, field, theoretical and modeling approaches. Faculty members have received multiple financial grants to create infrastructure and conduct innovative research studies in fundamental and applied geosciences. A number of national and international collaborative projects undertaken by the faculty members has increased peer-reviewed journal publications and helped to raise the bar in pedagogy. In less than four decades, the DEEPS has emerged as a top ranking geosciences department of India, whose alumni are serving as faculty members and research scientists in top-rated institutions in India and abroad like IITs (Mumbai, Kharagpur and Roorkee), IISERs (Kolkata and Bhopal), JNU (New Delhi), BHU (Varanasi), RGIPT (Rae Bareilly), PRL (Ahmedabad), SASE (Chandigarh), WIHG (Dehradun), JPL-NASA (USA), Curtin University Sarawak (Malaysia) and Kio University (Japan) etc. The alumni are performing exceptionally well in various professional organizations like GSI, CGWB, ONGC, NHPC, AMD, MECL, CIL, Oil India Ltd., Indian Oil, NTPC, GWD (U.P.), Reliance Petroleum, UPDGM, Essar Oil, SHELL and Schlumberger etc. Every year our students perform very well in national level entrance examinations (GATE and UGC-CSIR NET) for admissions into the M.Tech. and Doctoral programmes.

Thrust Areas:

- Experimental Mineralogy and Petrology
- Terrestrial Impact Cratering Research and Study of Planetary Analogues
- Igneous Petrology and Metamorphic Petrology
- Geology of Bundelkhand Craton
- Gemmology
- Geophysical Exploration
- Seismology
- Natural Hazard Assessment and Management
- Micropaleontology
- Sedimentology
- Remote Sensing and GIS
- Seismic Coda Wave Attenuation
- Engineering Geology and Rock Mechanics

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	06	Impact Cratering Research, Igneous Petrology (Field and Experimental), Seismology, Natural Hazard Assessment, Micropaleontology, Sedimentology and Paleoclimatology, Application of Remote Sensing, Environmental Geology and Engineering Geology
2.	M.Sc.	2 years (4 Semesters)	15	Applied Geology
3.	B.Sc.	3 years	38	-

Faculty members and their Area of Research:

S.N.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Dr. Jayanta Kumar Pati	Male	Professor and Head	Experimental Mineralogy and Petrology, Terrestrial Impact Cratering Research, Study of Planetary Analogues, Igneous Petrology and Metamorphic Petrology, Geology of Bundelkhand Craton and Gemmology

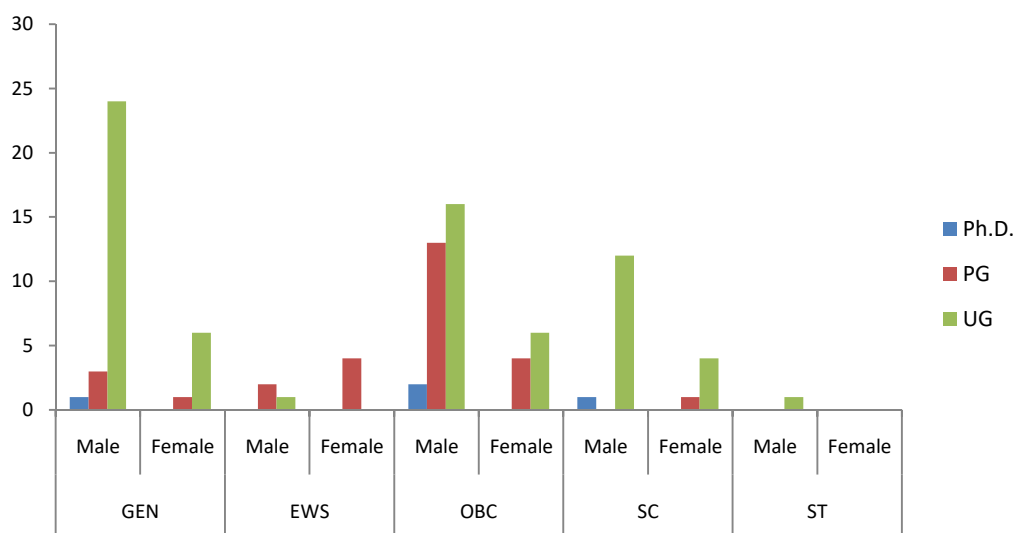

S.N.	Name of Faculty	Gender	Designation	Area of Specialization
2.	Dr. Jayant Nath Tripathi	Male	Professor	Seismic Hazard Analysis, Scattering and attenuation of seismic waves, Seismic wave propagation through heterogeneous media, Application of Remote Sensing and Satellite data for Ground/Surface-soil Water and environmental studies
3.	Dr. Ajai Kumar Rai	Male	Professor	Micropaleontology
4.	Dr. Siddhartha Sankar Das	Male	Professor	Sedimentology and Paleoclimatology
5.	Dr. Priyamvada Singh	Female	Assistant Professor	Geo-exploration, Remote Sensing, Environmental Geology
6.	Dr. Ravindra Pratap Singh	Male	Assistant Professor	Environmental Geology and Neo-tectonics
7.	Dr. Prakash Kumar Singh	Male	Assistant Professor	Engineering Geology

Support Staff:

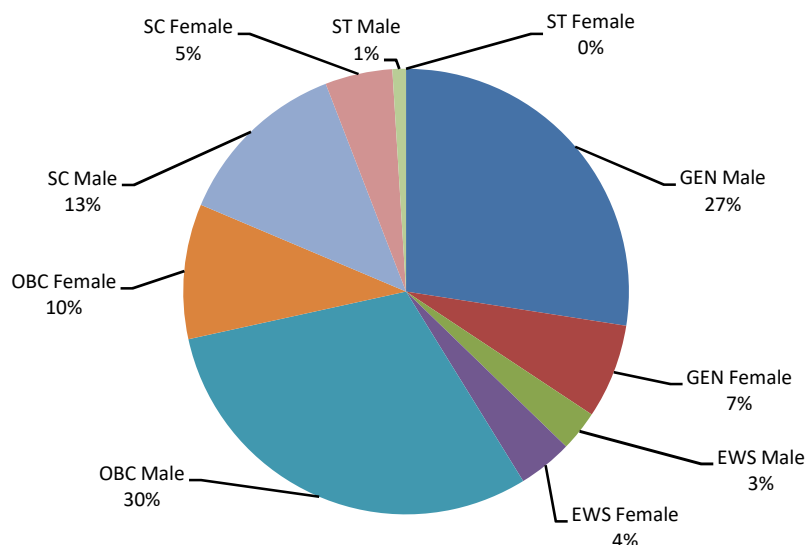

S.N.	Name	Gender	Category	Designation	Work assigned
1.	Mr. Garun Kumar Mishra	Male	GEN	Office Assistant	Office work
2.	Mr. Sitaram Yadav	Male	OBC	Lab Assistant	Laboratory work with additional charge of departmental library
3.	Mr. Jatan Lal	Male	SC	Lab Attendant	Laboratory work
4.	Mr. Vidhya Nath	Male	GEN	Peon	Departmental work

Details of Students, Year wise and Reservation wise (2020-2021):

Students Enrolment for the Department

Categorywise and Genderwise distribution of the students

Training/orientation/refresher courses/special lectures conducted by the Department:

S. No.	Name of the course/event	Duration and dates	Funding/sponsor	Speakers
1.	National Science Day (Topic: Rishi Ganga Tragedy)	Feb 28, 2021	Invited Lecture by the Department of Earth and Planetary Sciences, University of Allahabad, Prayagraj	Prof. Arvind Kumar Jain, FNA, Retd. Professor, IIT Roorkee
2.	National Science Day (Topic: Glacier related flash floods in Uttarakhand: A tale of three events in last 100 years)	Feb 28, 2021	Invited Lecture by the Department of Earth and Planetary Sciences, University of Allahabad, Prayagraj	Dr. Ajanta Goswami, Associate Professor, IIT Roorkee

Details of Awards/Honours/Fellowship received:

S.N.	Name of Faculty Member/Student who received award	Name of the award	Organization conferring award
1.	Professor Jayanta Kumar Pati	Core Member, DST-FIST Committee for Improvement of Science & Technology infrastructure in Universities and other Higher Educational Institutions (Earth and Atmospheric Sciences)	Department of Science and Technology, New Delhi, Govt of India

Outreach activities:

S.No.	Name of Faculty Member/Student/Researcher	Title of the paper presented	Title of Conference/Seminar etc	Duration of the conference/assignment	Organized by
1.	Mohammad Arif, Shiva Kumar Patil, Jayanta Kumar Pati, Sumit Misra	Anisotropy of magnetic susceptibility of target rocks and impactites from Dhala impact structure, India	52 nd Lunar and Planetary Science Conference-2021	March 15-19, 2021	Lunar and Planetary Institute and NASA, USA
2.	Anuj Kumar Singh, Shivashu Dwivedi, Dhananjay Mishra, Jayanta Kumar Pati,	Role of pre-impact regional fabrics in controlling the final shape of the Dhala structure, India	Indian Planetary Science Conference-2021 (IPSC-2021)	Feb 25-26, 2021	Physical Research Laboratory (PRL), Ahmedabad, Gujarat, India

S.No.	Name of Faculty Member/Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/assignment	Organized by
3.	Abhishek Kumar Rai, Jayanta Kumar Pati, Giorgio S. Senesi, Mavera Usmani	Laser-induced breakdown spectroscopy (LIBS) study of impactites and related rocks from Lonar Crater, India - An Ideal terrestrial analogue	Indian Planetary Science Conference-2021 (IPSC-2021)	Feb 25-26, 2021	Physical Research Laboratory (PRL), Ahmedabad, Gujarat, India
4.	Jayanta Kumar Pati, Anuj Kumar Singh, Ashish Chandra Shukla, Kuldeep Prakash	Clast-size analyses of impact melt breccia from the Dhala Structure, India: A microscopic to mesoscopic scale investigation.	36 th International Geological Congress	2020	Geological Survey of India, Ministry of Mines and Ministry of Earth Sciences, Indian National Science Academy and science academics of Bangladesh, Nepal, Pakistan and Sri Lanka
5.	Anuj Kumar Singh, Jayanta Kumar Pati, Mrigank Mauli Dwivedi, Kuldeep Prakash	Experimental study of Lonar impact melt samples and its significance	36 th International Geological Congress	2020	Geological Survey of India, Ministry of Mines and Ministry of Earth Sciences, Indian National Science Academy and science academics of Bangladesh, Nepal, Pakistan and Sri Lanka
6.	Abhishek Kumar Rai, Jayanta Kumar Pati	Laser Induced Breakdown Spectroscopic studies of Planetary analogues	36 th International Geological Congress	2020	Geological Survey of India, Ministry of Mines and Ministry of Earth Sciences, Indian National Science Academy and science academics of Bangladesh, Nepal, Pakistan and Sri Lanka
7.	Munmun Chakravorty, Jayanta Kumar Pati	Mineralogical disparity in suspended particulate matter from Indo-gangetic plain; A seasonal alteration in dust deposits	36 th International Geological Congress	2020	Geological Survey of India, Ministry of Mines and Ministry of Earth Sciences, Indian National Science Academy and science academics of Bangladesh, Nepal, Pakistan and Sri Lanka
8.	Duttanjali Raut, Mruganka Kumar Panigrahi, Jayanta Kumar Pati	The Bundelkhand 'Giant Quartz Reef' System: A Possible Ancient Granitoid-Hosted Geothermal System	Goldschmidt Conference 2020	2020	The Geochemical Society, USA and the European Association of Geochemistry

DEPARTMENT OF ELECTRONICS AND COMMUNICATION

J.K. INSTITUTE OF APPLIED PHYSICS & TECHNOLOGY, UNIVERSITY OF ALLAHABAD

Introduction:

Soon after independence, the first Prime Minister of India, Pt. JawaharLal Nehru realized the need of a pioneer institute in the fields of Applied Physics, Microwave electronics and Upper Atmospheric physics and other applied physical sciences. On his initiative, an agreement was signed between University of Allahabad and J.K. Trust, Kanpur on November 22, 1947 to establish Department of Applied Physics and Technology in the premises of Muir College Campus, Faculty of Science, University of Allahabad. J. K. Charitable Trust contributed for the construction of the complete building of the institute and hence it was named as J. K. Institute of Applied Physics and Technology. In the year 1976 it was renamed as the Department of Electronics and Communication of University of Allahabad.

The foundation stone of the Institute was laid by the first Prime Minister of India Pt. Jawahar Lal Nehru on April 14, 1949. Pt. Nehru also inaugurated the first academic session of the institute on April 4, 1956. Initially a three year M.Sc. (Technology) post-graduate degree course was started in the department. Later in 1967, on the advice of AICTE and UGC, the course was bifurcated into a three year Bachelor of Technology (B.Tech) degree course in Electronics and Telecommunication (after B.Sc.) and to a three semester post graduate degree course i.e. M.Tech. in Electronics Engineering. Further, in the year 1982 a new course/subject in Computer Science (as one of the subjects in B.Sc.) leading to a Bachelor's degree in Science was introduced. Subsequent to the introduction of new subject in Computer Science at undergraduate level, it was desirable to have a full-fledged Post Graduate course in Computer Science.

The Department was sanctioned a prestigious DRDO Project (the only centre in North India) by the name "Manpower Development in the area of Computer Science" in the year 1986. Under this project, a Post-graduate course in Computer Science named as M.Sc. Computer Science (Software) was introduced. In the year 2008, three-year B.Tech. (Electronics and Communication Engineering) course was replaced by 4-year B.Tech. (Electronics and Communication Engineering) degree course after 10+2. A new branch of Engineering in Computer Science leading to Bachelor's Degree in Technology i.e. B. Tech. (Computer Science and Engineering) was also introduced in the year 2008. The Department started a new three-year Post Graduate degree course named as Master of Computer Applications (MCA) from the academic session 2018-19.

Thrust Areas:

Broadly department has two thrust areas

- **Electronics and Communication Engineering:** Microwave Engineering, Microstrip Antenna, Embedded Systems, Optical Fiber Communication, VLSI Technology, Microwave and Antenna, Milli-meter Waves, Fiber Optic Communication, High Performance Computing, Soft Materials and Condensed Matter Physics etc.
- **Computer Science and Engineering:** Image Processing and Computer Vision, Natural Language Processing and Sentiment Analysis, Parallel and Distributed Computing and Cloud Computing, Cyber Security and Internet of Things, Optimization and Multimedia, Cryptography and Big Data Mining, Real-Time System design, Computer Networks WSN, MANET, Machine Learning, Data Science, Deep Learning etc.

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (including course work)	Variable	Electronics and Communication Engineering, Computer Science and Engineering
2.	M.Tech. (ECE)	02 years	15	Electronics and Communication Engineering
3.	M.Tech. (CSE)	02 years	15	Computer Science and Engineering
4.	M.Sc. (Comp. Sc.)	02 years	30	Computer Science
5.	B.Tech. (ECE)	04 years	50	Electronics and Communication Engineering
6.	B.Tech. (CSE)	04 years	50	Computer Science and Engineering
7.	B.Sc. (Comp. Sc.)	03 years	90	Computer Science
8.	MCA*	03 years	30	Computer Applications

*: Admission in the course has been withdrawn for session 2020-2021

Faculty members and their Area of Research:

S. No.	Name of Faculty	Designation	Area of Specialization
1.	Prof. R.R. Tewari	Professor	Real-time System Design, Embedded System Design, High Performance Computing, Computer Networks, Robotics
2.	Prof. J.A. Ansari	Professor	Communication Systems, Microstrip Patch Antenna
3.	Prof. N.K. Shukla	Professor (Registrar)	Optical Fiber Communication System, Sensors & Networking
4.	Prof. Rajeev Singh (HOD)	Professor	Polymer Electrets, Micro Electronics, Microstrip Antenna
5.	Prof. R. S. Yadav	Professor	Mesospheric dynamics in mesosphere region
6.	Prof. Rajneesh Kumar Srivastava	Professor	Ad Hoc Networks, PC in II-VI Compounds
7.	Er. Rajeev Srivastava	Associate Professor	CORDIC Algorithms & Processors, Power Electronics and Drives.
8.	Dr. T. J. Siddiqui	Associate Professor	Natural Language Processing and Information Retrieval
9.	Dr. Ashish Khare	Associate Professor	Computer Vision, Artificial Intelligence, Medical Imaging, Human Action Recognition and Behavior Understanding
10.	Dr. Sudhakar Singh	Assistant Professor	Big Data Analytics
11.	Dr. Mahendra Tiwari	Assistant Professor	Data Mining
12.	Dr. Richa Mishra	Assistant Professor	Image Processing, Artificial Intelligence
13.	Ms. Vandna Rathore	Assistant Professor	Image Processing and Cryptography
14.	Dr. Sudhanshu Kumar Jha	Assistant Professor	Parallel Algorithm design, Routing in WSN and Adhoc network, IoT
15.	Dr. Rajesh Kumar	Assistant Professor	Computer Vision and Image Processing
16.	Mr. Pravin Kumar	Assistant Professor	Sentiment Analysis
17.	Dr. Pooja	Assistant Professor	Evolutionary Algorithm, Optimization
18.	Dr. Shiv Prakash	Assistant Professor	Artificial Intelligence
19.	Mr. Vinod Kumar	Assistant Professor	Cryptography, Algorithms, Computer Graphics

Support Staff:

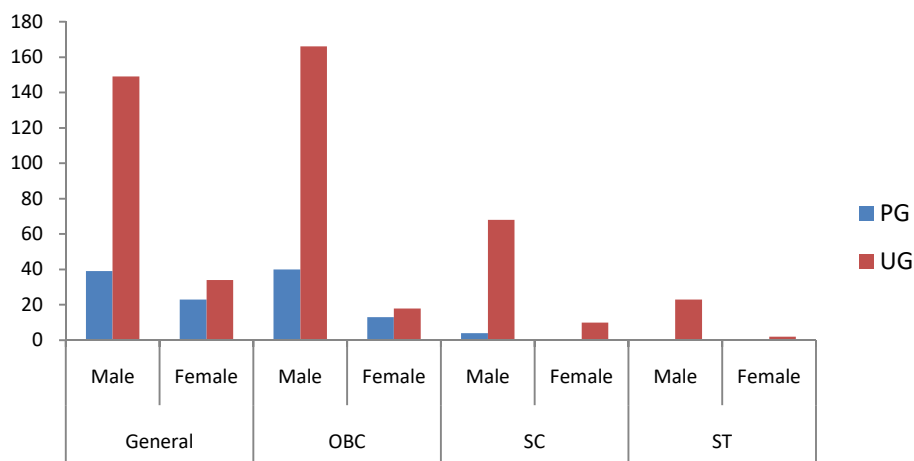

S.No.	Name	Gender	Cat.	Designation	Work assigned
1.	Mr. Dinesh Chandra Singh	M	Gen	Office Assistant	Office

DEPARTMENT OF HOME SCIENCE

Introduction:

The department of Home Science was established in 1945, in pre independent India, with a two year undergraduate course with the objective to educate women. The name of the department has been changed in the year 2021 to the Department of Family and Community Sciences. The department currently has 4 academic programmes - 1 Undergraduate course - B.Sc. Home Science (1945), 2 Postgraduate courses - M. Sc. Textile and Apparel Designing (2009), M. Sc. Food and Nutrition (2019), Ph.D. Programme - In all applied fields of Home Science (2011). Prof. Sangita Srivastava was the Former Head of the Department and presently Vice Chancellor of University of Allahabad, Prayagraj. Dr. Neetu Mishra is currently the Head of Department. The department has 8 permanent faculties comprising of 1 Professor (on leave), 1 Associate Professor and 6 Assistant Professors. The department has 10 research scholars, doing research in innovative fields of apparel, dyeing, printing methods, weaving, finishing and fortified product development on foods and clinical investigation of food material using animal model. The department is actively engaged in community development programmes too.

Thrust Areas:

Home science is a multidisciplinary subject that involves an interdisciplinary approach in synthesizing knowledge which focuses on following thrust areas:

- **Clothing and Textiles:** Dyeing, printing, textile testing, computer aided designing, garment designing, drafting and garment construction.
- **Food and Nutrition:** Important nutrients, nutritional biochemistry, community nutrition, public health nutrition, health and hygiene, therapeutic diets and food science & food analysis, nutritional counselling.
- **Human Development:** Child development theories, study of life span and psychological counselling.
- **Extension Education:** Teaching and communication, various community programs, community work, folk songs, puppetry, street plays.
- **Family Resource Management:** Interior decoration, management of human resources, flower arrangement, pottery making.

Programmes of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years(includes course work)	10	Clothing and Textiles, Food and Nutrition, Extension Education
2.	M.Sc. (Textile and Apparel Designing)	2 years	16	Textile and Apparel Designing
3.	M.Sc. (Food and Nutrition)	2 years	16	Food and Nutrition
4.	B.Sc. (Home Science)	3 years	50	Home Science

Faculty members and their Area of Research:

S.N.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Prof. Sangita Srivastava	Female	Professor (On leave)	Natural Dyes, Aromatic Finishes & Functional Clothing
2.	Dr. Neetu Mishra	Female	Associate Professor & Head	Nutritional Biochemistry, Community Nutrition, Antioxidants and Diabetes
3.	Dr. Ena Gupta	Female	Assistant Professor	Food and Nutrition, Diet Therapy, Therapeutic Nutrition and Community Nutrition
4.	Dr. Farida Ahmed	Female	Assistant Professor	Communication & Media Research, Communication Plan Development, Monitoring and Evaluation Research and Gender Studies.
5.	Dr. Priya Keshari	Female	Assistant Professor	Food & Nutrition, Public Health & Community Nutrition

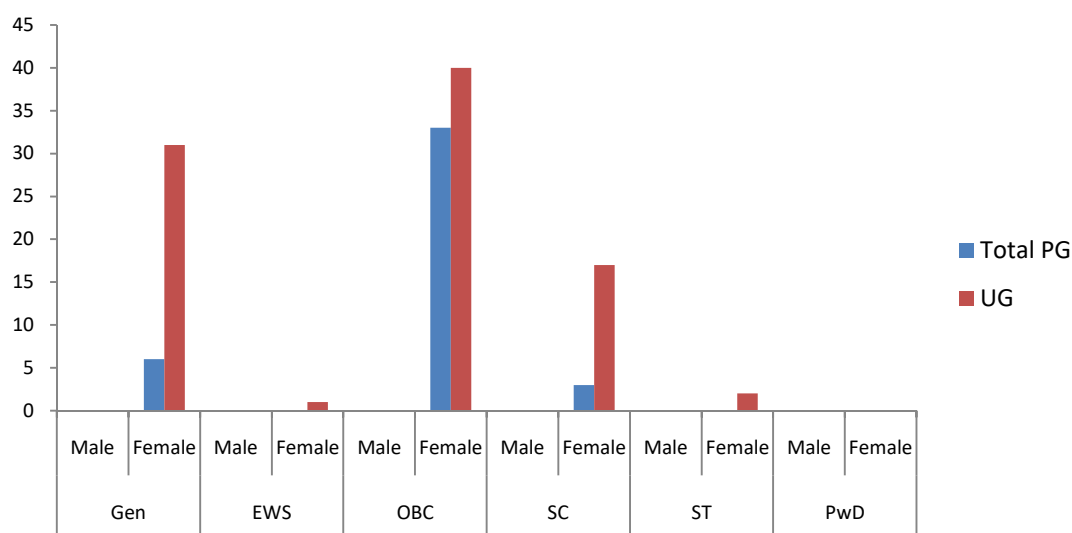

S.N.	Name of Faculty	Gender	Designation	Area of Specialization
6.	Ms. Ritu K Sureka	Female	Assistant Professor	Mentally Challenged Children, Domestic Violence and Dalit Women
7.	Dr. Priyanka Kesarwani	Female	Assistant Professor	Textile Fibres, Textile Designing, CAD and Clothing Construction
8.	Ms. Monisha Singh	Female	Assistant Professor	Textile Fibres, Textile Designing, CAD and Apparel Construction

Support Staff:

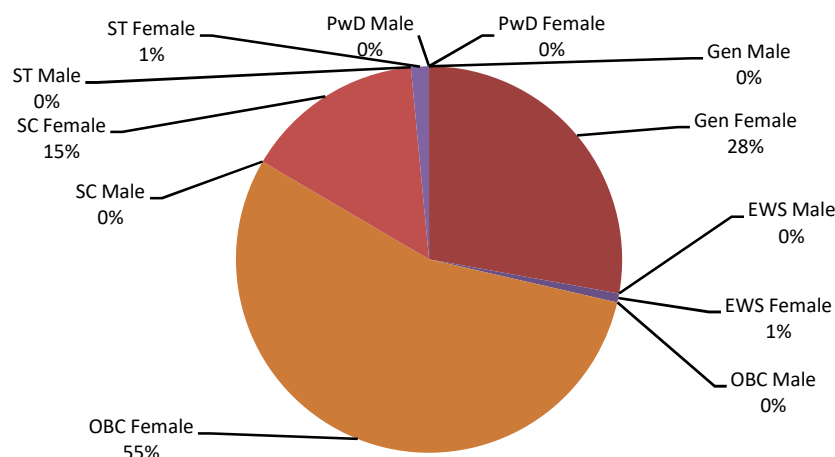

S. No.	Name	Gender	Category	Designation	Work assigned
1.	Mrs. Neeta Srivastava	Female	General	Lab Assistant	Lab related work
2.	Mrs. Kiran Devi	Female	OBC	Office Assistant	Office related work
3.	Mrs. Archana	Female	SC	MTS	Office related work, Multitasking work
4.	Mrs. Savita Ojha	Female	General	MTS	Library work
5.	Amarnath	Male	OBC	Lab Attendant	Peon
6.	Maharanideen	Male	OBC	Block Servant	Peon
7.	Pradeep Singh	Male	GEN	Parichar	Parichar

S. No.	Name of Faculty Member/ Student who received award	Name of the award	Organization conferring award
1.	Dr. Neetu Mishra	SAS Eminent Fellow Membership	Scholars Academic and Scientific Society
2.	Dr. Neetu Mishra	Fellow Membership (F.A.B.R.)	The Journal of Advances in BioResearch

Outreach activities

S. N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1.	Dr. Neetu Mishra	Immunomodulatory effect of bioactive compounds	National Webinar on Insights into Fundamentals of Chemistry	June 20, 2020	Department of Chemistry, CMP Degree College, Prayagraj
2.	Dr. Neetu Mishra	Invited Lecture on Nutrition & Yoga	National Webinar on International Yoga Day	June 21, 2020	NSS Wing, Hamidia Girls Degree College, Prayagraj

S. N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
3.	Dr. Neetu Mishra	Keynote address on The condition and direction of Indian Handicrafts in the era of modernity	National Webinar on Indian Handicrafts: A Cultural Heritage under the Aggies of Ek Bharat Shreshth Bharat	July 05 , 2020	Dr. B. R. A Govt. P. G. College, Fatehpur, U. P.
4.	Dr. Neetu Mishra	Invited Lecture on Promotion of Indigenous products to make India Self- Reliant	National Webinar on Self Reliant India: Be Vocal about Local	Aug 08, 2020	Department of Fashion Design & Embroidery, Hamidia Girls Degree College, Prayagraj
5.	Dr. Neetu Mishra	Invited Lecture on Role of Traditional Indian food system in combating Malnutrition	National Webinar on Hunger & Malnutrition	Sep 18, 2020	Department of Home Science, Ishwar Saran Degree College, Prayagraj
6.	Dr. Neetu Mishra	Keynote Speaker on Women Empowerment	National Webinar on Mission Shakti: Campaign for Women Security, Dignity & Empowerment	Oct 20, 2020	NSS & Rovers Rangers, Dr. Shyama Prasad Mukherjee, Govt. P. G. College, Bhadohi, U.P.
7.	Dr. Neetu Mishra	Invited Lecture on Role of NCC in creating good citizens	Indian Constitution and Human Rights	Nov 28, 2020	NCC Unit & Dept of Political Science Government Autonomous Girls P. G. College of Excellence, Sagar, M.P.
8.	Dr. Neetu Mishra	Invited Lecture on Preventive & Curative role of Indian Diet	National Webinar of Naturopathy (Diet: As Medicine and Cure)	Jan 17 , 2021	Jointly organized by International Naturopathy Organization & Puja Chari Ji Yog Evam Prakritik Swasthya Sansthan, Prayagraj
9.	Dr. Neetu Mishra	Potential health benefits of Traditional Indian Food System & Culture	ESW 8 th Annual National Research Conference on “Anthropogenic Impact on the Environment, Society and Human Health”	Jan 31, 2021	Environment and Social Welfare Society, Khajuraho, Chhatrapur, M. P.
10.	Dr. Neetu Mishra	Invited Lecture on Nutrition- A healthy way to life	3 rd Faculty Induction Programme	Feb 8, 2021	UGC-HRDC, University of Allahabad
11.	Dr. Neetu Mishra	Invited Lecture on Health benefits of Traditional Indian Food culture	4 th Faculty Induction Programme	March 01, 2021	UGC-HRDC, University of Allahabad
12.	Dr. Neetu Mishra	Key note Speaker on Health issues of Indian Women of Reproductive age group	Women Health & Hygiene	March 26 , 2021	Department of Zoology, Govt. P. G. College, Seoni, M. P.
13.	Dr. Ena Gupta	Invited Lecture on Nutritional Strategies for Stress Management	National Webinar on Biological challenges and Human welfare in current scenario	July 23, 2020	Department of Botany, Nehru Gram Bharti (Deemed to be University), Prayagraj
14.	Dr. Ritu K. Sureka	Enhancement of Social maturity of mentally challenged children through Yoga and Meditation techniques	International Conference on Interdisciplinary Scope of Human Development	Feb 15-16 , 2021	Department of Human Development, Mount Carmel College, Autonomous, Bengaluru
15.	Shashi Soni	Exploitation of <i>Ananas comosus</i> peel as a potential source of prebiotic in food industry	International Conference on Emerging Techniques in Food Processing (ETFP-2021)	March 25– 26 2021	Department of Food Processing, Ghani Khan Choudhary Institute of Engineering and Technology, Narayanpur, Malda, West Bengal, 732141
16.	Uroosa Noor	<i>Punica granatum</i> peel a promising source of antioxidant	International Conference on Emerging Techniques in Food Processing (ETFP-2021)	March 25– 26 2021	Department of Food Processing, Ghani Khan Choudhary Institute of Engineering and Technology, Narayanpur, Malda, West Bengal, 732141

A Winter School organized for the faculties on the theme "Challenges and Opportunities in Higher Education: Health, Environment and Learning" coordinated by the Department of Family and Community Sciences under the aegis of UGC HRDC

Celebration of Science Day and "Value Added Salad Making Competition" organized by the Department

Poster Exhibition displayed in the Department on March 17, 2021 as a part of the celebration of International Women's Day in collaboration with the Cultural Committee of the University of Allahabad.

Other activities of conducted by the Department:

S.No.	Name of the Programme	Dates
1.	National Nutrition Month celebration on the topic "Poshan Abhiyaan"	Sep 7-11, 2020
2.	Value added Salad Making Competition for Students	Feb 26, 2021
3.	Display of Poster Exhibition	March 17, 2021

DEPARTMENT OF MATHEMATICS

Introduction:

Established in 1872 and situated in the Muir Central College Campus, the Department of Mathematics, University of Allahabad, is one amongst the oldest and the most prominent departments of mathematics of Indian Universities. The department offers courses for Undergraduate and Postgraduate degrees and has doctoral programme leading to the PhD degree.

The department frequently organizes seminars, symposia and conferences aimed at offering significant and landmark results of value and potential for future work to our students and faculty which, in turn, raises the standard of teaching and education of the subject and prepares them to be capable to collaborate with various other centers of excellence in the country and abroad. The department emphasizes on rigorous teaching and learning exercises throughout the year to all the courses.

The department has a rich history and an eminent galaxy of scholars have adorned it. This includes legendary names, such as A. C. Banerjee, P. L. Shrivastava, Padma Bhushan B. N. Prasad, Gorakh Prasad, H. C. Khare, R. S. Mishra, T. Pati, Pramila Srivastava, B. L. Sharma. The glorious tradition of the department is being continued. The present faculty members with their team of students are working in frontier areas of contemporary mathematics and its applications. The department is at the forefront of research in specialized areas, such as fixed point theory, measure theory, harmonic analysis, mathematical foundation of quantum mechanics, wavelet analysis, group theory, module theory, differential geometry, fluid mechanics, dynamical systems, mathematical modeling.

Thrust Areas:

- Algebra (Group Theory; Theory of Rings and Modules}
- Fluid Mechanics
- Differential Geometry
- Mathematical Analysis (Fixed Point Theory; Generalized Measures and Applications; Wavelet Analysis)
- Mathematical Modelling

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph. D.	5 years (includes course work)	--	--
2.	M.A./M.Sc. (Mathematics)	02 Years	231	Nonlinear Analysis, Dynamical Systems, Representation Theory of Finite Groups, Contact Manifolds, Advanced Fluid Mechanics, Wavelets
3.	B.Sc.	03 Years	809	--
4.	B.A.	03 Years	88	--

Faculty members and their Area of Research:

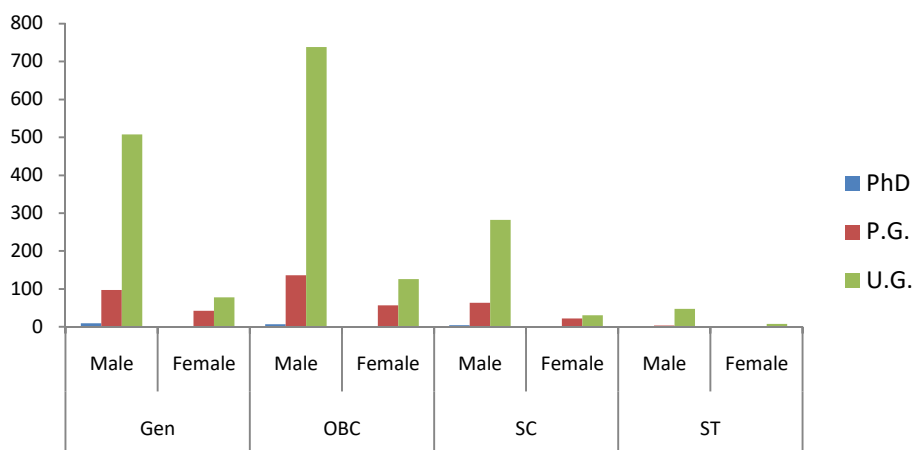

S.No.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Dr. Neeta Singh	F	Professor	Fixed Point Theory
2.	Dr. Pramod Kumar Singh	M	Professor	Fluid Mechanics
3.	Dr. Mona Khare	F	Professor & Head	Mathematical Analysis: (Generalized Measures and Applications)
4.	Dr. Ravindra Prasad Shukla	M	Professor	Algebra (Group Theory)
5.	Dr. S. S. Shukla	M	Professor	Differential Geometry
6.	Dr. Satya Deo	M	Professor	Fluid Mechanics
7.	Dr. B. K. Sharma	M	Assistant Professor	Algebra and Number Theory
8.	Dr. Sapna Devi	F	Assistant Professor	Mathematical Modeling
9.	Dr. Avanish Kumar Chaturvedi	M	Assistant Professor	Algebra: Theory of Rings and Modules
10.	Dr. Gyan Chandra Singh Yadav	M	Assistant Professor	Wavelet Analysis

Support Staff:

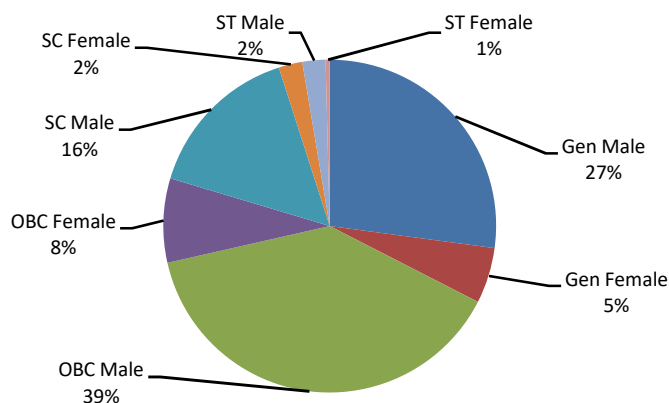

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Mr. Afak Ahmad	M	OBC	Junior Office Assistant	Office work.
2.	Mr. Shyam Sunder Roy	M	Gen	Library Assistant	Library work
3.	Mr. Ramlakhan	M	OBC	Lab Attendant	All types of work of class IV
4.	Mr. Omprakash	M	Gen	Peon	All types of work of class IV
5.	Mr. Rajkumar	M	OBC	Lib. Attendant	All types of work of class IV

S. N.	Name of Faculty Member/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1.	Prof. P.K. Singh	Participated	One week online training program on 'ICT Tools for Teaching, Learning and Administration'	Aug.04-10, 2020	Dept. of Electronics & and Communication, J.K. Institute of Applied Physics and Technology, University of Allahabad, Prayagraj
2.	Prof. Ravindra Prasad Shukla	Invited talk: The group of rigid motions of plane	Web-Workshop on metric spaces	July 18-31, 2020	Bhavan, s Mehta Mahavidyalaya Bharwari (U.P.)
3.	Prof. Satya Deo	Participated	One week online training program on 'ICT Tools for Teaching, Learning and Administration'	Aug 04-10, 2020	Dept. of Electronics & Communication, J.K. Institute of Applied Physics & Technology, University of Allahabad
4.	Prof. Satya Deo	Influence of magnetic field on permeability of biporous membrane (Invited Lecture)	International online conference on 'Membrane Process Modelling'	Dec 03- 04, 2020	Gubkin Russian State University of Oil and Gas, Moscow, Russia
5.	Prof. Satya Deo	Cell Models: Hydrodynamic permeability of biporous membrane (Invited Lecture)	International Conference (online) of International Academy of Physical Sciences (CONIAPS XXVI) on 'Advances in Mechanics'	Dec 18- 20, 2020	Department of Mathematics & Statistics, Manipal University Jaipur, India
6.	Dr.B. K. Sharma	p-adic Numbers (special lecture)	Web-Workshop On Metric Spaces	July 18-31, 2020	Prof. B. L. Sharma Higher Mathematics Trust and Bhavans Mehta Mahavidyalaya
7.	Dr. A. K. Chaturvedi	Invited talk: A note on variants of chain conditions	International conference on Advances in Algebra and Analysis CONIAPS-XXVI	Dec 18-20, 2020	Department of Mathematics, Marwadi University, Rajkot, Gujarat, India
8.	Dr. A. K. Chaturvedi	Invited talk: A problem which remained unsolved for 358 years	National Webinar on Applications of Mathematics in Interdisciplinary Sciences	July 27, 2020	Department of Mathematics, Nehru Gram Bharti (Deemed to be University), Prayagraj, India
9.	Dr. A. K. Chaturvedi	Chaired: A Technical Session	2nd National Conference on Recent Advancement in Physical Sciences (NCRAPS-2020)	Dec 19-20, 2020	Department of Mathematics, Chemistry and Physics, National Institute of Technology, Uttarakhand, India
Research Scholars					
1.	Amita Dwivedi	"Construction of FMRA wavelets"	26 th International of International Academy of Physical Sciences (CONIAPS XXVI)	Dec 18-20, 2020	Marwadi University, Rajkot, Gujarat India.
2.	Amita Dwivedi	"Construction of FMRA frame wavelet sets in $L^2(\mathbb{R})$ and $H^2(\mathbb{R})$ "	35 th Annual Conference of The Ramanujan Mathematical Society	Dec 28-30, 2020	Department of Mathematics, Central University of Rajasthan
3.	Amita Dwivedi	Workshop	Wavelet via matrices and its application in signal processing	Nov 16-21, 2020	Discipline of Mathematics, IIT Indore.
4.	Amita Dwivedi	Workshop	Academic writing using LaTeX	Jan2-8, 2021	SVNIT, Surat Gujarat.
5.	Arun Kumar	"Characterization of Frame Wavelet sets and Tight frame wavelet"	26 th International of International Academy of Physical Sciences (CONIAPS XXVI)	Dec 18-20, 2020	Manipal University Jaipur(Rajsthan), India.
6.	Arun Kumar	" Examples of Simple Wavelet sets for Matrix Dilation in \mathbb{R}^2 "	Virtual Global Conference on Current Trends in Mathematics (VGCCTM-2021)	Feb 01-02, 2021	Department of Mathematics, BND College Kanpur (UP), India
7.	Deepak Kumar Maurya	Influence of magnetic field on micropolar fluid flow in a cylindrical tube enclosing an impermeable core coated with porous layer	New Challenges Emerging in Mathematical Sciences (NCEMS-2021)	Feb 06-07, 2021	Department of Mathematics, Banaras Hindu University, Varanasi

S. N.	Name of Faculty Member/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
8.	Nirbhay Kumar	A note on reversibility of rings	Advances in Algebra and Analysis	Dec 18-20, 2020	Marwadi University, Rajkot, Gujrat, India.
9.	Nirbhay Kumar	On symmetry of rings related to the set of zero divisors	Recent Advancement in Physical Sciences	Dec 19-20, 2020	National Institute of Technology, Uttarakhand, India
10.	Pankaj Kumar Maurya	Micropolar fluid flow through a porous cylinder embedded in another unbounded porous medium	International Conference (online) of International Academy of Physical Sciences (CONIAPS XXVI) on 'Advances in Mechanics'	Dec 18-20, 2020	Department of Mathematics and Statistics Manipal University Jaipur, India
11.	Pawan Kumar	Quasi-bi-slant Lightlike Submanifolds of Indefinite Kaehler Manifolds	26 th International Conference (ONLINE) of International Academy of Physical Sciences	Dec 18-20, 2020	Department of Mathematics & Statistics, Manipal University, Jaipur
12.	Pawan Kumar	Quasi-bi-slant Lightlike Submanifolds of Indefinite Sasakian Manifolds	Virtual Global Conference on Current Trends in Mathematics	Feb 01-02, 2021	Mathematical Society, Brahmanand College, Kanpur
13.	Rohit Kumar Verma	On a generalization of J-clean rings	Advances in Algebra and Analysis	Dec 18-20, 2020	Marwadi University, Rajkot, Gujrat, India.
14.	Rohit Kumar Verma	On a generalization of reversible rings	Recent Advancement in Physical Sciences	Dec 19-20, 2020	National Institute of Technology, Uttarakhand, India
15.	Sandeep Kumar	On Psq-injective module	Recent Advancement in Physical Sciences	Dec 19-20, 2020	National Institute of Technology, Uttarakhand, India
16.	Satish Kumar	MHD Reiner-Rivlin liquid flow through a porous cylindrical annulus	International Conference (online) of International Academy of Physical Sciences (CONIAPS XXVI) on 'Advances in Mechanics'	Dec 18-20, 2020	Department of Mathematics and Statistics Manipal University Jaipur, India
17.	Shivam Omar	Screen Cauchy-Riemann Lightlike Submersions	26 th International Conference (ONLINE) of International Academy of Physical Sciences	Dec 18-20, 2020	Department of Mathematics & Statistics, Manipal University, Jaipur
18.	Shivam Omar	Screen Slant and Semi-slant Lightlike Submersions	Virtual Global Conference on Current Trends in Mathematics	Feb 01-02, 2021	Mathematical Society, Brahmanand College, Kanpur
19.	Surendra Kumar Mishra	On Transiso-Class graphs	35 th Annual Conference of the Ramanujan Mathematical Society	Dec 28- 30, 2020	Department of mathematics, Central University of Rajasthan, Ajmer
20.	Surya Prakash	A note on chain conditions related to different classes of submodules	Advances in Algebra and Analysis	Dec 18-20, 2020	Marwadi University, Rajkot, Gujrat, India.

DEPARTMENT OF PHYSICS

Introduction:

The Department of Physics was established by Prof. Meghnad Saha, Fellow of the Royal Society, in 1923. Since then the department produced galaxy of eminent scientists, educationalists, industrialists and planners, ministers and administrators of national & international repute. The academic standard is well recognised by prestigious institutes and laboratories of national & international standard.

Thrust Areas:

- Experimental Condensed Matter Physics
- Nano Science and Nano Technology (Interdisciplinary)
- Organic Electronics and Emerging Photovoltaics
- Ion Beam in Materials Science
- Laser Induced Breakdown Spectroscopy and Photoacoustic Spectroscopy
- Atomic and Molecular Spectroscopy, Imaging Spectroscopy
- ESR/EPR Spectroscopy
- Theoretical Condensed Matter Physics
- High Energy Physics
- Plasma Physics
- Physics of Shock Waves
- Chaos and Fractal Analysis
- Quantum Optics and Teleportation

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	--	--
2.	M.Sc.	Four semester	129	Electronics, Condensed Matter Physics, Non Linear Optics, Laser and Spectroscopy, Nuclear Physics, X-rays and Ion Beam
3.	B.Sc.	Three years	1416	Physics

Faculty members and their Area of Research:

S.N.	Name	Designation	Area of Specialization
1.	Prof. P. S. Yadav	Professor & Head	Theoretical Condensed Matter Physics
2.	Prof. A. K. Rai	Professor	Laser & Spectroscopy, LIBS, PAS, LIF
3.	Prof. R.R. Yadav	Professor	Ultrasonics
4.	Prof. V.K. Tiwari	Professor	High Energy Physics, Elementary Particle Physics
5.	Prof. K. N. Uttam	Professor	Atomic and Molecular Spectroscopy, Synchrotron radiation based spectroscopy, Applications of Spectroscopy in the field Bio Science
6.	Prof. Pratima	Professor	Nano Science & Technology (Interdisciplinary)
7.	Prof. Lokendra Kumar	Professor	Organic Electronics, Nano Science & Technology, Ion Beam in material Science, thin films
8.	Dr. Raj Kumar Anand	Associate Professor	LIBS, PAS, LIF & SWs with reference to its Astrophysical and Geophysical applications
9.	Dr. Asheel Kumar	Associate Professor	Plasma Physics

Support Staff:

S.N.	Name	Gender	Categ.	Designation	Work Assigned
1.	Sri Uma Kant	Male	OBC	Office Asst.	Office handling
2.	Sri Prabhat Kumar Mishra	Male	GEN	Mechanic	Repairing of the electrical & Mechanical equipments for Labs. & in Workshop.
3.	Sri Prabhu Nath Sharma	Male	OBC	Carpenter	Carpentry Work, helps in different labs & workshop training class
4.	Sri Ajay Singh	Male	GEN	Computer Operator	Computer Labs, Computer related works like typing, maintaining Network, etc.
5.	Sri Pankaj Kumar	Male	OBC	Library Assistant	Handling and supervising library

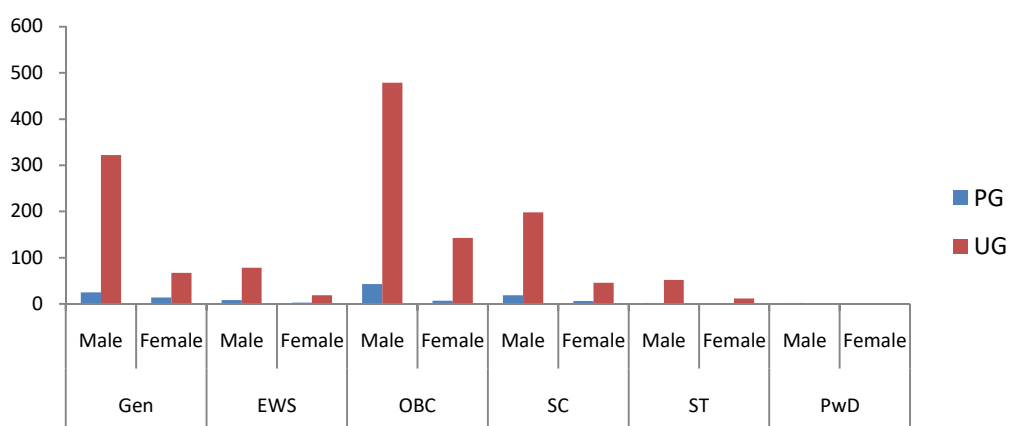

S.N.	Name	Gender	Categ.	Designation	Work Assigned
6.	Sri Arun Kumar	Male	SC	Dark Room Assistant	Dark Room, Photography section, M.Sc. (Pre.) Electronics & B.Sc. I labs
7.	Sri Beni Prasad Mishra	Male	GEN	Junior Office Assistant	Assisting office and helping in morning classes from 8 AM
8.	Sri Jai Sarvesh Bharti	Male	SC	Tech. Asst.	Repairing & Maintenance
9.	Sri Akhilesh Adaval	Male	GEN	Tech. Asst.	Supervising, maintenance of B.Sc. II lab

1	Ministry of Earth science	Laser Induced Breakdown Spectroscopic (LIBS) study of geological samples under controlled conditions to address some critical issues in Planetary and Space Sciences	Three years	≈ 60 lakhs	Submitted

Outreach activities

S.N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1	Prof. P.S. Yadav	Enhancement of immunity of body by yog science	National webinar on challenges of Covid-19 pandemic and role of science and technology, May 14 - 15, 2020	May 14-15, 2020	Physics Department Iswar Saran Degree College, UoA
2	Prof. P.S. Yadav	YOGA - The immunity booster in corona pandemic	National webinar on survival strategies for post covid-19 era: perspectives from science, technology & social science	May 20-26, 2020	Physics Department, E.C.C., Prayagraj and IAPT
3	Prof. Vivek Kumar Tiwari	Special Inaugural Lecture. Title : Quark-Hadron Phase Transition in the RHIC-LHC Experiments and the Early universe	National Workshop on Recent Advances in Condensed Matter and High Energy Physics-CMHEP-2021	March 5-6, 2021 Two days	Dept. of Physics Ewing Christian College and National Academy of Sciences, Allahabad
4	Prof. Vivek Kumar Tiwari	Invited Webinar Talk Title : Looking Deep into the Heart of the Matter	Webinar	Dec 23, 2020	School of Sciences, Baddi University, Himachal Pradesh
5	Prof. Vivek Kumar Tiwari	Three Lecture Series : Topics 1-2. Looking Deep into the Heart of the Matter – I & II 3. Quark-Hadron Phase Transition in the RHIC-LHC Experiments and the Early universe	Refresher Course in Physics	Organized between Nov 21, 2020 to Dec 04, 2020.	Department of Physics and Academic Staff College, University of Allahabad
6	Prof. Lokendra Kumar	Emerging hybrid perovskite materials for next generation photovoltaics	TEQIP-III Sponsored One Week Short Term Course on “ Recent Trends in Advanced Materials and Devices”	Sep 21-25, 2020	Department of Physics & Electronics, Dr B R Ambedkar National Institute of Technology, Jalandhar, Punjab
7	Prof. Lokendra Kumar	Semiconductor material and their applications	Guest Lecture in NEP curriculum	March 20, 2021	<i>Faculty of Science and Technology, Amity University Uttar Pradesh, Noida</i>
8	Prof. A. K. RAI	A Rapid Tool for Materials Characterization	International Conference on Diverse Emerging Materials and their Applications” (ICDEMA-2021	14-15 March 2021	Department of Physics, University of Lucknow
9	Prof. A. K. RAI	Laser-Induced Breakdown Spectroscopy: working and advantages	Refresher course in Physics	Feb 20, 2021 2.00 to 3.30 PMF	Department of Physics, University of Lucknow
10	Prof. A. K. RAI	LIBS: Materials Characterization including Geological Materials	Refresher course in Physics	Feb 20, 2021 3.30 to 5.00 PM	Department of Physics, University of Lucknow
11	Prof. A. K. RAI	Affordable, portable rapid diagnostic tools for COVID-19	International webinar on abatement techniques and impact of COVID -19 [IWATIC]	May 23-24 , 2020	An International Biannual Research Journal Physical and Environmental Science bulletin
12	Prof. A. K. RAI	Role of Physics to get rid of COVID-19 and its challenges	National WEBINAR on “Challenges of COVID-19 Pandemic and Role of Science and Technology	May 14-15 2020	Ishwar Saran P G College, University of Allahabad in collaboration of and NASI, Prayagraj
13	Zainab Gazali	Investigation of Pharmaceutical Drug using Spectroscopic Techniques	International E-Conference on Advanced Research in Materials Science (ICAMS -2021)	March 24-26 , 2021	Department of Physics Manonmaniam Sundaranar University, Tirunelveli, Tamil Nadu
14	Sonali Dubey	Point detection capability of LIBS for depth profiling of quartz	NLS-28, Indian laser association	Jan 6-12, 2020	Vellore Institute of Technology, Chennai
15	Sonali Dubey	Laser-induced breakdown spectroscopy: a potential tool for depth-profiling of quartz	International e-conference on materials processing & characterization	Sep 18-19, 2020	Chaitanya Bharathi Institute of Technology, Gandipet, Hyderabad

S.N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
16	Km Darpan	Detection of Elements Responsible to produce colors in Fireworks using Laser- induced Breakdown Spectroscopy	National Laser Symposium (NLS-28), VIT Chennai, Chennai	Jan 8-11 2020	Department of Atomic Energy (DAE) VIT Chennai, Chennai
17	Km Darpan	Study of nail polish sample using Laser-induced Breakdown Spectroscopy (LIBS) for identification of Hazardous materials	International e-conference on advanced materials science	March 24-26, 2021	Department of Physics, Manonmaniam Sundaranar University, Tamilnadu
18	Vineet Kumar Shukla	Analysis of The Sand Sample from Tiruanantpuram Using Laser-Induced Breakdown Spectroscopy (Oral)	International e-conference on advances in materials science	March 24-26, 2021	Department of Physics Manonmaniam Sundaranar University-627012, Tirunelveli, Tamil Nadu.

Other information (about the department)

In Physics Department, many trees were planted by Head of the department, Prof. Hari Prakash, Prof. Ranjana Prakash, Prof. Raja Ram Yadav and other faculty members with presence of research scholars and employees of the department. The National Science Day was celebrated on 5th March 2021. The Prof. Shekhar Srivastava, Dean, Faculty of Science chaired the program, Prof. Hari Prakash was the chief guest of the program. Dean, Research and Development Prof. S.I. Rizvi and the Dean Student Welfare Prof. K.P. Singh were special invitee. The theme of the program was presented by Prof. P.S. Yadav Head of the Physics Department. All the dignitaries of the dais also expressed the significance of the science for the society. The employee of the department, research scholar and some M.Sc. students participated in the program taking care of Covid-19 guidelines.

DEPARTMENT OF STATISTICS

Introduction

The Statistics unit came into existence in 1968 as a part of Department of Mathematics and Statistics. The unit really became functional with the appointment of three regular teachers of Statistics in 1974 under the esteemed leadership of outstanding statistician and researcher in the field of Bayesian Reliability Analysis, Professor Samir K. Bhattacharya. On August 21, 2000, the department was separated from mathematics with Dr. G.S. Pandey as the first Head of Department. Next, Prof Anoop Chaturvedi was the Head of the Department since February 2008 to October 2013. This year, Prof. S. Lalitha was the Head of the Department till March 6, 2021 and Dr. P.S. Pundir as one other faculty member. Presently, Prof. Shekhar Srivastava, Dean Science faculty is the head of the Department. The department also extends technical assistance to the researchers of other departments, such as Bioinformatics, Biotechnology, Botany, Economics, Education, Psychology, Medical Sciences, Zoology, etc.

Thrust Areas:

- Nonparametric Inference and Outliers Statistic
- Reliability and Survival Analysis, Reliability modeling
- Bayesian Statistics
- Time Series analysis and Forecasting
- Data Mining, Network modeling
- Actuarial Statistics

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)

DEPARTMENT OF ZOOLOGY

Introduction:

- The Department of Zoology established in 1906 is one of the oldest departments of the country. Many great academicians such as Prof. A. D. Imms, Dr. W N F Woodland, Prof. D. R. Bhattacharya, Prof. H. R. Mehra, Prof M D L. Srivastva and Prof U. C. Srivastva adorned the chair of the Head of Department. Prof. D R Bhattacharya established a very strong School of Cytology and Prof. U S Srivastva established Entomology thrust in the Department. Subsequently other thrust subjects such as Fish and Fisheries, Parasitology and Environmental Science were introduced in the Department.

Thrust Areas:

- Cell Biology
- Fish & fisheries
- Neuroendocrinology
- Neuroscience.

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years(includes course work)	-	-
2.	M. Sc. (Zoology)	2 Years (Four Semesters)	69	Cell Biology, Fish & fisheries
3.	M. Sc. (Agricultural Zoology & Entomology)	2 Years (Four Semesters)	16	Agricultural Zoology & Entomology
4.	B. Sc.	3 Years (Yearly)	295	--

Faculty members and their Area of Research:

INSTITUTE OF INTERDISCIPLINARY STUDIES

CENTRE OF BIOINFORMATICS

Introduction:

The Centre of Bioinformatics was inaugurated in 2002. The Centre offers 4-semester (2 years) M.Sc. Program in Bioinformatics. Master in Bioinformatics program is quite unique; it is rigorous with its credit-based courses covering latest areas in Bioinformatics and Computational Biology. Specifically beneficial to the students from both Mathematics and Biological sciences streams, it is aimed at transforming students into trained Bioinformaticians with adequate theoretical and practical knowledge for investigating and addressing a number of key biological questions.

To improve the teaching and easy understanding of subjects for the students, center promotes the use of ICT i.e. teaching through projector and online available scientific animations/ tutorials.

Thrust Areas:

- Translational Bioinformatics
- System Biology
- Clinical data analytics

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)

Invited lecture in the "Fourth Short Term Training Program in Bioinformatics: Tools and Databases" at Department of Bioscience and Biotechnology, Banasthali Vidyapith.

CENTRE OF BIOTECHNOLOGY

Introduction:

The Centre of Biotechnology at University of Allahabad came into existence in the year 1999 and it was inaugurated by Nobel laureate Prof Richard R Ernst. It offers Masters (4 semesters) and Ph.D. programme in Biotechnology. For Masters programme students are admitted through all India Combined Entrance Examination conducted by Jawaharlal Nehru University, New Delhi. DBT accredited 'B+' rank to our M.Sc. Biotechnology programme. For Ph.D. Programme University hold combined research entrance test (CRET) exam twice in a year and provide a scholarship to the successful candidates.

Thrust Areas:

The Centre of Biotechnology has a vision to develop a "Centre for Excellence" to create a Biotech hub and Entrepreneur Park. Centre has identified the following research areas as priority areas in individual sectors:

- Cyanobacterial Biotechnology
- Mushroom Biotechnology
- Nanobiotechnology

These areas have been identified keeping in mind the current and future burning issues that have a direct bearing on the health, nutrition, environment and agriculture of the world in general and India in particular. Priority areas in individual sectors would be assessed from time to time to ensure optimal utilization of existing resources for biotechnology applications.

Preeti Yadav and Awadh Bihari Yadav	Indo Korean Workshop on Multi-Functional Material for Extreme Loading (MFMEEL 2021)	Preparation and optimization of insulin loaded solid lipid nanoparticles for the targeted delivery of insulin to the lungs for diabetes treatment via inhalation	Feb 22-24, 2021.	

CENTRE FOR GLOBALIZATION AND DEVELOPMENT STUDIES

Introduction:

Centre for Globalization and Development Studies is a pioneering centre at the University of Allahabad, a Central University, established by an Act of the Indian Parliament, to study and research phenomena and processes of globalization and development with inter-disciplinary approaches.

At the same time, contemporary ideas of development are also undergoing process of redefinitions in all fields of intellectual enquiry as well as leading to debates and dissents. These processes affect not only economic development of the countries through integration of capital but also bear implications for human development, discourses of rights and entitlements and boundaries of nation-states.

Furthermore, it is equally important to get engaged from the point of the developing societies like India and others. Currently, these societies are undergoing various processes of transformation that require in-depth enquiry so as to understand its relevance not only for academicians, researchers and policy makers but also for general people at large.

Thrust Areas:

- Globalization as a historical process across the world
- Socio-eco-political and regional linkages of globalization and development, especially in the
- developing societies
- Planning (Rural and Urban) vis-à-vis globalization and development
- Tribal societies, globalization and development
- State, Civil Society, Globalization and Development
- Democracy, Globalization and Development
- Social Movements, Globalization and Development
- Gender, Globalization and Development
- International Finance, Trade and Transport
- Regional Integration and Development
- Area Studies in Asia, Africa and Latin America
- Labor and Migration
- Rights and Entitlements
- Environment, Ecology and Climate Change
- Identity and Conflict
- Corporate, Globalization and Development
- Multi-culturalism
- Cosmopolitanism and Nation-states

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph. D.	5 years (includes course work)	As per UGC rules/ guidelines	Inter-disciplinary thrust on Development Studies
2.	M. Sc.	Four Semesters	Twenty	Development Studies

Faculty members and their Area of Research:

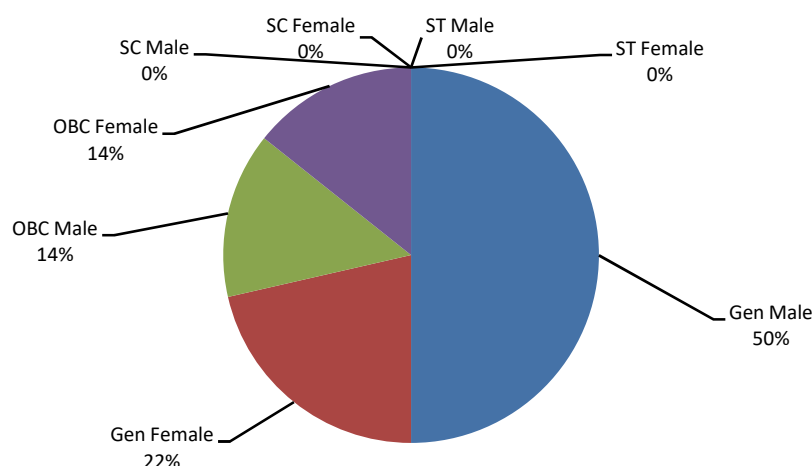

S.No.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Prof. V.P. Singh (superannuated)	Male	Professor	Rural Development, Globalization, Tribal Development, Media
2.	Dr. Pradeep Kumar Sharma	Male	Associate Professor & Coordinator	Democracy, Decentralization, Social Movements, Agrarian Studies, Land Reforms, National and International Policies on Trade and Agriculture, Tribal Studies, Social Development, Civil Society, State Politics, Governance and public action
3.	Dr. Subhash Shukla	Male	Assistant Professor	Indian Foreign Policy, International Relations and Indian Political System
4.	Dr. Sumit Saurabh Srivastava	Male	Assistant Professor	Gender Studies, Sociology of Development, Political Sociology
5.	Dr. Santosh Kumar	Male	Assistant Professor	Health, Ethnicity, Conflict, Population, Regional Economics and Environment
6.	Dr. Angira Sen Sarma	Female	Assistant Professor	Indian Foreign Policy, Energy Politics, Global Governance, Public Policy

Support Staff:

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Rajendra Kumar Yadav	Male	OBC	Office Assistant	Performing all duties assigned to Office along with maintenance of Computer Lab and Library of the Centre & Day-to-day administrative activities
2.	Pankaj Kumar	Male	OBC	Peon	Support Staff

Details of Students, Year wise and Reservation wise (2020-2021):

Course	Gen			EWS			OBC			SC			ST			PwD			TOTAL

Categorywise and Genderwise distribution of the students

Details of Training/orientation/refresher courses/special lectures conducted by the Centre:

S.N.	Name of the course	Duration and dates	Speakers
1.	Special Lecture / National Webinar on Interlinkages of Science, Technology and Society	March 05, 2021	Dr Sudhir Kumar Singh, K.B.C.A.O.S., University of Allahabad
2.	Special Lecture / National Webinar on Women in Leadership: Achieving an Equal Future in a COVID-19 World	March 08, 2021	Dr Sumit Saurabh Srivastava, CDS, UoA Dr Pradeep K. Sharma, CDS, UoA Dr. Angira Sen Sarma, CDS, UoA

Outreach activities:

S. N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1.	Dr. Pradeep K. Sharma	Inaugural Address: Multi-dimensional Aspects of Women's Empowerment in Uttar Pradesh: Possibilities & Challenges	National Service Scheme (NSS) Programme	March 13, 2021	Mahamaya Government Degree College, Lucknow, Uttar Pradesh
		Training Session for "Women's Empowerment"	National Service Scheme (NSS) Programme	March 14, 2021	Mahamaya Government Degree College, Lucknow, Uttar Pradesh

S. N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
		Governance and Role of Media	4th Faculty Induction Programme	March 22, 2021	UGC-HRDC, University of Allahabad, Allahabad
2.	Dr. Subhash Shukla	Globalisation in Contemporary World/ Global Politics	Refresher Course on "Contemporary Issues and Trends in Politics	Oct 14, 2020	Department of Political Science, University of Allahabad
		Theoretical Perspectives in International Relations	--	Jan 25, 2021	Department of Political Science, C. M. P. Degree College, University of Allahabad
3.	Dr Sumit Saurabh Srivastava	Researching Gender Issues	International Virtual Workshop on Improvising Strategies for Social Research: Methodological Concerns	Aug 12-13, 2020	Indian Anthropological Association, Delhi & Anthropology Without Borders, Delhi
		Understanding key issues of public health in India through gender sensitive approach	Online Lecture Series 'Role of Immunity Enhancement in Public Health during Corona Pandemic'	Oct 20, 2020	Deen Dayal Upadhyaya Government P.G. College, Saidabad, Prayagraj, Uttar Pradesh as part of the Mission Shakti Campaign
		Caste, Class and Gender in Classroom	Second Faculty Induction Programme	Dec 14, 2020	UGC-Human Resource Development Centre, University of Allahabad
		Introducing Sociology Resources of NRCE and their Utilization	Faculty Enrichment Webinar for Sociology Teachers in Higher Education	Jan 28, 2021	National Resource Centre for Education (NRCE), National Institute of Educational Planning and Administration (NIEPA), New Delhi
		Remembering collective violence: Interplay between caste and gender in a north-Indian rural hinterland	SASNET 2020: Rethinking the Politics of Memory in South Asia Conference (Virtual)	Dec 9-10, 2020	Swedish South Asian Studies Network (SASNET), Lund University, Sweden
4.	Dr. Angira Sen Sarma	Understanding EU's Higher Education Policy: Opportunities and Challenges for India-EU Cooperation	Areas of India-EU cooperation in Higher Education: Challenges and Opportunities	March 8-10, 2021	Jawaharlal Nehru University, Jean Monnet Project SAPHIRE
		Women Peace and Security: An Analysis of Gender Dynamics of COVID 19	Gender Security & Global Politics	Feb 25-26, 2021	Indian Institute of Human Security & Governance, Delhi
		Continuity and New Dynamics of India-Uzbekistan Partnership	Second Uzbek-Indian Forum of Think Tanks	Feb 23, 2021	National Institute for Strategic Studies of the Kyrgyz Republic. Participated and presented paper as a delegate from the Indian Council of World Affairs (ICWA), New Delhi.
		COVID 19 Pandemic: Opportunities and Challenges for India-SCO Engagement	XV Meeting of the Shanghai Cooperation Organization (SCO) Forum (Online)	Sep 29, 2020	Indian Council of World Affairs (ICWA), New Delhi, in association with institutions in Uzbekistan
		COVID-19 and India's Health Diplomacy"	Post-Pandemic World Order: Navigating the New Normal	Aug 29-31, 2020	Nepal Institute for International Cooperation and Engagement, (NIICE), Nepal and Water Policy Centre, India

K. BANERJEE CENTRE OF ATMOSPHERIC AND OCEAN STUDIES

Introduction:

Research in the area of Climate Dynamics and Mathematical Modeling had started in the year 2000 with the generous support from the NCAOR, Goa/MoES, and ISRO, GoI In 2009. KBCAOS was established by the UGC as the Centre with potential of research excellence with 7 permanent teaching positions. The teaching course (M.Tech in ESS) and research programme (Ph.D.) of the Centre are designed in such a way so that it develops a deep understanding of the fundamental principles of Atmospheric and Ocean Sciences alongwith creating innovative ability to solve new and challenging problems. Successful implementation of research projects based on observational and modeling studies with funding of more than Rs. 10.00 Crores has been carried out. The centre has received the DST-FIST Grant of Rs. 1.17 Crores for procurement of instruments related to land-atmosphere interaction and hydrological research and for infrastructural development.

Thrust Areas:

- Quality Teaching and Research (M.Tech., Ph.D., Outreach)
- Atmosphere-Land-Ocean Modeling
- Indian Monsoon Prediction and Predictability
- Chaos and Nonlinear Dynamics
- Data Assimilation
- Remote Sensing and GIS
- Support to IMD/MoES in Lightning Prediction

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	02	Atmospheric and Ocean Science, Remote Sensing, Water Resources, Land use change dynamics
2.	M.Tech.	2 years (04 Semester)	19	Atmospheric and Ocean Science

Faculty members and their Area of Research:

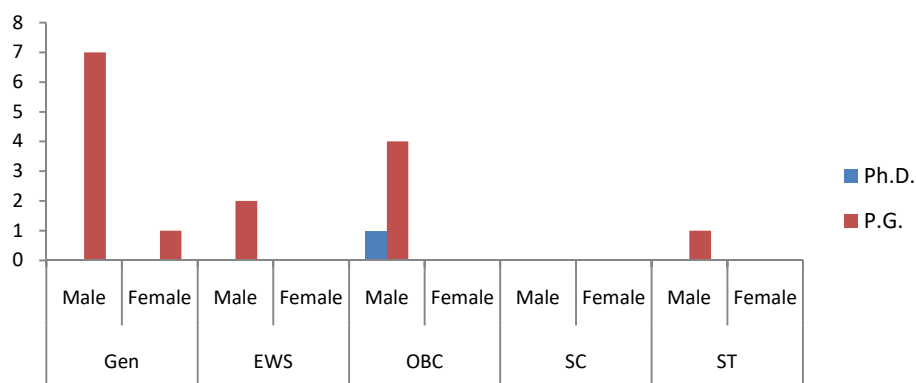

S.No.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Prof. A.C. Pandey	Male	Professor (on leave)	Ocean Circulation Modeling, Non Linear dynamics, data diagnostic studies for climate research, climate change
2.	Prof. Suneet Dwivedi	Male	Professor & Coordinator	Predictability of Atmosphere and Ocean, Atmosphere-Ocean Circulation Modeling & Data Assimilation, Chaos and Non- Linear Dynamics
3.	Dr. Shailendra Rai	Male	Associate Professor	Ocean Circulation Modeling, Predictability of Coupled Models
4.	Dr. Vivek Kumar Pandey	Male	Assistant Professor	Ocean Modeling and Dynamics of Indo- Pacific Ocean
5.	Dr. Sudhir Kumar Singh	Male	Assistant Professor	Remote Sensing & GIS Applications in Water Resources and Environmental Pollution

Support Staff:

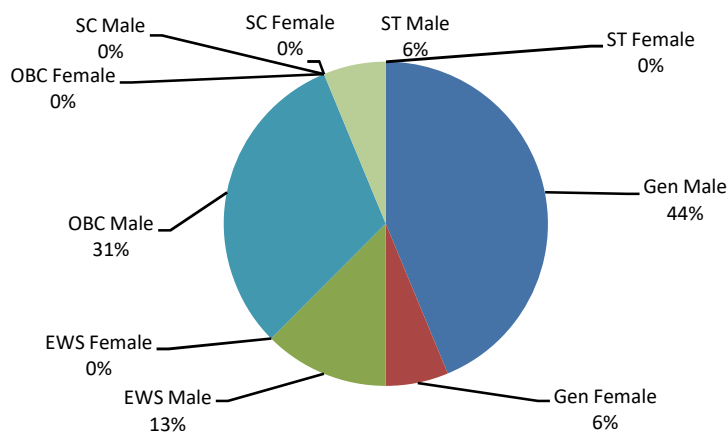

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Mr. Vibhuti Pandey	Male	GEN	Clerk	Office work (Administrative)
2.	Mr. Harikesh Singh	Male	GEN	Peon	Office work
3.	Mr. Akash	Male	OBC	Peon	Office work

Details of Students, Year wise and Reservation wise (2020-2021):

Details of Seminars/Webinars/Workshops/Conferences conducted by the Centre:

S. No.	Name of the Seminar/workshop/conference	National / International	Duration and dates	Funding/sponsor Agenc(y/ies)	No. of Participants	No. of Papers presented
1.	Emerging Scenarios related to Zoonoses in a Warming Environment	National	June 19-20, 2020	University of Allahabad	1400	18
2.	Approaching the Contagious Diseases from a Geospatial Perspective	National	August 26-27, 2020	University of Allahabad	1100	12

Details of Awards/Honours/Fellowship received:

S.No.	Name of Faculty Member/Student who received award	Name of the award	Organization conferring award
1.	Prof. Suneet Dwivedi	Member, Expert Appraisal Committee (EAC), Industry-III	Ministry of Environment, Forest and Climate Change, Govt. of India, New Delhi
2.	Prof. Suneet Dwivedi	Assessor, National Assessment and Accreditation Council (NAAC)	NAAC (an autonomous institution of the UGC), Bangalore

Outreach activities

S. N.	Name of Faculty Member/Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1.	Prof. Suneet Dwivedi	ICT in Higher Education: MOOCs on SWAYAM	UGC-HRDC 4 th Faculty Induction Programme (March 02, 2021)	2 hours	UGC-HRDC, University of Allahabad
2.	Prof. Suneet Dwivedi	ICT Enabled Teaching-Learning Using SWAYAM Platform”, Winter School on “Challenges and Opportunities in Higher Education: Health, Environment and Learning	UGC-HRDC Winter School (January 24, 2021)	2 hours	Dept. of Home Science and UGC-HRDC, University of Allahabad
3.	Prof. Suneet Dwivedi	Indian Monsoon Teleconnections in the Context of Climate Change	XV Deccan Geographical Society of India (DGSI) International Geography Online Conference (November 27, 2020)	25 mins	Dept. of Geography, University of Allahabad
4.	Prof. Suneet Dwivedi	MOOCs, e-Content Development and ICT Enabled Teaching-Learning Using SWAYAM	UGC-HRDC 2 nd Faculty Induction Programme (November 24, 2020)	2 hours	UGC-HRDC, University of Allahabad
5.	Prof. Suneet Dwivedi	MOOCs, e-Content Development and ICT Enabled Teaching-Learning Using SWAYAM	UGC-HRDC 1 st Faculty Induction Programme (October 08, 2020)	2 hours	UGC-HRDC, University of Allahabad
6.	Prof. Suneet Dwivedi	An Overview of the Guidelines related to MOOCs and e-Content Development on SWAYAM	UGC-HRDC Online Workshop for MOOCs, e-content development and Open Educational Resources (July 28, 2020)	2 hours	UGC-HRDC, University of Allahabad
7.	Prof. Suneet Dwivedi	Resources and Possibilities in Research	One Week Online Workshop on Holistic Approach towards Research in Pandemic (June 29, 2020)	1 hour	Dept. of Genetics, Maharshi Dayanand University, Rohtak
8.	Prof. Suneet Dwivedi	Emerging Environmental Scenarios in the wake of COVID-19	Two Days Webinar on Challenges of COVID-19 Pandemic and Role of Science and Technology (May 15, 2020)	45 mins	Ishwar Sharan PG College, Prayagraj
9.	Pandey Vivek Kumar	Modeling Sea Surface Temperature over Indian Ocean and its influence on Indian Monsoon rainfall	International Virtual Conference on Earth's Changing Climate: Past, Present & Future (October 15-17, 2020).	25 minutes	The Society of Earth Scientists, Lucknow
10.	Pandey Vivek Kumar	Sea surface temperature and currents over Bay of Bengal and its relationship with the Indian Summer Monsoon Rainfall	International webinar on Climate Change, disasters & Sustainable livelihood (November 26 – 28, 2020)	25 minutes	Department of Geography, University of Allahabad, Prayagraj (India)
11.	Shailendra Rai	Impact of Lockdown in the Air Quality of Major Indian Cities	Two Days Webinar on Challenges of COVID-19 Pandemic and Role of Science and Technology (May 15, 2020)	45 mins	Ishwar Sharan PG College, Prayagraj

CENTRE OF MATERIAL SCIENCES

Introduction:

Centre of Material Sciences came into the existence in 2009. Centre is running M. Sc. Materials Science and Ph.D. programmes. A course on M. Tech. in Materials Science and Engineering is also approved by the statutory bodies of the university and will start soon. Centre work in the Interdisciplinary areas of Physics, Chemistry and Engineering of Materials (Including Bio-Materials) and have active national and international collaborations. Faculty members have completed several major research projects from UGC, DST, DAE-BRNS and DEIT. Based on its rapid progress, Centre is selected and sponsored under FIST programme of Department of Science and Technology from 2017.

Thrust Areas:

- Soft Materials including Liquid Crystals and Bio Materials,
- Energy Materials
- Multi Functional and Nano Materials

Programmes of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph. D.	5 years (including course work)	As per UGC norm	Soft Materials including Liquid Crystals and Bio Materials, Energy Materials, Multi Functional & Nano Materials, Bio Materials
2.	M. Sc.	2 years (4 semesters)	19	1. Multifunctional Materials and Devices 2. Nanomaterials and Carbon Nanostructure 3. Liquid Crystal Materials for Displays 4. Magneto Resistive and Battery Materials

Faculty members and their Area of Research:

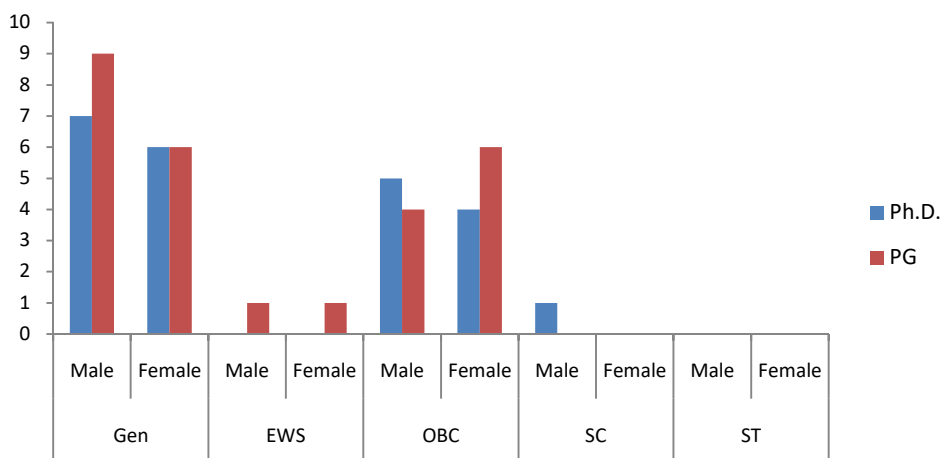

S.No.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Dr. Brajendra Singh	Male	Assistant Professor	Materials Chemistry
2.	Dr. M. K. Singh	Male	Assistant Professor	Multifunctional Multiferroic Materials, High K Materials, Raman Spectroscopy
3.	Dr. Prashant Dubey	Male	Assistant Professor	Nanomaterial's Chemistry and Application
4.	Dr. Rajiv Giri	Male	Assistant Professor	Nano materials, Energy harvesting materials and Electron Microscopy, Superconductivity
5.	Dr. Ravindra Dhar	Male	Professor and Coordinator	Condensed Matter, Liquid Crystalline Materials, Nano and Photovoltaic Materials

Support Staff:

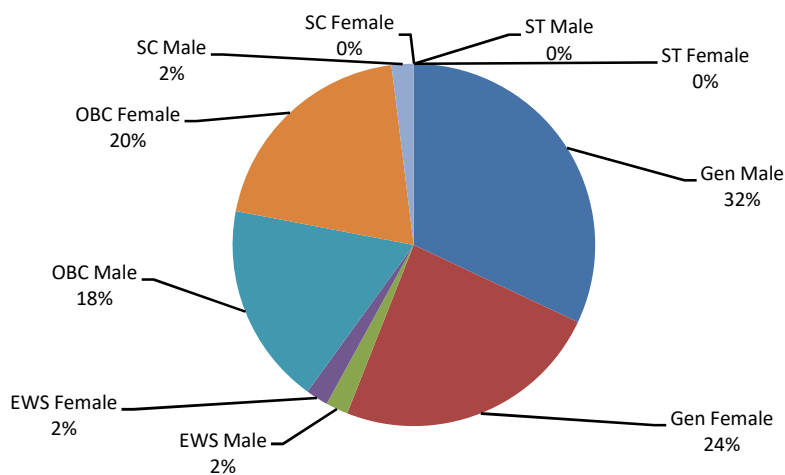

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Mr. Ranjeet Singh Yadav	Male	OBC	Jr. Office Assistant	Office Work (Administrative)
2.	Mr. Pram Chandra	Male	OBC	Lab Attendant	Up keeping of the laboratory
3.	Mr. Pradeep Mani Tripathi	Male	GEN	Technical Assistant	Electrical of the laboratory equipments including computers etc
4.	Mr. Ram Prakash	Male	GEN	Technical Assistant	Mechanical maintenance in the laboratories and upkeep of major instruments with office work

Details of Training/orientation/refresher courses/special lectures conducted by the Centre:

S.No.	Name of the course	Duration and dates	Funding/sponsor	Speakers
1.	Lecture "Nano-SQUID magnetometry and their Bio-medical applications"	Feb 27, 2020	University of Allahabad	Dr. Nikhil Kumar Anand

Details of Awards/Honours/Fellowship received:

S. No.	Name of Faculty Member/ Student who received award	Name of the award	Organization conferring award
1.	Ms. Preeti Yadav	DST-INSPIRE Fellowship	Department of Science & Technology, India
2.	Ms. Akanksha Khare	Women Scientist Scheme A(WOS-A)	Department of Science & Technology, India
3.	Ms. Deepa Singh	Women Scientist Scheme A (WOS-A)	Department of Science & Technology, India
4.	Prof. (Dr.) Ravindra Dhar	Fellowship	Institution of Electronics and Telecommunication Engineers (IETE), New Delhi
5.	Prof. (Dr.) Ravindra Dhar	Council Member	International Academy of Physical Sciences, Allahabad

Academic Organizations (headquartered in the Centre):

S.No.	Name	Nature	Objectives
1.	National Science Day	National	Popularization of Science

Proposed Courses

S.No.	Name of Programme	Nature	Duration	Proposed or In process	Intake of Students	Remarks
1.	M. Tech.	Masters Degree	2 years	In Process	25	To run with the completion of necessary Infrastructure

Proposed Projects/SAP Grants etc.

S. No.	Type of Project/ grant	Title/Name	Duration	Proposed amount	Proposed or in process	Remarks
1.	SAP-UGC	SAP-UGC	5 years	1.20 crores	In process	With UGC

Outreach activities**Invited Lectures**

S. No.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1.	Prof. (Dr.) Ravindra Dhar	Characterization Techniques for Liquid Crystals	International webinar on materials synthesis and characterization	July 11-13, 2020	Ram Manohar Lohia Avadh University, Ayodhya, India and Polytechnic University, Lakeland, Florida, USA
2.	Prof. (Dr.) Ravindra Dhar	Composites of Nano and Columnar Mesophasic Structures for Photovoltaics	Special lecture series for PG, and Ph.D. scholars	June 03, 2020	Amity Institute of Nano Technology, Amity University, Noida
3.	Prof. (Dr.) Ravindra Dhar	Role of Science and Technology in post Covid Era	International Chemistry Webinar-2020, Rethink, Restructure, Revive & Recycle: A Post Covid Perspective	June 9-15, 2020	Ewing Christian College, University of Allahabad, Prayagraj
4.	Prof. (Dr.) Ravindra Dhar	Soft Materials	Special Lecture Series	June 12, 2020	Shri Ramswaroop Memorial University, Barabanki, U.P.
5.	Prof. (Dr.) Ravindra Dhar	Thermodynamic and Dielectric Spectroscopy for Materials Characterization	Advanced Physical Tools and Techniques for Materials Characterization	July 28 to Aug, 03, 2020	Mahatma Gandhi Central University, Motihari
6.	Prof. (Dr.) Ravindra Dhar	Role of Science and Technology in post Covid Era	Covid-19: Challenges and Opportunities on Technology	July 30, 2020	Nehru Gram Bharati University, Prayagraj
7.	Prof. (Dr.) Ravindra Dhar	Efficient bulk hetero junction photo voltaic cells through columnar phases of nano particles dispersed in a discotic mesophasic material	National Workshop on Recent Advances in Condensed Matter and High Energy Physics	March 5-6, 2021	Department of Physics ECC, Prayagraj and National Academy of Sciences, India, Prayagraj

S. No.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
8.	Prof. (Dr.) Ravindra Dhar	Flexible organic photo voltaic cells through nano particles dispersed columnar phases of a discotic mesophasic material	15 th National Conference on Science & Technology in the Service of Common Man	March 17-18,2021	Allahabad Chapter Indian Science Congress Association, Department of Chemistry UoA
Seminars/Webinars/Workshops/Conferences (National & International)					
1.	Priyanka Singh, Dr. Brajendra Singh	Effect of ammonia environment on electrical properties of Fe doped $\text{La}_{0.7}\text{Pb}_{0.3}\text{MnO}_3$ perovskite manganites	International E-Conference on Multifunctional Materials and Environment (E-ICMME-21)	Feb 01-02, 2021	Department of chemistry, L. N. Mithila University, Darbhanga, Bihar
2.	Saiqua Siddiqui, Priyanka Singh, Dr. Brajendra Singh	Enhanced ionic conductivity of Cu and Sr doped $\text{Li}_{0.55}\text{La}_{0.45}\text{TiO}_3$ at room temperature	" "	" "	" "
3.	Dr. Brajendra Singh, Priyanka Singh	Structural and dye degradation properties of $\text{Li}_2\text{Mn}_{0.95}\text{Ru}_{0.05}\text{O}_3$	International Conference on "Cutting-edge Research in Material Science and Chemistry (CRMSC-2021)	Jan 11-12, 2021	Department of Chemistry, Manipal University, Jaipur, Rajasthan
4.	Saiqua Siddiqui, Priyanka Singh, Dr. Brajendra Singh	Li ion conduction studies in Zr doped titanate perovskite oxides	26 th International Conference of International Academy of Physical Sciences (CONIAPS XXVI) on "Advances in Applied Physics & Earth Sciences	Dec 18-20, 2020	Manipal University Jaipur, Rajasthan
5.	Manoj K Singh	Effect of Strain and Temperature on Raman Spectra of $\text{BiFeO}_3/\text{CoFe}_2\text{O}_4$ Heterostructures Thin Films	National Seminar on Ferroelectrics and Dielectrics (NSFD-2021)	Jan10-13, 2021	Department of Physics, Rashtrasantakadoji Maharaj Nagpur University
6.	PreetiYadav	Combined structural electric and magnetic characterization of Bismuth Ferrite Nano particles by sol-gel route	International e-conference on Advanced Functional Materials and Optoelectronic Devices	June 13-15,2020	Department of Physics V. B. S. Purvanchal University, Jaunpur-222003, U.P., India
7.	Bushra Khan	Temperature Induced Dielectric Properties and Magnetoimpedance Effect in $0.7\text{Bi}_{0.99}\text{Nd}_{0.01}\text{Fe}_{0.99}(\text{Co,Ti})_{0.01}-0.3\text{CaTiO}_3$	National Seminar on Ferroelectrics and Dielectrics (NSFD-2021)	Jan10-13, 2021	Department of Physics, Rashtrasantakadoji Maharaj Nagpur University
8.	Prashant Dubey	Exploring natural resources for the synthesis of carbon dots via simple hydrothermal method (Invited Lecture)	International Conference on Diverse Emerging Materials and their Applications ICDEMA-2021	March 14-15, 2021	Lucknow University
9.	Rajiv Giri	Study on Surface modification of Pulsed Plasma 192 itride stainless steels	International Conference on Diverse Emerging Materials & Their Applications	March 14-15 th , 2021	Lucknow University
10.	Anshu Kumar Singh	Synthesis of flexible free standing multiwalled carbon nanotube (MWCNT) membrane for its application in supercapacitor	" "	" "	" "
11.	Raghvendra Pratap	A novel synthesis route to synthesize TiO_2 / CNT nanocomposite for photocatalytic applications	" "	" "	" "
12.	Pramod Kumar Vishwakarma	Enhanced photocatalytic activity of SnS_2 nanoflakes under visible light irradiation	" "	" "	" "

S. No.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
13.	Saikumar Chirra, Amir Iqbal, K.L Pandey, R.Dhar and R Dabrowski	Thermodynamic & dielectric properties of a room temperature antiferroelectric liquid crystalline material.	15 th National Conference on Science & Technology in the Service of Common Man	March 17-18, 2021	Allahabad Chapter Indian Science Congress Association, Department of Chemistry University of Allahabad
14.	Himanshu Verma , Abhinav Lal and Ravindra Dhar	Impact of Gold Nanorods and dielectric properties of room temperature nematic liquid crystal 6CHBT	” ”	” ”	” ”
15.	Parveen Kumar Singh, Prashant Dubey, Roman Dabrowski and Ravindra Dhar	Thermodynamical, optical, electro-optical and dielectric studies of a nematic liquid crystal dispersed with Functionalized and Non-functionalized Multi Walled Carbon nanotubes	” ”	” ”	” ”
16.	Amir Iqbal, Dorota Weglowska, Roman Dabrowski and Ravindra Dhar	Thermodynamical, optical, switching and dielectric characteristics of a highly tilted ferroelectric liquid crystalline material (S)-(+)-(3-pentanoyloxyprop-1-oxy) biphenyl-4-yl-4-(1-methyl heptyloxy) benzoate	” ”	” ”	” ”
17.	Rahul Uttam, Sandeep Kumar and Ravindra Dhar	Enhanced charge carrier conductivity due to the dispersion of thiol capped AuNPs in rufigallol derivative discotic liquid crystal	” ”	” ”	” ”
18.	Rahul Uttam, Sandeep Kumar and Ravindra Dhar	Thermodynamic and conductivity studies of a room temperature discotic liquid crystal dispersed with capped gold nanoparticles	27 th National Conference on Liquid Crystals (NCLC-2020)	Dec 21-23, 2020	Amity University, Uttar Pradesh
19.	Himanshu Verma and Ravindra Dhar	Dielectric characterization of a room temperature nematic liquid crystal dispersed with gold nanorods	” ”	” ”	” ”
20.	Satendra Kumar, Rohit Verma, Ravindra Dhar and Ambuj Tripathi	Enhanced Thermal Stability of Two Hydrogen Bonded Liquid Crystalline Materials by Using Li Ion Beam	” ”	” ”	” ”
21.	Saikumar Chirra, K. L. Pandey and Ravindra Dhar	Dielectric & thermodynamic properties of a newly synthesized liquid crystalline material having para, ferro & antiferroelectric phases.	” ”	” ”	” ”
22.	Amir Iqbal, Dorota Weglowska, Roman S. Dabrowski and Ravindra Dhar	Electrical and thermodynamical characteristics of a highly tilted ferroelectric liquid crystalline material having N*-SmC*-SmB*hex phase sequence	” ”	” ”	” ”
23.	Praveen Kumar Singh, Prashant Dubey, Roman Dabrowski and Ravindra Dhar	Improvement of orientational order parameters by the dispersion of synthesized graphene in host of nematic liquid Crystal.	” ”	” ”	” ”

Other information (about the Center)

1. Dr. Brajendra Singh

- Active collaboration with Raja Ramanna Centre of advanced Technology (RRCAT) Indore, India to utilize synchrotron radiation for electronic structure determinations and diffraction experiments.

2. Prof. Ravindra Dhar

- Member Board of Studies Physics and Electronics, GGV Central University, Bilaspur.
- External Advisory Member SAP (UGC) to Applied Physics, Aligarh Muslim University, Aligarh.
- Science Popularization Programmes of the National Academy of Sciences (NASc), India.
- Lectures and Assessments as Mentor under DST INSPIRE programme in various institutions.
- Mentor and Judges to various scientific events of NASc, India and several other institutions.

- Active collaboration with, Military University of Technology, Warsaw, Poland; Trinity College, University of Dublin, Ireland; Raman Research Institute, Bangalore and BHU, Varanasi India.

National Science Day Celebration: Popular Lecture by Prof K A Suresh, Honorary Professor in Raman Research Institute, Bangalore & Former Director, Centre for Nano and Soft Materials (Formerly Centre for liquid Crystal Research) Bangalore

High Fluence Ion Beam Facility

Introduction:

The high fluence ion beam facility at University of Allahabad is fully functional and user experiments as well as in-house experiments by PhD students can be proposed and performed. Department of Science and Technology, New Delhi has sanctioned a project titled “Utilization of HIGH FLUENCE ION BEAM FACILITY (UHFIBF) vide letter no. SR/MF/PS-04/2017/G” worth a fund of INR ~4 Crore to run the facility.

Thrust Areas:

- The objective is to run the accelerator based research facility in Allahabad University using ECR ion source to create an environment for pursuing experimental work in interdisciplinary areas.
- Accelerator based laboratory will provide best possible environment for training human resource as it encompasses latest technologies such as data analysis, computer control, analog and digital instrumentation, Ultra high vacuum, etc.
- It will be gradually developed for providing opportunity to younger generation to get involved in projects involving state of the art technologies.
- An in-house facility of this type in the university will most certainly help in attracting students towards experimental sciences.

Faculty Members:

1. **Prof. I R Siddiqui:** Coordinator, NAC
2. **Prof. Avinash C Pandey:** Principal Investigator, HFIBF; Adjunct Professor, UoA; Currently Director, Inter University Accelerator Centre, New Delhi
3. **Prof. Suneet Dwivedi:** Co-Principal Investigator

Support Staff

S.No.	Name	Designation	Gender/Category	Work assigned
1.	Dr. Vikas Baranwal	Scientist D	M (GEN)	User support for execution of experiments and planning of proposals
2.	Ms. Jigyasa Kumar	Radiological Safety Officer/ Project Assistant	F (GEN)	Radiation monitoring
3.	Mr. Sohan Lal Pradhan	Project Assistant	M (GEN)	Accelerator support
4.	Mr. Rajkumar Dwivedi	Secretarial Assistant	M (GEN)	Administrative support
5.	Mr. Himanshu Mishra	Support Staff	M (GEN)	Administrative support

Main features**a) ECR source (Supernanogan)**

1. Large area scanning: The beam can be raster scan for the large target area of 30 mmx 30 mm (± 15 mm x ± 15 mm)
2. High flux and high current: Because of high current from the ion source high flux of ions can be implanted in very short time period.
3. Switchability: The switching time between metal ions and gaseous ions is ~2-3 hours.

4. Range of ions: We can produce the metal ions by heating and sputtering techniques depending on element's melting point. Elements with higher melting points can be produced by using sputtering methods. Below table indicates typical intensities for selected charge states. Beam intensity for various charge states given in μA .

Ion	Charge state	Current (μA)
He	2+	600
C	4+	160
O	6+	160
Ar	8+	140
Xe	20+	12
Ta	20+	10
Bi	20+	3

Visit of Dr. Dinesh Srivastava, Chairman and CEO, Nuclear Fuel Complex, Hyderabad at High Fluence Ion Beam facility to start collaboration for performing experiments on nuclear materials on March 7, 2020

CENTRE FOR THEATRE & FILM

Introduction:

The Centre of Film and Theatre was established on 14th August 2010 as first Pan Asian Institute of this stream. It was inaugurated by Hon'ble Vice-chancellor Prof. Rajan Harshe and co-coordinator Prof. Sachin Tewari, the founder members were Prof. Sachin Tewari, Prof. M.C. Chattopadhyaya & Prof. Lalit Joshi. The center has 12 seats for M.A. in Theatre and Film stream.

It caters to the students opting for Theatre and Film and has shown good promise in the past. Though there is no permanent faculty in the center, still it has performed up to mark.

The center is rich with all professional equipment's of film making and Theatre performance.

Thrust Areas:

- Film stream

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	M. A. in Theatre and Film	2 years	12	Film stream

Faculty Member:

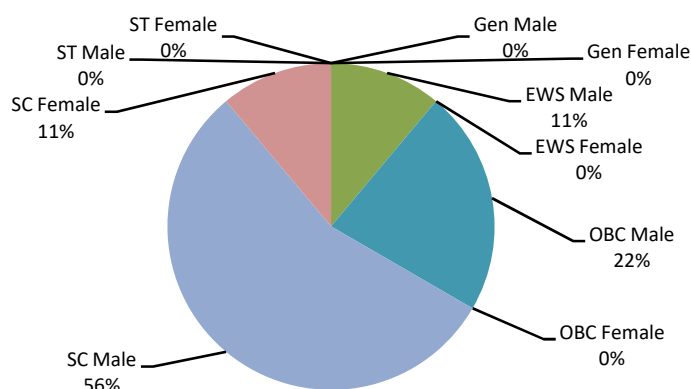

S.No.	Name	Gender	Designation	Area of Specialization
1.	Sonjoy Dutta Roy	Male	Professor & Coordinator	Contemporary Poetry, Performance Studies, Culture Studies, Narrative Studies Creative Writing

Support Staff:

CENTRE OF SCIENCE AND SOCIETY

Introduction

With the approval of Academic Council vide *Resolution No. 43/22 dt.19.5.2015* and *Executive Council Resolution No. 03/32 dt.2.6.15* and subsequent office Memorandum No. *Comm. Sec./5243/2015 dt. 22.08.2015*, the green signal was provided to start the M.Sc. four-semester CBCS based course in Rural Technology and Development under the Institute of Inter-Disciplinary Studies (IIDS) by the University of Allahabad with the intake of 15 seats. The course was inaugurated by the Hon'ble Justice M. C. Tripathi of Allahabad High Court in 2015-16 and the first batch has come out very successfully in 2017. Seats have been increased as per the reservation laid down by UGC i.e from 15 to 19 seats of M.Sc. in current session. Centre has a profound record of research also. Seats in research are decided as availability and norms of UGC and University of Allahabad. The University took lead to translate the PURA (Providing Urban Amenities in Rural Area) of Dr. A.P.J. Kalam and its execution by PM Modi's Sansad Adarsh Gram Yojana by adopting Ramapur Village of Bahadurpur block in Phulpur Tehsil of Allahabad District. In the 1st phase chakzhaura Moja purely SC populated with a high percentage of Females has been selected by the University for their Upliftment. Centre has again adopted five (05) Villages of Koraon Block, Prayagraj as an initiative of Unnat Bharat Abhiyan and MHRD, New Delhi. Moreover, the Centre has got the responsibility of the Post-project evaluation study of Saansad Adarsh Gram Yojna of 104 villages of Uttar Pradesh.

It is also worth mentioning that the University of Allahabad has been identified as a spoke partner of the Design and Innovation Centre of IIT-BHU, getting funds from MHRD. Further, the university approved the change of nomenclature from M.Sc. Rural Technology and Development to M.Sc. Design and Innovation in Rural Technology in 2017.

Thrust Areas:

- The centre is working towards the innovative ideas for increasing India's Rural GDP, Facilitating affordable technology development appropriate to rural progress, and focusing on the sectors that include Agriculture, Health, Finance, Education, Vocational Training, Business Processing technologies, etc
- Centre promotes innovative ideas for agro-based rural industries/Industrial technologies such as Vermicomposting, Biofertilizers, Herbal antimicrobials, Candle making, Dairy activities, Mushroom cultivation, Organic farming, Floriculture, Paper bag making, Medicinal plant cultivation, Apiculture, etc.
- The major thrust area is Innovation in Rural technology for the welfare of Agricultural, Animal and Human health with special reference to Rural Entrepreneurship.

Programmes of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	10	CSR, Mushroom, Fishries, Women menstrual health, Aromatherapy, Solid waste management, Microbiology, Sustainable agriculture, Toxicology, Herbal antimicrobials etc.
2.	M. Sc.	02 Years	19	Design and Innovation in Rural Technology

Faculty members and their Area of Research:

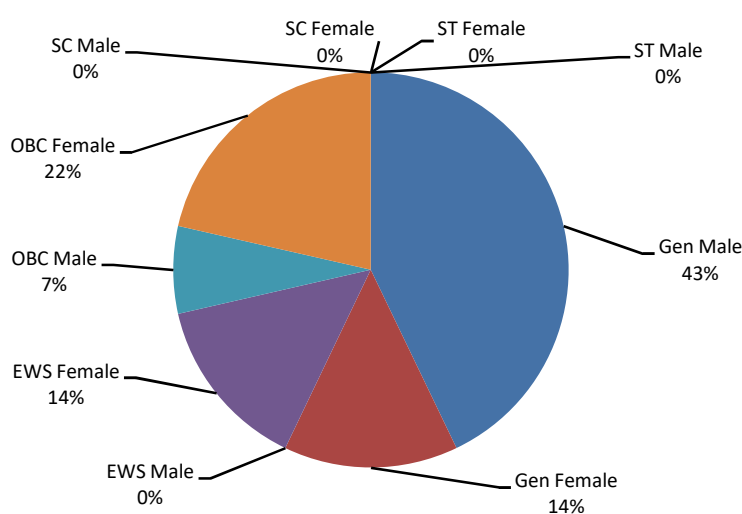

S.No.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Dr. Rohit Kumar Mishra	Male	Associate Professor & Coordinator	Rural technologies for sustainable development; Fungal biology, Medicinal & Aromatic plants, Biofertilizers, Herbal Antimicrobials, Organic farming; Nanotoxicity, Heritage agricultural; Bio-instrumentation; IPR, Microbes & its uses, Environmental microbiology, Commercial innovative technologies
2.	Dr. Shashi Kant Shukla	Male	Assistant Professor	Commercial technologies, Basic Botany, Agriculture, Nanotechnology, Information technology, Rural development and its management
3	Dr. Arpana Pandey	Female	Assistant Professor	Rural tech. and dev. Natural resource management, Production and post- harvest management, Rural health management, Information technology in rural development

Support Staff:

S.No.	Name	Gender	Category	Designation
1.	Dayaram Bharti	Male	SC	Peon
2.	Ramesh C. Yadav	Male	OBC	Helper

1.	Zero Budget Gou Adharit Prakritik Kheti	National	One day Nov 08,2020	DIC IIT BHU MHRD Project	50	Lead lectures
2.	Natural farming and conservation of indigenous Cow breed	National	One day Feb 19, 2021	DIC IIT BHU MHRD Project	50	Lead lectures

Training/orientation/refresher courses/special lectures conducted by the Centre:

S. No.	Name of the course	Duration and dates	Funding/ sponsor	Speakers
1.	Role of ISRN for Rural Entrepreneurship	Nov 18, 2020	DIC IIT BHU MHRD Project	Shri Santosh Gupta, CeO, ISRN, New Delhi
2.	Eco-brick for Sustainable Environment	Nov 18, 2020	DIC IIT BHU MHRD Project	Shri Krishna Mohan, Coordinator, Sustainable Environment Programme Prayagraj.
3.	Regulations regarding Sanitary and Phytosanitary products	Feb 22, 2021	DIC IIT BHU MHRD Project -	Prof. Ramesh Singh, Sardar Vallabh Bhai Patel Agricultural University, Meerut

Details of Awards/Honours/Fellowship received:

S.No.	Name of Faculty Member/Student who received award	Name of the award	Organization conferring award
1.	Dr. Rohit Kumar Mishra (Faculty)	Expert Member	UGC DRS SAP-III at Department of Business Administration Sardar Patel University, Vidyanagar, Gujrat
3.	Dr. Rohit Kumar Mishra (Faculty)	Scientist Associate Award	23 th Farmers Congress for Atma Nirbhar Bharat at Bioved Research Institute of Agricultural and Technology, Prayagraj.
4.	Dr. Rohit Kumar Mishra (Faculty)	Best Head of the Department	Institute of Scholars (INSc), Bangalore
5.	Mayank Mohan (Research Scholar)	1 st Prize in poster presentation	23 th Farmers Congress for Atma Nirbhar Bharat at Bioved Research Institute of Agricultural and Technology, Prayagraj.
6.	Chanchal (Research Scholar)	2 nd Prize in oral presentation	23 th Farmers Congress for Atma Nirbhar Bharat at Bioved Research Institute of Agricultural and Technology, Prayagraj.
7.	Sujeet Singh (M.Sc. Student)	3 rd Prize in poster presentation	23 th Farmers Congress for Atma Nirbhar Bharat at Bioved Research Institute of Agricultural and Technology, Prayagraj.

Future Projections

Proposed Projects/SAP Grants etc.

S. No.	Type of Project/grant	Title/Name	Duration	Proposed amount	Proposed or in process	Remarks
1.	Research project Submitted by Dr. Rohit K. Mishra	Dissemination of knowledge of traditional herbals for maintaining routine health and hygiene	03 Years	Rs. 23.56 Lacs	In-process	Agency: DST
2.	Research project Submitted by Dr. Arpana Pandey	Innovative initiative for menstrual health management in Rural Prayagraj District	02 Years	Rs. 22 Lacs	In-process	Agency: ICSSR

Other Projections:

Applied for ACS grant of \$950 for workshop.

Outreach activities

S. No.	Name of Faculty Member/Student/Researcher	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1.	Dr. Rohit Kumar Mishra (Faculty) (Expert in Technical Session UGC DRS SAP-III)	How Govt. Programmes catalyze Rural Economy	UGC DRS SAP-III National Webinar "Managing rural economy: Government initiatives and stakeholders"	One day UGC DRS SAP-III National Webinar March 25, 2021	Department of Business Administration Sardar Patel University, Vidyanagar, Gujrat
2.	Dr. Rohit Kumar Mishra (Faculty) (Guest Speaker)	Herbals a future of modern research against various pathogens	A healthy approach towards future: Ayurveda vis a vis modern research	Two days National Webinar June 20-21, 2020	Department of Biotechnology and Bioinformatics, Government Holkar Science College, Indore, M.P.
3.	Dr. Rohit Kumar Mishra (Faculty) (Invited talk)	Reinventing agriculture in the time of COVID-19 with Govt. initiatives	Role of agriculture and Small scale industries in the country under Covid 19	One day National Webinar July 27, 2020	Department of Agricultural, SVN University, Sagar, M.P.

Other information (about the Center)

- **Fabrication of SPARSH Sanitizer Pedal Dispenser:** Centre of Science and Society developed pedal dispenser with the theme of “*Best From Waste*” and distributed to the officials of University of Allahabad as per the Registrar letter no. 05/R/359/2020 dt. July 09, 2020.
- **UGC Stride Programm (2021):** Dr Rohit Kumar Mishra, participated in the UGC STRIDE Program (Component-I), File Number: F.2-2/2019 (STRIDE-I) on “Molecular Phylogeny And Molecular Docking” held from January 19-27, 2021 at Mizoram University, Aizawl - 796004, Mizoram, India.
- Celebration of “Yuva Diwas Mahotsav-2021” and inauguration of Pre-Ph.D. course work of Research Scholars at Centre of Science and Society, UoA held on Jan 12, 2021.
- Certificate distribution of Innovative Idea Writing Competition to the students of Department of Home Science and Department of Zoology, University of Allahabad on the occasion of Yuva Diwas
- Students of Centre of Science and Society participated in 23th Farmers Congress for Atma Nirbhar Bharat at Bioved Research Institute of Agricultural and Technology, Prayagraj on Feb 20-21, 2021.
- VANASPATIK KACHRA NISTARAN PATRA developed by Centre of Science and Society, UoA under the guidance of Lokbharti, Lucknow Uttar Pradesh.

Activities of Centre of Science and Society, IIDS, UoA, Session (2020-2021)

Fabrication of 25 SPARSH Sanitizer Pedal Dispenser

1 day workshop on “Zero Budget Gou Adharit Prakritik Kheti to the farmers of Prayagraj and its adjoining areas

Research Scholars and Faculty members participated in “India Science Festival-2020” organized by Vijana Bharti U.P.

One day seminar on “Natural farming and conservation of indigenous Cow breed”

“Yuva Diwas Mahotsav-2021”, Inauguration of Pre-Ph.D. course work and distribution of Certificates

VANASPATIK KACHRA NISTARAN PATRA developed by Centre of Science and Society, UoA under the guidance of Lokbharti, Lucknow

CENTRE OF BEHAVIORAL AND COGNITIVE SCIENCES

Introduction:

The University Grants Commission (UGC) selected the University of Allahabad for developing an Island of Excellence in Behavioural and Cognitive Sciences. The Centre of Behavioural and Cognitive Sciences (CBCS) was established in 2002.

MISSION OF THE CENTRE

The Centre aims to achieve excellence in education and research meeting new developments and challenges. The Centre endeavours for advancement of scientific knowledge through basic and applied research and conducts outreach programmes for larger human welfare.

While it began in the mid-1950s, "Cognitive Science" has established itself as a truly interdisciplinary subject, having roots in psychology and interfaces with philosophy, computer science, mathematics, linguistics and neurosciences in the last three decades. The discipline of Cognitive Science is an intellectual enterprise that studies computational and neural mechanisms underlying mental processes by drawing on resources from a number of disciplines. The academic programs of the Centre include Doctoral and Master programs in Cognitive Science.

The goal of the teaching programme is to enrich students with knowledge of mental structures and processes, physical and chemical laws that govern the activities of brain, and computational models of cognitive processes. There is lot of emphasis on Master's thesis projects where in the students get trained in the state of the art experimental designs and analysis also resulting in presentations in major conferences as well as publications. The Centre has an excellent environment to pursue an interdisciplinary field like Cognitive Science.

Thrust Areas:

- Attention and Consciousness
- Self, Agency and Intentions
- Planning and Control
- Ordering and planning of serial eye-movements
- Emotion and Attention
- Affective control: affective conflict adaptation
- Cognitive control
- Language Processing
- Bilingualism and cognitive control
- Cognitive development
- Cognitive disorders
- Learning and Memory
- Decision Making
- Social Cognition and Cultural Cognition

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	Variable	Cognitive Science
2.	M. Sc.	2 Years	25	Cognitive Science

Faculty members and their Area of Research:

S.No.	Name of Faculty	Designation	Area of Specialization
1.	Prof. Bhoomika R. Kar	Professor & Head (joined as Head on March 12/03/2018)	Developmental cognitive neuroscience
2.	Prof. Narayanan Srinivasan	Professor (moved to IIT Kanpur March 16, 2020), on leave	Attention, Emotions, and Consciousness
3.	Dr. Supriya Ray	Assistant Professor	Neurophysiology of Actions
4.	Dr. Niharika Singh	Assistant Professor	Psycholinguistics

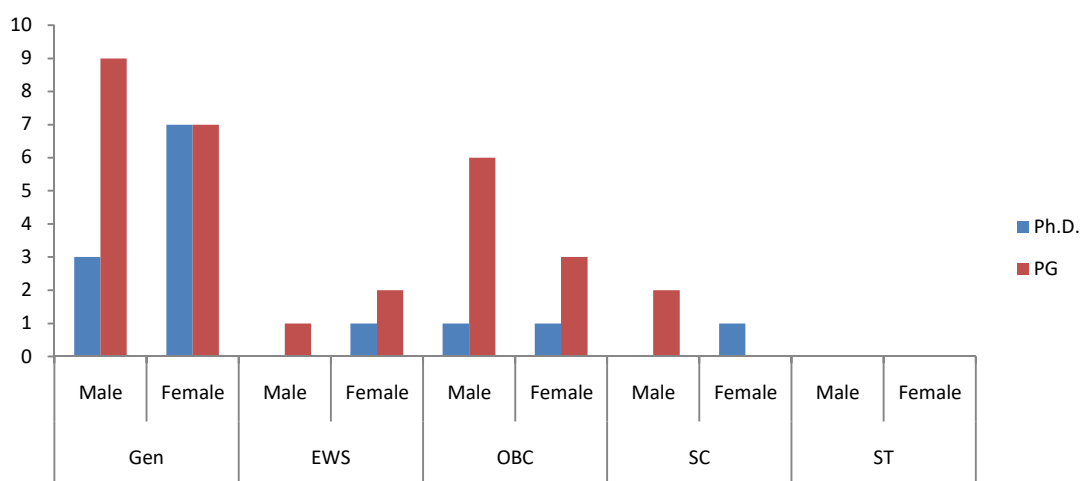

Support Staff:

S.No.	Name	Gender	Category	Designation	Work assigned
1.	Puneet Kumar	Male	Gen	Senior Technical Assistant	Work of Administrative Officer, Exam, Purchase, Admission etc.
2.	Shabeeh Abbas	Male	Gen	Sr. Accounts Assistant	Accounts related work, maintenance of Generator etc.
3.	Praveen Singh	Male	Gen	Sr. Library Assistant	Library and academic related work
4.	Nanku Ram	Male	OBC	Helper (until September 2020)	Helper
5.	Surendra Yadav	Male	OBC	Helper	Gardener cum Helper

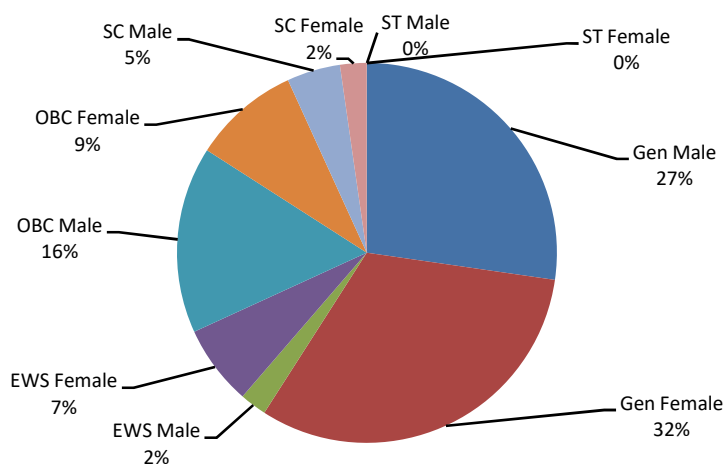

S.No.	Name	Gender	Category	Designation	Work assigned
6.	Ramu Pal	Male	OBC	Helper (until September 2020)	Helper in Library
7.	SohanLal	Male	SC	Sweeper	Sweeper

Training/orientation/refresher courses/special lectures conducted by the Centre:

S. No.	Name of the course	Duration and dates	Funding/sponsor	Speakers
1.	Foundation Day Special Lecture by	October 28-29, 2020	Online lectures	(I) Prof. Charo Rueda, Dept. of Experimental Psychology, Mind, Brain & Behaviour Research Centre, University of Granada, Spain (II) Prof. Patrik Vuilleumier, Laboratory for Behavioral Neurology and Imaging of Cognition, Department of Neuroscience, University of Geneva; Department of Neurology, Geneva University Hospital, Swiss Affective Science Center, Geneva, Switzerland

Future Projections**Proposed Courses**

S. No.	Name of Programme	Nature	Duration	Proposed or In process	Intake of Students
1.	MSc in Human Computer Interaction	MSc	2 years	Approved by the Academic Council, AU	20
2.	MSc in Clinical and Cognitive Neuropsychology	MSc	2 years	Proposed (proposal attached)	20

Proposed Projects/SAP Grants etc.

S. No.	Type of Project/grant	Title/Name	Duration	Proposed amount	Proposed or in process
1.	Research grant under the Cognitive Science Research Initiative of the DST	Flexible Cognitive Control and its Interaction with Social-Emotional Development PI: Prof. Bhoomika R. Kar	3 years	Rs. 32.30435 Lacs	In Process Submitted to the DST in March 2021
2.	Research grant under the Cognitive Science Research Initiative – Multi Centre Research (CSRI - MCR) of the DST	An intelligent system to aid patients with peripheral vision loss through neuro-psychometric analysis of motor adaptation Co-PI: Dr. Supriya Ray	5 years	Rs. 1 crore 67.61291 Lacs	In Process Submitted to the DST in February, 2021
3.	Research grant under the Cognitive Science Research Initiative (CSRI) of the DST	Neural substrate for pupillometric biomarker of movement preparation in human and non-human primates PI: Dr. Supriya Ray	3 years	Rs. 59.68320 Lacs	In Process Submitted to the DST in Feb, 2021
4.	Research grant under the Cognitive Science Research Initiative of the DST	Role of Attention in Syntactic choice during sentence production. PI: Dr. Niharika Singh	3 years	Rs. 22.248 Lacs	In Process Submitted to the DST in March 2021

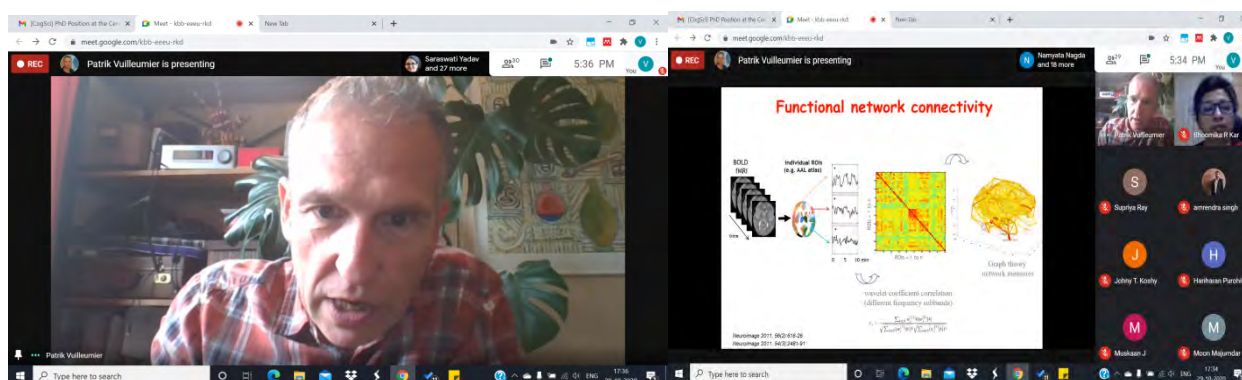

Outreach activities

- The Centre has been conducting annual Memory camp to provide free neuropsychological evaluation for the elderly every year since 2017. It was held in February 2020, however due to the pandemic situation, the Centre could not have this activity this year.
- The Centre has also been conducting the Allahabad Regional Brain Bee competition, a neuroscience quiz contest for 11th standard students since 2013. The purpose is to encourage neuroscience education in India. The winner of this competition further competes at National and international level. Allahabad Regional Brain Bee

competition for the year 2020 was held in January 2020, however due to the pandemic situation, the Centre could not conducted the activity this year.

Foundation day lecture on “Attention at the heart of intelligence” by Prof. Charo Rueda, University of Granada, Spain, October 28, 2020

Foundation day lecture (online) on “Emotion, network dynamics and brain states” by Prof. Patrik Vuilleumier, University of Geneva, Switzerland, October 29, 2020

CENTRE FOR WOMEN'S STUDIES

Introduction:

The Centre for Women's Studies was sanctioned by the UGC in February, 2010. It was inaugurated in August, 2010 and soon after its establishment, a Finance Committee, a Steering Committee and a Board of Studies were constituted and a tentative plan regarding the activities of Centre was drawn up. The Centre offers a Certificate course "Understanding Gender" since July 2012 and Master Program "MA in Women's Studies" since July 2018. The Centre had five Directors respectively: Founder Director, Prof. Sumita Parmar, Prof. Smita Agarwal and Prof. Anamika Roy, Prof. Bharti Das, Prof. Anuradha Agarwal (At Present in Office). This year the first batch of PG (MA in Women's Studies) and eight batches of Certificate Course in "Understanding Gender" had completed the course. Centre organizes Special Lectures, Annual Lectures, and Workshops in every year.

Thrust Areas:

- Women and Gender Studies, Women's Movements
- Women and History, Women in Literature
- Women's Health and Legal awareness,
- Women and Development
- Gender Sensitization

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	M. A.	2 years	18	Women's Studies
2.	Certificate Course	3 Months	27	Understanding Gender

Faculty members and their Area of Research:

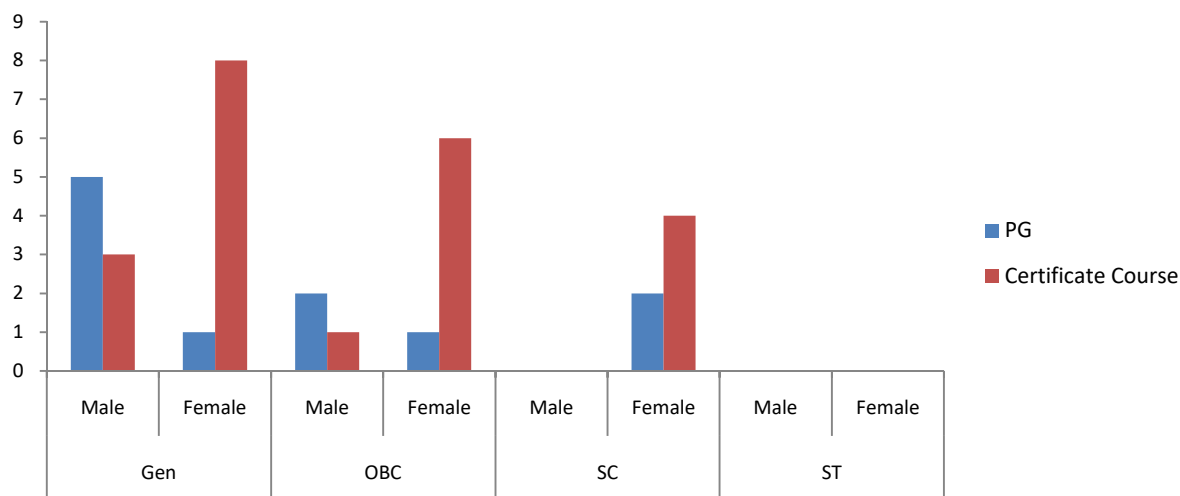

S. N.	Name of Faculty	Gender	Designation	Area of Specialization
1.	Prof. Anuradha Agarwal	Female	Director, CWS (February, 2021 - till now)	Feminist Theory; Indian Political System; Indian Political Thought.
2.	Mr Gurbinder Kumar	Male	Assistant Professor	Women's Studies, Liberalization, Women in Farming & Panchayati Raj Institutions, Caste Class and Gender

Support Staff:

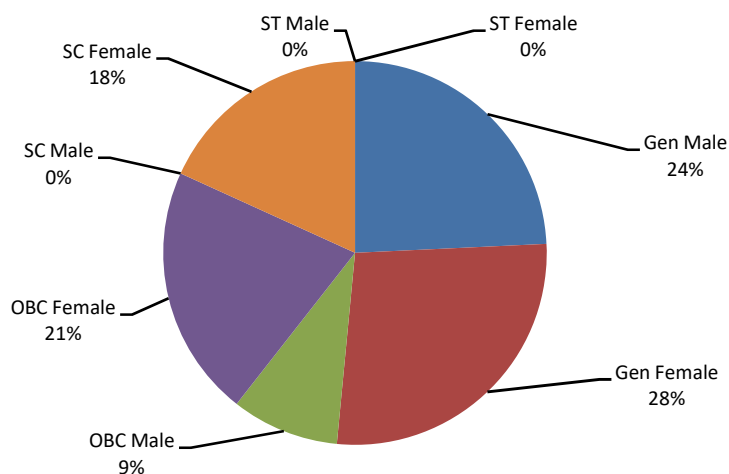

S.No.	Name	Gender	Category	Designation	Work assigned
1.	KP Yadav	Male	OBC	Office Assistant	Office Work
2.	Dheeraj Kumar	Male	OBC	Peon	Office Attendant

2.	Special Lecture on Women in Theatre	March 10, 2020	CWS, AU	Shri Pravin Shekhar, Theatre Artist & Director

Future Projections

- To Run a UG Diploma in Women's Studies (Self-Financed)
- After appointment of Associate Professor in Women's Studies (the post has been advertised) the Centre will engage in interdisciplinary collaborative research.
- The Centre should become a full fledged Department of Women's Studies with full faculty strength of 1 Professor, 2 Associate Professor and 4 Assistant Professor.
- To run Research Journal, Research Project, Research Program (Ph.D) & Post Doctoral Fellowship

Outreach activities

Shri Pravin Shekhar on Women in Theatre

Prof Anuradha Agarwal sharing her views on Women's Day

Prof Kusum Tripathi on Patriarchy & Women's Movements

Mr Gurpinder Kumar on Gender Sensitization Workshop

CENTRE OF VOCATIONAL STUDIES AND SKILL DEVELOPMENT

Introduction:

The Academic council in its meeting held on 27.02.2020 first discussed and resolved to take decisions related to the establishment of a separate Department of Vocational Studies and Skill Development. Later it was decided to create a "Centre of Vocational Studies and skill Development (CVSSD)" and two skill development courses and a B. Voc. Degree course were proposed in first phase. The centre became an Independent Centre of the University of Allahabad in February 2021. At present the centre is running a B. Voc. Degree Programme in Software Development. The objective is to equip the students to cope up with the emerging trends and challenges in Software Development.

Thrust Areas: (Point-wise):

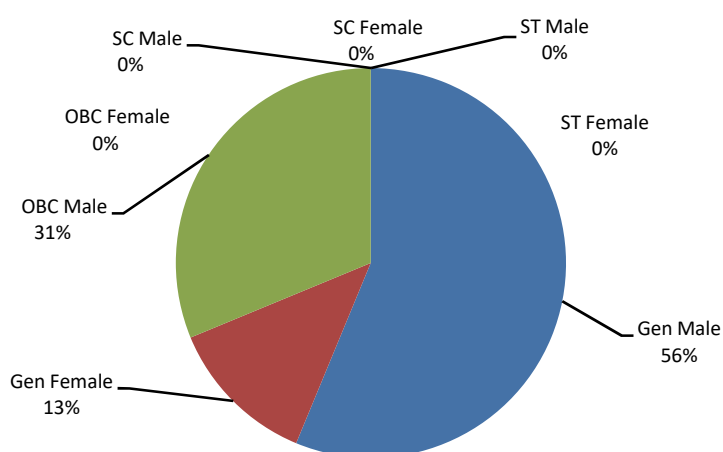

- To train students in the area of software professional and enhance their employability skills

Programmes of Study:

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	B. Voc. (Software Development)	3 years	30	Software Development

INSTITUTE OF PROFESSIONAL STUDIES

CENTRE OF FOOD TECHNOLOGY

Introduction:

Centre of Food Technology was established as one of the centre of Institute of Professional studies under Statute 30(I) (ii) read with section 3(Y) & section 27(L) of the University of Allahabad Act 2005. Centre of Food Technology initiated M.Sc Nutritional Sciences programme in September 2000 and M.Sc. Food Technology programme in July 2002 with the support of the Ministry of Food Processing and Industries (MoFPI) under its “Manpower Development programme”. The Ph.D. programme at centre was started in year 2009. In 2015, UGC has also approved and sanctioned grant for offering B.Voc. Food Processing and Technology programme in linkage with Sector Skill Council of India.

The Centre has been sanctioned MoFPI grant from time to time for setting up and upgrading commercial food quality control laboratory to serve the industry in surrounding areas by providing testing services for quality assurance and food safety. With this support, centre has established a NABL accredited Food Analysis and Research Laboratory for commercial testing of food and water samples. The Centre has also been granted externally funded projects from time to time through various agencies such as UGC, DST, APEDA and UPCAR.

Thrust Areas:

- Providing education and training for creating human resource capacities for the food processing industry, academic and research institutions in the country.
- Upgrading the skills of academicians, research students and entrepreneurs in field of food science and nutrition.
- Basic, applied and adaptive research in areas of post harvest processing, preservation, health foods and value addition.
- Identification of dietary and nutrition problems prevalent among different segments of the population
- Providing analytical services to food industries and research institutes for testing of food and water samples.

Programmes of Study:

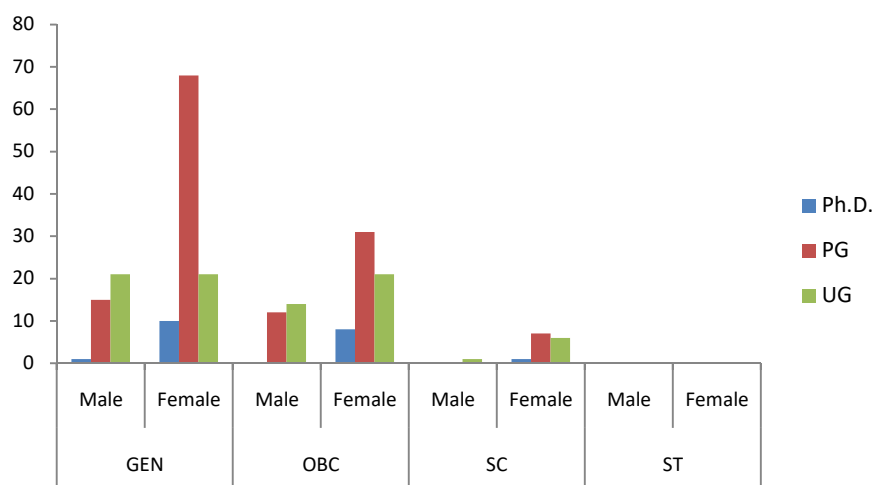

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	3 years minimum (includes course work)	According to the availability of seats with supervisors	<ul style="list-style-type: none"> • Food Technology • Nutritional Sciences

Workshop attended by the Faculty/ Student/ Researcher

S. N.	Name of Faculty Member/Student/ Researcher	Title of Conference/Seminar etc	Duration of the conference/ assignment	Organized by
1	Dr Devinder Kaur Dr Pinki Saini	One week short term course on "Mooc's, E content development and open Educational Resources"	July 23 – 29, 2020	UGC, Human Resource Development Centre, University of Allahabad.
2	Dr. Rahul Agrawal Dr R K Singh	Online training on "Workplace Assessment for Safety and Hygiene (WASH) Standard"	Sep 8, 2020	ZED Division Quality Council of India, New Delhi
3	Zoomi Singh	Workshop on "Advance Biostatistics & Research Methodology"	Nov 23 to Dec 18, 2020.	Institute of Applied Statistics in collaboration with National Institute of Medical Statistics- ICMR & Division of Epidemiology & Biostatistics National Institute of Cancer Prevention Research- ICMR under Dr. Padam Singh Research & Development
4	Devinder Kaur	One week national online faculty development program	April 27 to May 02, 2020	Swami Ramanand Teerth Marathwada University, Nanded

AFST(I) Allahabad Chapter and **Centre of Food Technology** celebrated **National Nutrition Month** from September 1-30, 2020 having a focal theme of **"Eat Right, Bite by Bite"**. Online competitions were organized as mentioned below in which a total of thirteen students have participated:

- 1) Eat More Veggies, have less Worries" -Collage Competition (Sep 7-12, 2020)
- 2) "Nutritional Innovations in Lockdown"- e-poster competition. (Sep, 14-19, 2020)
- 3) "My Pro-plate"- Selfie with High Protein Recipe Contest. (Sep, 21-26, 2020)

Other information (about the Centre)

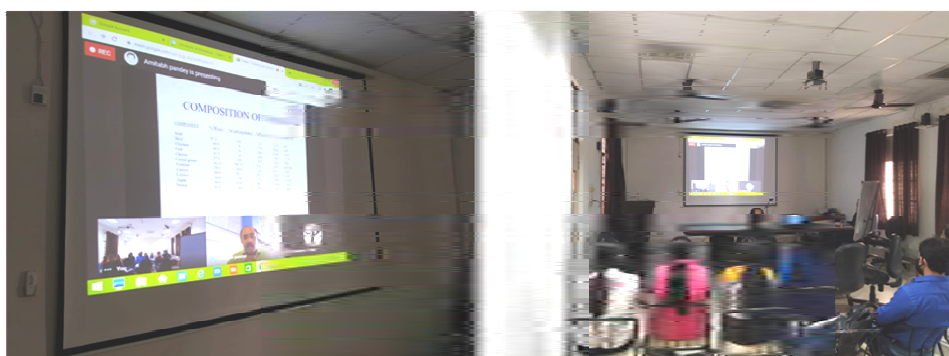

NABL accreditation of Food Analysis and Research Lab of Centre of Food Technology was renewed in Chemical and Biological discipline for Food & Agricultural products and water on 11th November, 2020.

Future Projections of the Center-

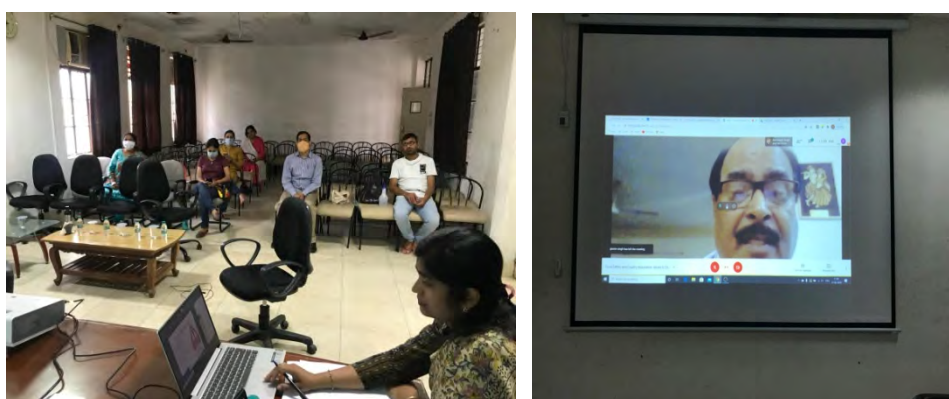

- To strengthen and upgrade Food Analysis lab at the centre
- Upgrade the pedagogy methods by including e-resources like MOOC and PG e-pathshala by UGC; Swayam, NPTEL and Virtual Labs by MHRD, Govt. of India.
- Developing MOU/Linkages for Exchange program with reputed National & International Universities/ Institutes/ food/ wellness industries.
- To strengthen Industry-Academia interactions.
- Enhance external funding through projects/grants etc.
- Setting up of Incubation Centre for Food Processing Entrepreneurs of Eastern Uttar Pradesh.

NABL Certificate

On-line Training cum Workshop conducted by Dr. Amitabh Pandey

Prof H.N Mishra, Dept of Agricultural & Food Engineering, IIT Khargpur delivering lecture in Webinar on “Food Safety & Quality Assurance: Issues & Challenges”

CENTRE OF COMPUTER EDUCATION

Introduction:

The Centre of Computer Education established under IPS in December 2000, is offering BCA, MCA Degrees, PGDCA and D.Phil Programmes in Computer Application. In 2006 the Centre was granted full accreditation by NIELIT (An autonomous body of Dept. of Information Technology, Ministry of Communication & Information Technology, Govt of India, New Delhi) for a period of 6 years to conduct NIELIT 'O' Level computer courses and it is continuing.

The Centre has a number of Computer Laboratories in a networked environment. It also lays equal emphasis on Hardware Training and therefore it has established Digital Electronics Laboratory, Embedded System Design Lab, Digital Communication Lab. and also Robotics Lab.

The Institute regularly provides its laboratory for the conduct of on-line tests by various agencies for campus recruitment of the students by various departments of the university. Further, the Centre helps in the conduct of computer practical examinations of various other courses of the university as well as 'O' Level Examination of NIELIT.

In BCA and MCA Courses the Centre provides a text book each of all the courses in different semesters through the Book Bank facility.

Thrust Areas:

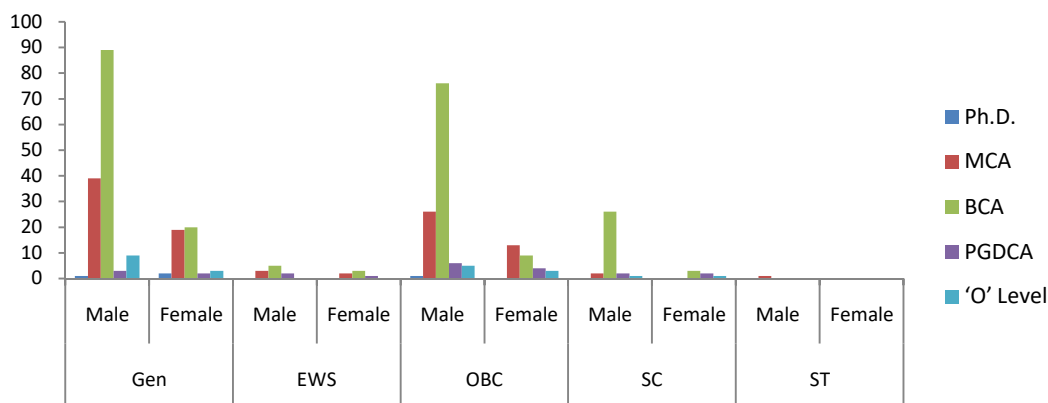

- Training of students towards a career in application software development, testing and maintenance/ as system analyst / Database administrator / as independent software developers or entrepreneurs.

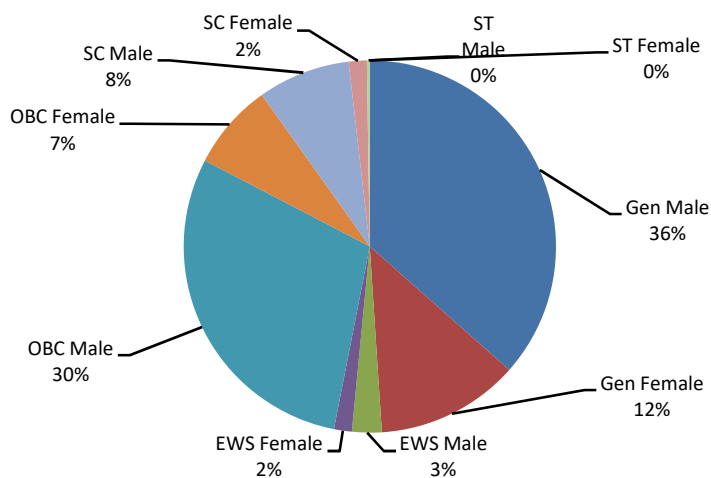

Programmes of Study:

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	3 years (minimum)	--	Computer Application
2.	MCA	2 years (initially 3 years)	50	Computer Application
3.	BCA	3 years	100	Computer Application
4.	PGDCA	1 year	75	Computer Application
5.	'O' Level	1 year	40	Computer Application

2.	Shreya Agarwal	Basics of quantum computing	Refresher Course	3 hours (2 lectures)	UGC-Human Resource development centre, University of Allahabad
3.	Varun Agarwal	Delivering Newspapers Using Fixed Wing Unmanned Aerial Vehicles	Congress on Intelligent Systems	3 days	Springer, Singapore
4.	Varun Agarwal	Attitude Control in Unmanned Aerial Vehicles using Reinforcement Learning – A Survey	Congress on Intelligent Systems	3 days	Springer, Singapore

CENTRE OF MEDIA STUDIES

Introduction:

The Centre of Media Studies was established under the Institute of Professional Studies, University of Allahabad in May 2003. It began with PG Diploma in Photojournalism & Visual Communication in August 2003. The Centre started 3-year degree course B.A. in Media Studies from the session 2009-10, 3-year B.Voc. in Media Studies & 2-Year M.Voc. in Media studies from the session 2015-16 and 3-Year B.Voc in Media Production from the session 2020-21.

The centre continuously evaluates and revises its course curricula so as to effectively meet contemporary challenges thrown up by the fast-changing environment. This enables the effectiveness of the Courses being run by the centre, even in the changed scenario.

Highlights: Centre has adequate facilities, modern class rooms, well equipped computer, Digital Photography & Video Editing Lab, library with Book Bank Facility and well updated Media Research Cell.

Thrust Areas:

- The Centre prepares students for employment in the media industry.
- Media Production: (Print broadcast and online), research, communication, reporting and media handling.
- Writing and production skills either in print, television, radio or Web.

Programmes of Study:

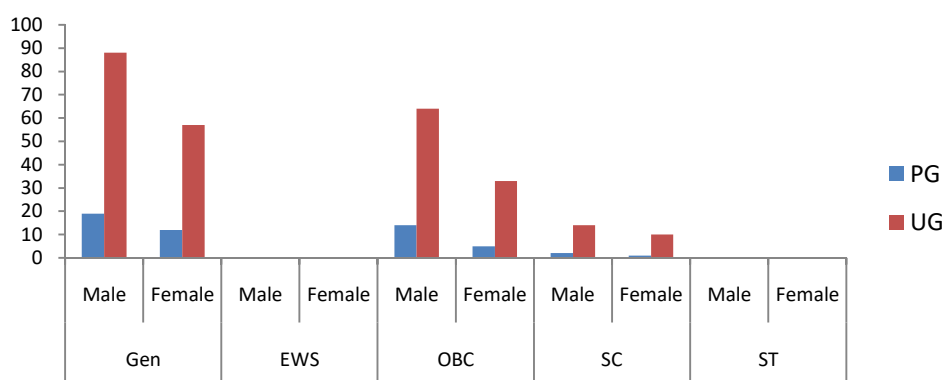

S.No.	Programme of Study	Duration	No. of Seats	Specialization(s)

40.	Dr. Ritu Mathur	Presented Paper on Nagarjuna to Kavitaon me Abhivyakt Raajneeti	15 Days Inter disciplinary faculty development program Sahitya, bhasha, samaj, rajneeti or darshan: antarvishyak sandarbh	Dec 26- Jan9, 2021)	Teaching learning Centre Ramanujan College, University of Delhi
41.	Dr. Ritu Mathur	Presented Paper on Dalit vimarsh: Alochnatmak vishleshan	International webinar Alochna ka loktantra	Feb 13-14, 2021)	Atal Bihari Bajpai University

Other information (about the Centre)

After completion of the course, the students went for internships in various organizations which usually lead to gainful employment in Media Industry. Our students are working with various print, electronic, Broadcast & web media and production houses, to name a few :

In Television : Aaj Tak, News18, Sahara Samay, News 24, NDTV India, ABP News, Zee News, Zee Business, Balaji Films, Lok Sabha TV, DD National, DD Sports, E-TV, India News, MH1, Sony, etc.

In Radio : Red FM, All India Radio

In Print Media : The Times of India, Hindustan, India Today Group, Hindustan Times, Nai Dunia, Punjab Kesari, Amar Ujala, Dainik Jagran, Nav Bharat Times, Dainik Bhaskar, Sahara Times, Rashtriya Sahara, Pioneer, Daily News Activist, Rajasthan Patrika, Compact, I-Next, Delhi Press, Hari Bhumi, Aaj, Revinising, Bindiya, Virat Vaibhav etc.

In Web Media : Lokmat digital, Dept. of Information Technology and Communication Govt. of Rajasthan, FRHI Hotels & Resorts Canada, TV Today Network (Aaj Tak, India Today) Nodia, Jan mudda Web Portal (LKO), India.Com (Noida), Tesu Media Lab (New Delhi), Ad Asia (Noida), Virala India Pvt. Ltd. (LKO)

CENTRE OF FASHION DESIGN & TECHNOLOGY

Introduction:

Centre of Fashion Design & Technology, Institute of Professional Studies, University of Allahabad is the premier institute in U.P providing quality education in fashion design and technology. Housed in a modern 1000 sq. meters building, the Centre has class rooms equipped with multimedia equipments, computer labs, textile lab, garment construction lab, a rich library & in house display/show area. It also has an Entrepreneurship Development Cell, which serves as an incubator for budding designers.

The Centre was started in year 2002 with a one year diploma in fashion designing.

Thrust Areas:

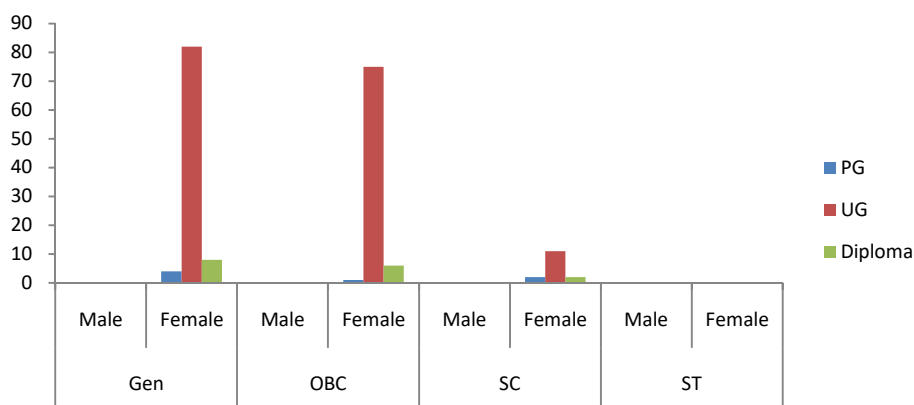

1. Skill Based Education to create professionals for the industry.
2. Revival of craft traditions through new designs to abridge the gap between traditional crafts & consumers.
3. Fabric surface ornamentation & experimentation.
4. Customized designing to meet varied requirements.

Programmes of Study:

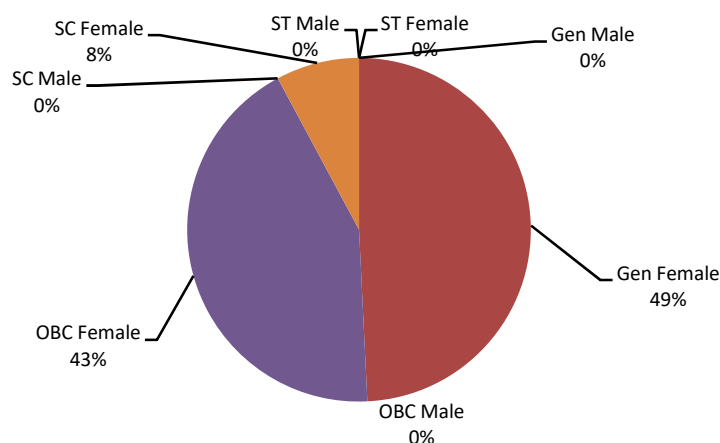

S.No.	Programme of Study	Duration	No. of Seats
1.	MVoc Fashion Design & Technology	2 years	50
2.	B Voc Fashion Design & Technology	3 years	50
3.	B Voc Lifestyle Design	3 years	40

Categorywise and Genderwise distribution of the students

Outreach activities:

S.N.	Name of Faculty Member	Title of the paper presented	Title of Conference/ Seminar etc	Duration of the conference/ assignment	Organized by
1.	Ms. Mitali	As guest speaker -Role of school clusters	Webinar Series On New Education Policy	Sept 02, 2020	Amity University & IASE, Prayagraj
2.	Ms. Anushree Jaiswal	Smart Motherhood Wear-A Solution to the Problem of Maternity Wear (Presented)	International online conference: Advances in Textiles, Fashion and Crafts-ATFC, 2021	March 22-24, 2021	NIFT-Jodhpur, Rajasthan
3.	Ms. K Rashi Kumar	Chaired the 'Technical Session' Literatures From Indian Subcontinent : A review of different dimensions	Three-Day International Seminar on Literatures From Indian Subcontinent : A review of different dimensions	Jan, 8-10, 2021	Department of English, Iswar Saran P.G. College, Prayagraj.
4.	Dr. Shristi Purwar	Invited as a subject Expert	5 days virtual National workshop on Concept Design and Development	Dec 26-30, 2020	Home science college Jabalpur
5.	Dr. Shristi Purwar	Attended online Faculty Development Program	Apparel Design, conducted.	Feb 01-5, 2021	NIT Jalandhar, Punjab
6.	Dr. Shristi Purwar	Presented: Application of Lambani embroidery for apparel designing	International online conference: Advances in Textile, Fashion and Crafts	March 22-24, 2021	NIFT, Jodhpur, Rajasthan
7.	Dr. Shristi Purwar	Presented: Role, Issues and Challenges of MSME's Sector During COVID -19 And Policy Implications in UP	UPUEA conference	March 27-28, 2021	Department of economics, Awad university, Ayodhya

NATIONAL CENTRE OF EXPERIMENTAL MINERALOGY AND PETROLOGY

Introduction:

The National Centre of Experimental Mineralogy and Petrology (NCEMP) is a research institute of the University of Allahabad. The main aim of the NCEMP, UoA is to conduct high pressure-temperature experimental studies pertaining to the Earth, its interior and planetary materials. Various experiments for the synthesis of glasses, minerals, rocks and super hard materials, measurement of conductivity and seismic velocity in rocks, phase transformations in minerals, and rate of ascent of magma, etc. are routinely conducted using sophisticated high P-T facilities.

There are different types of High P-T equipments available, such as Walker-type Multi-Anvil High Pressure-Temperature (2.5 to 25 GPa; up to 2000°C) apparatus, Piston-Cylinder (1-4 GPa and up to 1500°C; Boyd and England type) equipment and externally heated Tuttle-type hydrothermal apparatus (up to 4 kb and 1000°C). High temperature (Super Kanthal 33) can attain up to 1700°C for short duration experiments and can continuously work at 1600°C for longer duration under atmospheric pressure. The NCEMP has sophisticated analytical equipments such as Electron Probe Micro Analyzer (Jeol JXA 8100 Superprobe), Phillips Pananalytical X'Pert High Score Powder XRD equipment, a Bruker Alpha (Germany) infrared spectroscopy instrument with ATR spectrophotometer (4000–500 cm⁻¹ under ~ 24 °C and 1 atmospheric pressure) for material characterization and a thermal conductivity measurement instrument. It also has a well-equipped workshop and other sample processing facilities. The Centre has facilities for the study of gemstones and synthesis of advanced novel materials such as sol-gel synthesis, melt quenching, hot press and ball milling techniques etc.

Thrust Areas:

- Experimental Mineralogy and Petrology
- Study, synthesis and characterization of Earth Materials.

Faculty Member and Engineer/Scientists and their Area of Research:

S. N.	Name of Faculty and Scientists	Gender	Category	Designation	Area of Specialization
1.	Professor Jayanta K. Pati	Male	GEN	Director	Terrestrial Impact Cratering Research, Study of Planetary Analogues, Geology of Archean Bundelkhand Craton, Experimental Mineralogy and Petrology and Gemology
2.	Dr. Mrigank M. Dwivedi	Male	GEN	Engineer	Experimental Mineralogy and Petrology
3.	Dr. Kamlesh Pandey	Male	GEN	Scientist-B	Nano-polymer Physics

Support Staff:

S. N.	Name	Gender	Category	Designation	Work assigned
1.	Alka Gupta	Female	OBC	Technical Assistant	Works related to the laboratory and office
2.	Dinesh K. Jaiswal	Male	OBC	Laboratory Assistant	Works related to the laboratory
3.	Ramchandra	Male	SC	Laboratory Attendant	Works related to the laboratories

Details of Awards/Honours/Fellowship received:

S.N.	Name of Faculty Member/Student who received award	Name of the award	Organization conferring award
1.	Prof. Jayanta Kumar Pati	National Coordinator (Planetary Science)	36 th International Geological Congress (36 th IGC-2020), Ministry of Earth Sciences, Govt of India
2.	Prof. Jayanta Kumar Pati	Field Trip Coordinator (Code: NR 001; Title: Dhala Structure, India-a complex	36 th International Geological Congress (36 th IGC-2020), Ministry of Earth Sciences, Government of India

Outreach activities:

S. N.	Name of Faculty Member/ Student/ Researcher	Title of the paper presented	Title of Conference/ Seminar etc.	Duration of the conference/ assignment	Organized by
1.	Mohammad Arif, Shiva Kumar Patil, Jayanta Kumar Pati, Sumit Misra	Anisotropy of magnetic susceptibility of target rocks and impactites from Dhala impact structure, India	52 nd Lunar and Planetary Science Conference - 2021	March 15-19, 2021	Lunar and Planetary Institute and NASA, USA
2.	Anuj Kumar Singh, Shivashu Dwivedi, Dhananjay Mishra, Jayanta Kumar Pati.	Role of Pre-impact regional fabrics in controlling the final shape of the Dhala structure, India	Indian Planetary Science Conference – 2021 (IPSC-2021)	Feb 25-26, 2021	Physical Research Laboratory (PRL), Ahmedabad, Gujarat, India
3.	Abhishek Kumar Rai, Jayanta Kumar Pati, Giorgio S. Senesi, Maveria Usmani	Laser-induced breakdown spectroscopy (LIBS) study of impactites and related rocks from Lonar Crater, India-An ideal terrestrial analogue	Indian Planetary Science Conference – 2021 (IPSC-2021)	Feb 25-26, 2021	Physical Research Laboratory (PRL), Ahmedabad, Gujarat, India
4.	Jayanta K. Pati, Anuj Kumar Singh, Ashish Chandra Shukla, Kuldeep Prakash	Clast-size analyses of impact melt breccia from the Dhala Structure, India: A microscopic to mesoscopic scale investigation.	36 th International Geological Congress (36 th IGC-2020)	2020	Geological Survey of India, Ministry of Mines and Ministry of Earth Sciences, Indian National Science Academy and Science academics of Bangladesh, Nepal, Pakistan and Sri Lanka.
5.	Anuj Kumar Singh, Jayanta Kumar Pati, Mrigank Mauli Dwivedi, Kuldeep Prakash	Experimental study of Lonar impact melt samples and its significance	36 th International Geological Congress (36 th IGC-2020)	2020	Geological Survey of India, Ministry of Mines and Ministry of Earth Sciences, Indian National Science Academy and science academics of Bangladesh, Nepal, Pakistan and Sri Lanka.
6.	Abhishek Kumar Rai, Jayanta Kumar Pati	Laser Induced Breakdown Spectroscopic studies of Planetary analogues	36 th International Geological Congress (36 th IGC-2020)	2020	Geological Survey of India, Ministry of Mines and Ministry of Earth Sciences, Indian National Science Academy and Science Academics of Bangladesh, Nepal, Pakistan and Sri Lanka.
7.	Munmun Chakarvorty, Jayanta Kumar Pati	Mineralogical disparity in suspended particulate matter from Indo-gangetic plain : A seasonal alteration in dust deposits	36 th International Geological Congress (36 th IGC-2020)	2020	Geological Survey of India, Ministry of Mines and Ministry of Earth Sciences, Indian National Science Academy and science academics of Bangladesh, Nepal, Pakistan and Sri Lanka.
8.	Duttanjali Raut, Mruganka Kumar Panigrahi, Jayanta Kumar Pati	The Bundelkhand 'giant Quartz Reef' System : A Possible Ancient Granitoid Hosted Geothermal System	Goldschmidt Conference 2020	2020	The Geochemical Society, USA and the European Association of Geochemistry

Other information (about the Center):**Keynote/Invited Speaker/Session Chaired****Professor Jayanta Kumar Pati**

- Chaired a Session (Session 3: Terrestrial Planets - Geology and Surface Processes; 25-02-2021) at Indian Planetary Science Conference (IPSC-2021; 25-26 February, 2021), Physical Research Laboratory, Ahmedabad.

Dr. Kamlesh Pandey

- A National webinar on Smart Materials for Future Application, 16-17 June 2020, Department of Physics, Teerthankar Mahavir University, Moradabad (India).
- National Conference on Material and Device, 18-19 December 2020; Department of Physics, Teerthankar Mahavir University, Moradabad (India).
- International Webinar on New Research trends in Functional Physics, 1-4 July 2020, Department of Physics, AKS University, Satna (India)

DESIGN INNOVATION CENTRE

Introduction:

Design Innovation Centre (DIC), University of Allahabad came into existence under the leadership of Hon'ble Vice Chancellor. Design Innovation Centre is working with Design Innovation Centre IIT-BHU as spoke partner under MHRD initiative program. The Centre is engaged in innovative ventures under an overall coordination of Prof. R. K. Singh. DIC center has started working on two broader areas with two DIC Project Coordinator Dr. Awadh Bihari Yadav, Center of Biotechnology and Dr. Rohit Mishra from Center of Science and Society.

Thrust Areas:

- Nanobiotechnology Based Therapy & Bio-Entrepreneurship (NBTB)
- Rural Innovation Centre (RIC)

With following objectives keep in mind as mentioned below:

- To provide awareness in the society through seminars, short time training, workshops and conferences.
- To provide a place where students bring out their innovative idea from the classroom to lab and pursue with great enthusiasm.
- Making candidates aware of major sources of intellectual property for technology development and manufacturing ventures.
- To facilitate partnerships and interdisciplinary collaborations with industry as well as academic institutes and research laboratories worldwide working on the same problem with diverse field expertise.
- To offer consultancy services to the industry institutes/organizations/other stakeholders.

Details of Seminars/Webinars/Workshops/Conferences conducted by the Centre:

S. No.	Name of the Seminar/workshop/conference	National / International	Duration and dates	Funding/sponsor Agenc(y/ies)	No. of Participants	No. of Papers presented
1.	Zero Budget Gou Adharit Prakritik Kheti	National	One day Nov 08, 2020	DIC IIT BHU MHRD Project	50	Lead lectures
2.	Natural farming and conservation of indigenous Cow breed	National	One day Feb 19, 2021	DIC IIT BHU MHRD Project	50	Lead lectures
3	Online Coronavirus Disease (COVID-19) Awareness Quiz Program	National	May 25-29, 2020	DIC, MHRD	7160	Awareness program

Training/orientation/refresher courses/special lectures conducted by the Centre:

S. No.	Name of the course	Duration and dates	Funding/sponsor	Speakers
1.	Role of ISRN for Rural Entrepreneurship	Nov18, 2020	DIC IIT BHU MHRD Project	Shri Santosh Gupta, CeO, ISRN, New Delhi
2.	Eco-brick for Sustainable Environment	Nov 18, 2020	DIC IIT BHU MHRD Project	Shri Krishna Mohan, Coordinator, Sustainable Environment Programme Prayagraj.
3.	Regulations regarding Sanitary and Phytosanitary products	Feb 22, 021	DIC IIT BHU MHRD Project	Prof. Ramesh Singh, Sardar Vallabh Bhai Patel Agricultural University, Meerut

Details of Awards/Honours/Fellowship received:

S. No.	Name of Faculty Member who received award	Name of the award	Organization conferring award
1.	Dr. Rohit Kumar Mishra	Expert Member	UGC DRS SAP-III at Department of Business Administration Sardar Patel University, Vidyanagar, Gujrat

Funding received during the period (amount/purpose/agency) to the Centre

S. No.	Agency	Purpose	Amount
1.	DIC BHU MHRD	Conference, Seminar, training workshop and design Project	8.0 lakh

Other information about the Center

Prototype and Product Design:

- **Launched herbal Hand Sanitizer (SPARSH)** against COVID-19 Pandemic under Rural Innovation Centre, DIC IIT-BHU sponsored MHRD project on dated 28.05.2020. The centre also developed pedal dispenser with the theme of “*BEST FROM WASTE*” and distributed to the officials of University of Allahabad as per the Registrar letter no. 05/R/359/2020 dt. 09.07.2020.
- **V Safe Cabinet:** V safe is UV based sterilization cabinet, which can be used for sterilization of daily use cloth to get rid of virus and bacteria. Two UV-C lamp tube is fitted with optimum uniform UV light intensity across the cabinet to get optimal sterilization of cloths. This cabinet is equipped with timer, which controls UV light exposure time and can be set for different exposure time according to need. This cabinet have safety feature to protect from exposure to UV light to the user. This cabinet is fabricated using standard steel sheet, there is no chance of UV light leakage. The dimension of cabinet is 18 x 27 x 48 cm (Depth x width x Height).
- Certificate distribution of Innovative Idea Writing Competition to the students of Department of Home Science and Department of Zoology, University of Allahabad on the occasion of Yuva Diwas at Centre of Science and Society, University of Allahabad, Prayagraj-211002

Prototype and Products:

Fabrication of Sanitizer Dispenser by Center of Science and Society under DIC Project

Sanitizer Sparsh formulated for Under DIC Project by CENTRE OF SCIENCE AND SOCIETY, UoA

V Safe Cabinet for daily use cloth and file sterilization Design by Center of Biotechnology and inaugurated by Hon'ble Vice Chancellor University of Allahabad.

GOVIND BALLABH PANT SOCIAL SCIENCE INSTITUTE

Introduction:

The Govind Ballabh Pant Social Science Institute became a Constituent Institute of the University of Allahabad on July 14, 2005, when the University of Allahabad Act, 2005 came into force. Previously it was established as Indian Council of Social Science Research (ICSSR) set up in association with the State Governments. The Institute undertakes interdisciplinary research in the field of social sciences.

The main areas of research at the Institute include development planning and policy, environment, health and population, human development, rural development and management, culture, power and change, democracy and institutions.

The Institute has M.Phil and D.Phil in social sciences and a MBA Rural Development Programme. In both programmes the degree is awarded by the University of Allahabad.

Thrust Areas:

The Institute research is now focusing on the following three areas:

- Economic and Social Policies and strategies
- Culture, Politics and Society
- Democratic Processes and Institutions

Programmes of Study

S. No.	Programme of Study	Duration	No. of Seats	Specialization(s)

STUDENTS' WELFARE ACTIVITIES

MAJOR ACTIVITIES

The year 2020-2021 marked with the DSW set up making tangible gains by way of consolidation and giving thrust to its major initiatives. Better amenities, larger financial allocation in assistance to students, better healthcare, hygiene, sporting activities and, the last but not least, the hard fought and won peace and tranquility in hostels and the campus have been the cornerstone of the multifaceted activities of the preceding year. Progress and development have been at the core of DSW and his team endeavors. Here are some of the modest successes achieved through sustained team spirit and camaraderie to which the DSW Board with Asstt. DSWs, faculties, officers, staff, and students have contributed immensely.

Scholarship and financial assistance to the students by the DSW office

- Disbursal of Rs. 20,00,00/- as scholarship to poor though meritorious students under the Govt. of India sponsored 'Merit-cum-Means' based Scheme. The scholarship awarded to 323 students of UG/PG/IPS/Professional courses @ Rs. 5000/- per student for a session. For the session 2020-21, 323 eligible students were awarded McM scholarship.
- Financial assistant for the purchase of books to the poor students out of **Poor Boys Funds** account. For the session 2020-21, 410 eligible students were awarded for financial assistance. Financial assistance was also given to students of different units of the University for organizing their annual functions.

Welfare Measures (General)

Health Facilities of Students:

- University Health Centre is running for the medical welfare of students and employees of the University under the supervision of Senior Medical Officer. Homoeopathy doctor, lady doctor, para-medical staff and two ambulance facilities are also available for students welfare. This facility is available on 24x7 hrs.
- **Travel Concession**-Travel assistance is provided to the students in different modes by Indian Railway for participation in Inter University sports tournaments, Departmental educational tours, Concession for home town travel and monthly seasonal ticket etc.

Welfare of Physically challenged students.

- Differently-abled persons require special aids and appliances for their daily functioning. Jawaharlal Nehru Centre for Differently abled Students established in 2009 is the nodal Centre for facilitating and supporting academic and digital inclusion for the differently abled students of the University. In the session 2020-2021, it continued to provide the necessary academic resources for the students. The Centre is equipped with computers, scanners, several screen reading software's (specially meant for visually challenged) etc. The centre is actively involved in facilitating the admission of students in the hostels for the visually-challenged students run by the State Government. The differently abled students are given priority in admission in University hostels and are also accommodated in State Government hostel through the efforts of the centre.
- **Admission of physically challenged students**- DSW office is continuously working with the Director, Admissions to facilitate physically challenged candidates to get admission in different courses of the University (UG+PG+Law+Professional courses) by organizing medical boards for examining disability of the candidates seeking admission under physically challenged category, and recommend genuine candidates for admission

Mental Health Board (MHB) - MHB is a group of faculty members under the chairmanship of Prof. K.P. Singh, DSW and Senior Medical Officer and Head, Department of Psychology, UoA provide advice and solutions to mental health issues, wellness program and counseling of students. The MHB also works to fight stigma around mental health and educate students about mental health and wellness considering the Covid-19 protocol.

Students Activity Centre (SAC)—Student Activity Centre (SAC) of the university will create opportunities to more readily connect students with their peers, mentors and support systems, so our entire community can come together to nurture the hearts, minds and wellness of the hands we're putting our future into. Our young generation will network with their future employees, deepen their relationships with faculty and staff and form some of the best memories of their campus life. The basic idea of SAC is to build a place, within the heart of campus, where young people feel safe, included and inspired to share and shape ideas that may become the solutions for our world needs. The centre is equipped with state-of-art facilities like library, reading room, indoor sports facility, meeting cum mini conference hall, cafeteria and open Gym.

NSG Policy for students –There has been several cases of students' exigencies in terms of general and life threatening diseases etc. At times the financial assistance is not sufficient and some of the students belonging to weak economic background are unable to meet the cost of the exigency. The university was also unable to access the large sums sometimes required for this purpose therefore the students are provided insurance cover under **Nagrik Suraksha Group Policy** from Oriental Insurance Company Ltd. initiated and executed by DSW office. This policy will cover an accidental claim up to **05 lacs** on death and up to 04 lacs on hospitalization for 24 hrs with due information to DSW office and company.

International Yoga Day- On 21st June, 2020. International Yoga day was organized in which Hon'ble Vice Chancellor, University officers, teachers, employees and students participated through online mode from their home. Only limited number of faculty and staff performed in the campus maintaining social distancing and proper masking as preventive measures.

Pink Toilet with Common Hall – Pink toilets are more than just about the shade of the paint on these toilets. Meant for only women, these toilets do more than provide privacy to women in the campus. The student welfare initiative made by DSW office to provide a pink hall and a pink toilet to facilitate female students of Allahabad University (AU) in the session 2020-2021 became operational. Three pink toilets have been constructed with a big hall attached to it accommodating more than 100 students at a time. The hall is built over an area of 1,200 sq feet, adjacent to the music and performing arts department in faculty of arts. It is a central facility available for all female students of the University of Allahabad. The hall has proper seating facility along with Hindi and English newspapers, mobile charging hub and RO-fitted water cooler. Furthermore, two more pink Toilets-cum-common hall facility for girl students in faculty of science and Arts will become operational soon.

CAB Compliance - Hand sanitization and thermal screening have been made mandatory at all key points, including at hostels, special centres, and in administration building. All the students have been appraised about the proactive efforts of the DSW office in undertaking the efforts to promote and comply with Covid Appropriate Behavior (CAB).

Massive Sanitization Drive – DSW office made its initiative to provide masks, sanitizer, face shields, gloves. to the staff and faculty members with the help of university administration. All hostels are sanitized regularly to face the menace of the Covid pandemic. All University hostels have developed their own facility for regular sanitization.

Corona Virus Test Camp – DSW office of the University had organised a Covid testing camp on its campus with the help of the district administration for all faculty members, staff and students of the university on 18 September 2020.

List of hostels and their intake capacity

S.N.	Name	Type	Intake capacity	No. of Students Residing
1.	Dr. A.N. Jha	Boys	160	155
2.	Sir G.N. Jha		169	145
3.	D. J. hostel		136	132
4.	Sir P.C.B. hostel		262	262
5.	S.S.L. Hostel		260	252
6.	Dr. SRK hostel		282	282
7.	Dr. Tara chand		291	281
8.	Shatabdi Boys		135	134
9.	International Hostel		073	024
10.	<i>Priyadarshini</i>	Girls	354	353
11.	<i>Sarojini Naidu</i>		203	192
12.	<i>Shatabdi Girls</i>		201	195
13.	<i>Hall of Residence</i>		259	259
14.	<i>Mahadevi Verma</i>		100	100
15.	<i>Kalpna Chawla</i>		124	124

The internet Wi-Fi facility of all the hostels of the University was upgraded.

- Installation of water cooler with purifiers to ensure supply of safe drinking water for the residents of the hostels and students at large on the campuses.
- One **new International Hostel** of 36 single seated room capacity for foreign students is in advance stage of completion.
- One **new girls Hostel** of 124 seats capacity in under construction is in advance stage of completion.
- One **new Boys Hostel** of 224 seats capacity in under construction is in advance stage of completion..

Measures to enforce discipline, law and order in the Hostels and the Campuses

- **Anti-Ragging Cell**—It monitor/redress the menace of ragging in hostels and campuses. Teams go for massive surprise checks regularly and succeeded in containing incidence of ragging. The members of anti ragging cell are:

Anti-Ragging Cell (for Male students)

1. Prof. I.R. Siddiqui, Chemistry Dept.
2. Dr. Rajesh Garg, Hindi Dept.
3. Dr. P.S. Pundir, Statistics Dept.
4. Dr. A.C. Pandey, Commerce & Business Administration
5. Dr. Roshan Lal, Law Dept.

Anti-Ragging Cell (for Female students)

1. Dr. Neetu Mishra, Home Science Dept.
2. Dr. Akankha Singh, Education Dept.
3. Dr. Amrita , Hindi Dept.
4. Dr. Sudha Tripathi, Hindi Dept.
5. Dr. Saroj Yadav, Campus Incharge, WCC

- Periodic raids/strict vigilance of combined teams of DSW/ Proctorial board and Warden/Superintendent of the hostels carried out to evict anti social elements/ students with criminal records.

Meditation/Yoga and health check up camps are organized in the hostels & University Health Centre in collaboration with prominent NGOs. Regular Health check-up camps for girl students is organized to help the students to address the health issues with special assistance and advice.

Corona Virus Test Camp during September 2020 by DSW office

JAWAHARLAL NEHRU CENTRE FOR DIFFERENTLY ABLED STUDENTS

Jawaharlal Nehru Center for Differently -Able Students (JNC DAS) was established in 2009 during the Eleventh Plan. Only a few Universities/colleges in India have such a facility for the differently-abled students. It is an enabling unit for the differently-abled/ *divyang* students. Significantly, the Coordinator of JNC DAS was also made the Chairman of Equal Opportunity Cell in 2016 and this gave an even greater help to the Center in mainstreaming the issues of the differently abled students of the University.

In 2020-21 25 students were enrolled with it. The Center has a computer lab with e-books as well as screen reading software like NVDA for the visually challenged persons. Several e-books were added to the center's existing learning resources which consist of more than 400 e- books in 12 different subjects.

Like last year more than 30 students got accommodation in State Government Hostel (Rashtriya Uchha Siksha Adhyanrat Dhristibadhit Chatravas) especially designed for the *divyang* students. Grievances were promptly redressed. There was an ongoing process to distribute mobility and assistive devices to students.

During 2020-21 the facilities of the Computer lab continued to be provided. Several students associated with the Center got success in acquiring JRF, National Fellowship for the Physically Challenged, NHFDC and other prestigious fellowships and scholarships. The University has initiated the procedure for carrying out the Access Audit of its buildings that will also comprise the estimated cost required to make changes (if any) for making the campuses barrier free. According to the ICT cell of the University the new website of the University is mostly in compliance with the prescribed guidelines as far as access to the differently abled to it is concerned. A few remaining accessibility gaps are also being sorted out.

An important development on 2020-21 was that the Hon'ble Vice Chancellor constituted an internal committee comprising of the teachers, staff, student and parents to look after needs of differently abled persons of University of Allahabad. In particular the committee was entrusted to take care of day-to-day needs of differently-abled persons as well as of the implementation of schemes. Its members from the staff (teaching and non teaching) are:

1.	Prof. Alok Prasad, Co-ordinator of Jawaharlal Nehru Center for Differently Abled Students.	Chairman
2.	Dr. Hemraj Dogra, Department of Hindi, University of Allahabad.	Member
3.	Dr. Rajeev Giri, Department of Material Science, University of Allahabad.	Member
4.	Dr. Neetu Mishra, Department of Home Science, University of Allahabad.	Member
5.	Dr. Himanshu Srivastava, Department of Commerce, University of Allahabad.	Member
	Non- Teaching Staff	
6.	Shri Rajeev Gupta, Deputy Registrar, University of Allahabad.	Member
7.	Shri Satish Chandra, Senior Assistant, Department of Political Science, University of Allahabad.	Member

Computer lab with e-books as well as screen reading software facility in the Centre

NATIONAL SERVICE SCHEME (NSS)

Introduction

It is a central scheme run by the Ministry of Youth Affairs and Sports, Government of India. It aims to provide opportunities for all young students to participate in community service activities and programs. The sole objective of the National Service Scheme is to provide young students with experience in providing community service.

Thrust Areas

National Integration Camp: National Integration Camp (NIC) is organized every year and the duration of each camp is seven days with day and night boarding and lodging.

Adventure Programs: These programs are organized every year in which about 1500 National Service Scheme volunteers participate, out of which at least 50% volunteers are girls. These camps are organized in the North East region, Arunachal Pradesh and Himalayan region.

Republic Day Parade Camp : This camp is held every year from 01 to 31 January in Delhi. This NSS team also participates in the Republic Day parade at Rajpath in New Delhi.

National Youth Festival: National Youth Festival is organized every year from 12 to 16 January by the Ministry of Youth Affairs and Sports, Government of India in collaboration with the State Governments in different parts of the country.

Programme of Study

NATIONAL CADET CORPS (NCC), UNIVERSITY OF ALLAHABAD

The National Cadet Corps (NCC) is a youth development movement. It provides opportunities to the youth of the country for their all-round development with a sense of duty, commitment, dedication, discipline and moral values so that they become able leaders and useful citizens.

NCC Units of University of Allahabad

To give opportunity to the students, University of Allahabad has opened 4 NCC units. With the view to give opportunity to more girls for opting NCC, University of Allahabad has opened 6 UP Girls Bn NCC exclusively for girls' cadet in June 2016. A group of 17 students became a part of this organization under the supervision of Associate NCC Officer Lt. Dr. Neetu Mishra in August 2016. From 2016 to 2020 number of enrolled students rose from 17 to 53 (Currently, 20 Cds in first year, 11 in Second year and 22 in third year).

S. No.	UNIT	Associate NCC Officer/Designation and Department	Year Of Establishment	No. Of Cadets
1.	6 UP Girls (Exclusive Girls Bn)	LT. Dr. Neetu Mishra, Associate Professor & Head, Department of Home Science	2016	53 All Girls
2.	1/15 UP (Mixed Bn)	LT. Dr. Munish Kumar Pandey Assistant Professor, Department of Biochemistry	1970	152 Boys 101 Girls 51
3.	2 UP ARTILLERY BATTERY (Mixed Bn)	LT. Dr. Raju Parghi Assistant Professor, Department of English	1956	200 Boys 145 Girls 55
4.	1 UP NAVAL (Mixed Bn)	LT. Dr. K. Bhima Kumar, Assistant Professor/ Dr. Raju Gajula (CTO) Assistant Professor, Department of Hindi	1950	50 Boys & Girls

The Cadets in NCC are the students from graduation and postgraduation of various faculties as Arts, Commerce, Science and Law.

Achievements

- NCC Cadet Priyanshu Singh (2 UP ARTY BTY, UoA) got selected in National Defence Academy (NDA).
- NCC cadet Priyanshi (2 UP ARTY BTY, UoA) got selected in Youth Exchange Programme (YEP). She is one among 100 NCC cadets all over India to visit one of the 11 countries that has tie up with NCC.
- 15 UP NCC BN: This year in "C" certificate examination cadets are 100% passed, out of which 40% of the cadets i.e. 14 Cadets have scored "ALPHA" Grade.
- 15 UP NCC BN: In the "B" Certificate Examination 99% of cadets are passed, out of which 47% of cadets i.e. 27 Cadets have scored "ALPHA" Grade.
- 15 UP NCC BN: Shreesh Tiwari, Son of Hav. Krishna Chandra (Retd.) Cleared UPSC CDS 2 2020 written examination with Army (IMA) as my first choice and thereafter cleared the Intelligence and personality test from Allahabad. He is recommended by 11 SSB for IMA-151 course and also declared fit to join the prestigious Indian Military Academy.

INTERNATIONAL STUDENTS ADVISOR'S OFFICE

Mission and Objectives

The Mission of the University of Allahabad is to be a global, socially conscious Center of Excellence In the conservation, creation, advancement and dissemination of knowledge, equipped to take up challenges and committed to empower its faculty and students to contribute meaningfully to economic, technological, social development and progress. In order to have a global outreach, the University is committed to advance the same facility to International Students and impart quality education to them as well.

The University through its International Students Advising and Services (ISAS) will continue to play a major role globally in the field of higher education, by seeding new ideas and creating knowledge, play a and by imparting high level of training with values and social commitment to all its International Students. Since its inception as a Central University, the University has reaffirmed to live up to these ideals. We believe that the University is responsible not just for imparting knowledge, but for disseminating knowledge in society, so as to build a better Society at national and international levels in future: International

Present Student Advisor & Board

Prof. A.R. Siddiqui, HOD, Geography

The University has a separate International Students Advisory Board under the International Student Advisor to advise and facilitate the International Students

International Connection

The University stands for humanism and tolerance, for reason, for adventure of ideas and for the search for truth. It stands for the forward march of the human race towards ever higher objectives. The Universities proposes to discharge its duties adequately, and aspires to provide the following facilities to its International Students:

- Single Window Services
- Networking
- Interfacing
- Wireless connectivity
- Innovation
- Interaction
- Competitive and Affordable Education.

With a view to assist international students, University has established an International Students Office in the University campus. The University of Allahabad model for Internationalization of Higher Education has these unique features:

- In the age of globalization, the University has set out to make its presence felt globally through internationalization of its programmes and opening new avenues of association for global student community
- With the approval of UGC and the Central Government, the International Student Advisors Office of the University proposes to have a number of MOUs signed with leading Universities whereby sharing of the facilities in the university and exchange of Faculty and students can be made possible.
- Besides looking after admissions and eligibility, the Office of the International Student Advisor coordinates with ICCR, Ministry of External Affairs, different embassies and consulates for various purposes including grant/award of Scholarships.

Hostel Accommodation Facility:

The University maintains a separate boys' hostel for International Students and female students are accommodated in 18 separate girls hostel. Very soon, the University of Allahabad with the support of the Ministry of Human Resource Development (HRD), Government of India will construct a new hostel for accommodating 158 students with separate state of the art self sustained apartments adjacent to the present International House.

Sponsored Student Programs

The Sponsored Student Program is a part of International Student Advising and Services (ISAS) at the University of Allahabad with the specific goal of assisting sponsors and sponsored students by:

- Supporting the academic goals of sponsored students and their sponsors.
- Providing records of student's academic standing when requested.
- Facilitating communication between students and sponsors to help with financial and administrative questions.
- Working with the Sponsoring Agencies as well as the Foreign Registration Office to answer sponsored students' questions and to help students in maintaining and understanding their immigration status.

Services for Sponsored Students

- A special orientation session for sponsored students.
- Help with providing medical facilities when required. Facilitation is given to Sponsored Students to avail medical insurance, if the student desires.
- Help sponsored students communicate with Academic Departments, and Sponsoring Agencies.
- Reminders for students with expiring financial guarantee/support letters.

Services for the Sponsor:

- A special orientation session for sponsored students.
- Student transcripts to show academic standing upon request.
- Special campus meetings for sponsors to meet with their students.
- Manage Financial Guarantee for Sponsorship

Activities of the International Student Office

The University of Allahabad attracts a large number of foreign students in comparison to other Indian Universities. Apart from offering a multi-cultural and inter-disciplinary learning environment, one of the main reasons for studying in Allahabad is the manageable cost of wing and a favorable environment for education, currently, we have around 100 students from over 15 countries studying at the University and its affiliated colleges.

The International Students Office of the University of Allahabad assists the International Students Community, in acquiring information about the various courses, collages tuition fee structure, eligibility, accommodation, health insurance and the accommodation offered by the University. The International Student Office administers the special over and, above quota of International Students, created jointly by the Ministry of External Affairs and Ministry of Human Resources and Development (MEA & MHRD) Government of India. The International Student Office acts as the nodal agency that coordinates all the activities related to the admission of International Students, provides facilities through a unique single-window system. Apart from handling the admissions and eligibility procedures, the International Student Office coordinates with the Indian Council for Cultural Research (ICCR), Ministry of External Affairs and Ministry of Human Resources and Development (MEA & MHRD) and with different Embassies and Consulates for various purposes including getting scholarships as well as in administering MoU's with International Partners of higher education. The International Student Office acts as a liaison between the students, the various Departmental Heads, and the Heads of Colleges and Institutions affiliated under the University of Allahabad as well as the Heads of Chancery, Embassies, Consulates, their educational counselors and their educational wings, throughout the world or with any other agencies of the Government of India or the Government of other countries.

PROCTOR OFFICE

1. To maintain the dignity, discipline, peace and order in the university campus and the surrounding area, 24x7 focused security cell was formed by the Proctor, under which every effort has been made that the students can live in a friendly environment.
2. After the admission work, about 22500 (two thousand five hundred) regular and ex-students of all classes were issued new identity cards.
3. In the last session, about 1200 students were given character certificates.
4. The entrance examinations and admission work conducted by the university in undergraduate/postgraduate and all other courses were completed peacefully with the wide cooperation of the proctorial board.
5. The Proctorial Board members thoroughly checked the students at the examination centres during the annual and all the main examinations conducted by the University. The remaining exams were postponed due to the COVID-19 pandemic.
6. Totally curbed ragging as directed by the Supreme Court:
 - (a) Anti-ragging committees were formed in each faculty and hostels.
 - (b) The names and mobile numbers of the members of the Anti-Ragging Prevention Committee were displayed through posters in all the departments and hostels of the University.
7. A special women's cell has been constituted by the Registrar's office, especially to listen to the problems of the girl students and to solve them, in which the women members of the proctorial board are active, who fulfill their responsibilities from time to time.
8. About 25 show cause notices, 08 suspensions and 13 FIRs were lodged at Colonelganj police station by the Registrar's office to put a complete check on the chaos taking place in the university campus.
9. Keeping in view the COVID-19 pandemic, in collaboration with the University Administration/District Administration/Police Administration, the students residing in all the hostels were made aware about the safety concerns, so that the students can make their own decision to return to their home districts.
10. According to the decision/order of the university administration, the vehicles of the students are kept free of cost. For the safety of vehicles, token slips are provided free of cost at cycle stands, for which no fee is collected from the students.

CENTRAL CULTURAL COMMITTEE

Events Organised by Central Cultural Committee**Date 12.01.2021 : Youth Day**

The 158th Vivekananda Jayanti was organized by the Central Cultural Committee of Allahabad University on 12 January 2021. On this occasion, Professor Manas Mukul Das delivered a lecture on the topic 'Education and full development of man's abilities'. Presiding over the function, Allahabad University Vice Chancellor Professor Sangeeta Srivastava said that education makes us creative. Dr. Humble Sen conducted the program and Dr. Amrita proposed vote of thanks. During the program Professor Harsh Kumar, Prof. RK Singh, Prof. Ajay Jaitly, Prof. Jaya Kapoor, Prof. Sarvjit Mukherjee, Prof. Ramendra Singh, Prof. Shabnam Hameed, Prof. Santosh Bhadauria, Prof. A. R. Siddiqui, Dr. Shefali Nandan, Dr. Kumar Virendra etc. were present.

08.03.2021 International Women's Day

On the occasion of International Women's Day, 08 March 2021, a five-day function was organized by the Central Cultural Committee of the University. On the occasion of the opening ceremony of International Women's Day on March 08, a seminar and poster exhibition on the theme 'Women: Conflict and Liberation' was organized in this function, which lasted from March 08-12, 2021. The chief guest and keynote speaker of the programme were Justice Vijayalakshmi and senior critic Prof. Rajendra Kumar respectively while the programme was presided over by the Hon'ble Vice-Chancellor.

09.03.2021: Seminar on 'Women in Literature: Reference Premchand'

Lecture was organized on the occasion of International Women's Day on 09.03.2021 at Arya Kanya Degree College, courtesy the Central Cultural Committee, Allahabad University. The keynote speaker was Dr. Ashutosh Partheshwar of the Department of Hindi, Professor Santosh Bhadauria, President of the Central Cultural Committee and Advocates Mrs. Rachna Dubey, Kumari Shreya were present.

10.03.2021 : Special Lecture on 'Theatre and Women'

A special lecture was organized on International Women's Day was held in the Department of Political Science on the topic 'Theatre and Women'. The keynote speaker, senior theatrical director Mr. Praveen Shekhar gave a succinct statement on the role of women in the Indian theatrical tradition. He underlined the role of women in the dramas of Bharat Muni from the Natyashastra till now with their challenges.

12.03.2021 : Special Lecture on 'Women's Autobiographies: Indian Perspective'

A poster exhibition on the topic related to women's issues and rights was organized in the Faculty of Commerce today under the aegis of Cultural Committee. In the online closing program Prof. Garima Srivastava, J. N. U. in her concluding remarks said that women's autobiographies are more authentic in their life experiences.

The poster exhibition organized in the Faculty of Commerce was inaugurated by Professor Asim Mukherjee, Faculty of Commerce. After the poster exhibition, Amrit Mahotsav was also organized on "75 Years of Independence" as per the instructions of Uttar Pradesh Government. Professor Ashish Saxena delivered the seed statement in the Amrit Mahotsav function organized at Raj Shekhar Auditorium of the Faculty of Commerce. Prof AK Malviya gave the welcome speech.

17.03.2021 : Poster Exhibition on the theme 'Women's Struggle and Liberation'

A poster exhibition was organized by the Cultural Committee in the Department of Home Science, Allahabad University.

22.03.2021 : Poster Exhibition on the theme of Women's Struggle and Liberation

Woman's struggle to express the paths of salvation through poster exhibition was placed at law faculty. The exhibition displayed posters by students of various departments and constituent colleges of the University. Forming many forms of patriarchy, this exhibition also expressed the struggles of women very well. It also brought to the fore the achievements of women. The exhibition was inaugurated by Chief Proctor Prof. Harsh Kumar.

03/23/2021 : Special lecture on "The struggle for freedom and the meaning of martyrdom"

A special lecture on the topic "The struggle for freedom and the meaning of martyrdom" was organized by the Central Cultural Committee, Allahabad University at the Department of Medieval and Modern History, Allahabad University. The lecture was presided over by Prof. Heramb Chaturvedi. The keynote speaker in the program was Prof. Lalit Joshi while the introduction of the lecture was given by Prof. Sanjay Srivastava. The convener of the program was Professor Santosh Bhadauria, President, Central Cultural Committee.

CENTRAL FACILITIES

CENTRAL LIBRARY

Introduction:

The Central Library has started its journey on the path of improvement. It was established to cater the needs of the students, research scholars, and teachers of the University. It not only helps in supporting the class room instructional programmes of the University, but also unfolds the horizon of knowledge with regard to the different research programmes carried out by the University.

The Central Library developed out of the library of the Muir Central College, Allahabad (established in 1872, and affiliated with the university from 1872 to 1922, when it was subsumed in the university upon beginning its career as a teaching University). Foundation stone of the University library building was laid by Sir John Hewett on 17th Jan. 1910. The University Library was started in 1916. In 1946-47, Dr. S. R. Ranganathan, Father of Library Science in India, was invited to suggest ways and means of improving the library. He submitted the development plan in March 1947, which was published by the university in the same year. Its contents covered wide range of areas: such as new library building, manpower, finance and other relevant items. The present library building was constructed in 1973. The present library building is more spacious and has potential for further expansion. The old library building is now occupied by the office of the Registrar, as well as Accounts and General section of the University.

Dewey Decimal Classification Scheme (DDC) and Anglo American Cataloguing Rules-2nd edition (AACR-2) are followed for the purpose of classifying and cataloguing the documents. LIBSYS-4, Library Management Software is being used for creation of database.

Collection: The Central Library has a collection of.

(As on 31/03/2021 Approx.)

Books & Bound Vols Journals	7,58,863
Ph.D. Theses (Hard + Soft Copy)	19,555
E-books	2,741
Print Journals	176
E-Journals	18,648+
E-Databases	12
Popular Magazines	34
Newspapers	22

Working Hours: Library is kept open from 8:00AM to 9:00 PM from Monday to Saturday and from 10:00 AM to 6:00 PM on Sundays and holidays except on Republic Day, Holi, Eid-ul-Fitr, Independence Day, Mahatma Gandhi's Birthday, Vijaya Dashami, Diwali and Christmas.

Membership: Library membership is open to the members of the University community (i.e. teachers, officers, research scholars, students and other employees of the University). Consultation facility is also provided to the teachers and research scholars of other universities and colleges, on production of proper identity /recommendations from concerned authority.

During the year 2020-21, the following activities were undertaken:

Subscription of print Journals: The Library subscribed to 176 print journals on behalf of various departments.

Access of E-Journals and E-Databases: The Library provided access of approx. 18648+ e-journals and 12 e-databases and to its users. The access of these e-Resources were provided through UGC-INFLIBNET Consortium i.e. e-Shodhsindhu, and subscription by the University.

E-Resources through UGC-INFLIBNET Consortium (e-Shodhsindhu):

User Services:

During this period Central Library provided different types of library services to its users. These may be summarized as:

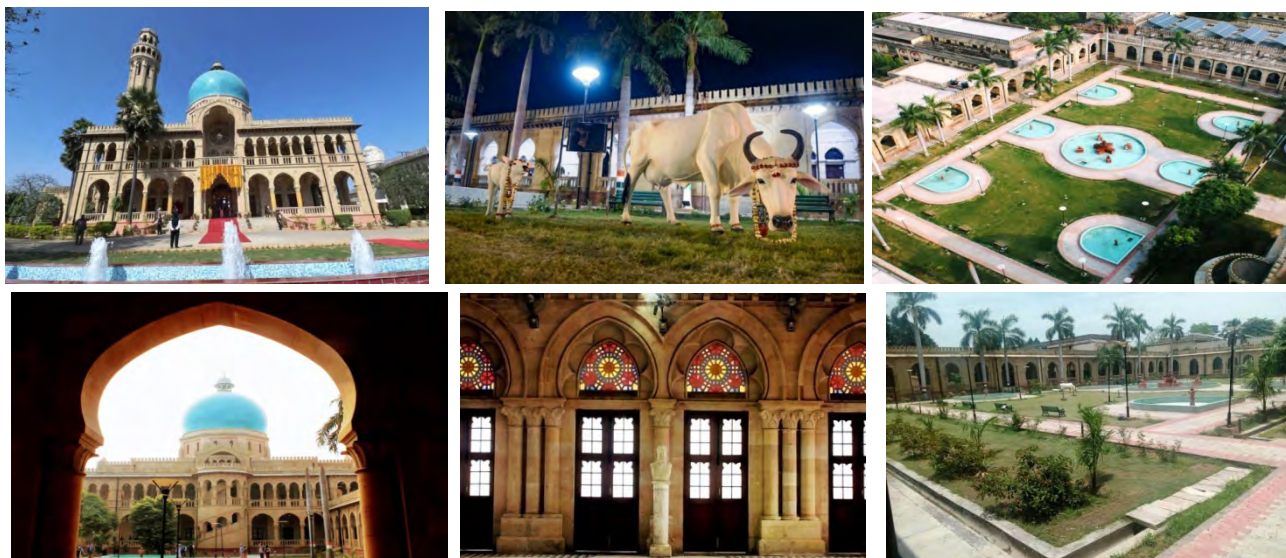

- Reference
- OPAC
- Circulation
- Reading Room
- Lending to Departmental Libraries
- Photocopying
- Consultation
- Membership
- Book Reservation
- Inter Library Loan
- Internet facilities
- SDI and CAS
- Access of e-resources
- CD writer and print out facilities for downloaded data,
- Remote Access
- Plagiarism Detection
- Consultancy services of outside Research Scholars and Teachers

ENGINEERING AND WORKS DEPARTMENT

Inauguration of Conserved, Vizianagaram Hall-

Vizianagaram Hall was designed by a notable English architect, Sir William Emerson, and stands out as one Allahabad's famous landmarks. The building is notable for its tiled domes and tower, as well as its exquisite interior craftsmanship. Rose window, decorative arches and columns, mosaic flooring, stained glass windows and mural paintings in the ceiling contribute to this building's outstanding architectural construct.

After conservation Hon'ble Governor, Uttar Pradesh Smt. Anandiben Patel inaugurated the conserved Vizianagaram Hall and surrounding area on 5th March, 2021.

**Construction of Students' Activity Centre:**

Construction of Students' Activity Centre has been completed within the stipulated time. The building will provide facilities for the extracurricular activities of the students.

Construction of Sophisticated Advance Instrumentation Centre and M.N Shaha Centre:

The building is in advance stage of completion. Once completed it will provide much needed facilities for the research work.

Construction of Girls Hostel

Construction of Girls Hostel is in advance stage of completion .In first phase it will provide accommodation for 124 girls students. There is future scope for further vertical expansion in the proposed hostel.

Construction of Boys' Hostel:

Construction of Boys Hostel is at the verge of completion. It will provide accommodation for 218 Boys students. It has provision for future vertical expansion.

Construction of International Hostel:

The hostel has been constructed for the International Students as an annexe of the present International Hostel. It will provide accommodation for 34 students.

**Construction of Prof. Ishwar Topa Academic Complex:**

The building is being constructed from the donation provided by an alumnus of the university Prof. Ishwar Topa. The building has provisions of Large Lecture Theatres and Halls for Academic purposes. The building is in advance stage of completion

**Details of Solar Power generated during the year**

During the period April 2020 to March 2021 the university generated 15,39,859 (Fifteen Lacs Thirty-nine Thousand Eight Hundred Fifty-nine) Units of Solar Power.

OTHER ACTIVITIES

ICT FACILITIES AT UNIVERSITY OF ALLAHABAD (2020-21)

University of Allahabad recognises the importance of providing the students with the type of networked computing environment they can expect to work. A programme of continual improvement ensures that both hardware and software are the latest.

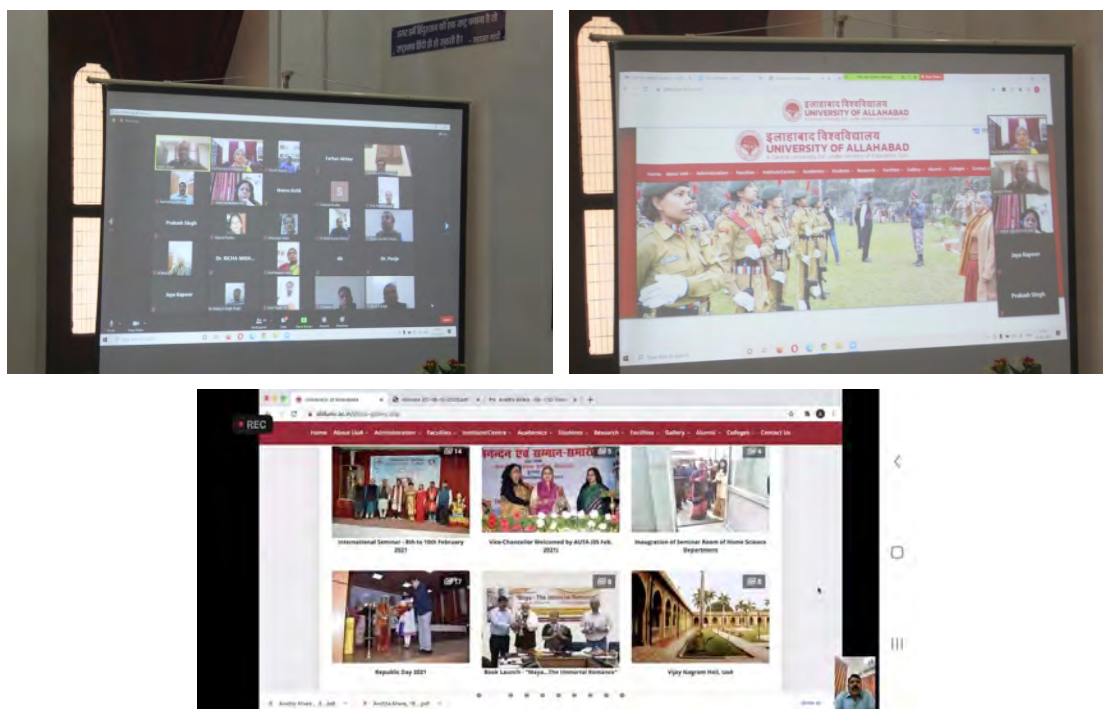

University of Allahabad allows the students and faculty members to access the networked information resources anytime and from anywhere. University of Allahabad has launched its new website in month of March, 2021 and provides secure access, both on and off-campus, to coursework, electronic teaching and learning materials, exam results, and a variety of other information and services, much of which is personalised.

Wireless network of University of Allahabad is available throughout the campus enabling mobile access to resources from a wide range of personal devices. University is continually working and developing innovative ways of using technology to support teaching and learning through virtual learning environment. Following ICT facilities are available in University of Allahabad –

1. 1gbps dedicated internet line
2. Personal institutional email and personal WiFi facility across different type of devices.
3. Remote access facility to read subscribed books and journals
4. More than 3000 computers and computing devices
5. Availability of high end computing machines for research purpose
6. Security features are available in University network

Further, University is planning to enhance its ICT facilities, in coming years, in following ways –

1. Incorporation of e-Office and Business Analytics system in University
2. Increase the bandwidth of internet line from 1 gbps to 10 gbps
3. Placing the recorded lectures of faculty members on web.

New Website of University of Allahabad launched

UNIVERSITY PLACEMENT CELL (UPC)

Vision:

“The University Placement Cell, University of Allahabad envisions and strives to be the most preferred and one stop destination for prospective employers, looking for qualified and fresh human resource from different streams.”

Mission:

“Our mission is to work towards enhancing the employability of the students of the University through continuous personality development programmes, workshops and active engagement of all the stakeholders. Creating awareness and inclination towards recent and relevant internship and job prospects and to facilitate both on and off campus placement opportunities.”

Placement Officer: Mr. Shaswat, 3rd Floor, New Academic Complex (FCI Building), University of Allahabad.

UGC HUMAN RESOURCE DEVELOPMENT CENTRE

Introduction:

For improving the quality of higher education, different Commissions including Radhakrishnan Commission (1948) and Kothari Commission (1966) on higher education had recommended a sustained and purposeful development of academic staff. The National Policy on Education 1986 (NPE) has, inter alia, suggested that the present educational system does not provide opportunities to the teachers for professional and career development, initiative for innovative and creative work, and internalizing the techniques and value system to fulfill their roles and responsibilities. Programme of action of NPE 1986 categorically mentioned a comprehensive programme of professional development through ASCs. Consequently, in 1987 the UGC sanctioned the setting up of 48 ASCs. The ASCs started functioning with the premise that the objective of Academic Staff Development Scheme is to enable academic staff to become effective facilitators of student learning through becoming effective managers of the conditions that affect learning.

The main aim of the Human Resource Development Centre (HRDC) has been to facilitate quality education by upgrading the knowledge and performance of teachers serving in Universities and their affiliated Colleges. By organizing the abovementioned programmes, the Staff College has given the teachers, the opportunity to come to a platform where interactions with eminent resource persons and with other teacher participants were possible. The programmes covering a wide spectrum of subjects have provided the crucial link between motivation of teachers for creative and innovative teaching and research, commitment towards their profession, academic leadership and quality education.

Thrust Areas:

- Invocation of basic thoughts on being a good teacher - Values, Character, Commitment, Team Building, Work Culture, Human Resource Development and Academic Leadership qualities required in teachers for Societal Transformation,
- Creating Computer Awareness and in this way developing IT trained human Capital for quality education of the future generation, Power point Presentation, LCD and OHP usage
- Revitalizing inputs for Higher education through Teacher empowerment, Inter-disciplinary dialogues, open and flexible Trans-disciplinary subjects, Innovative teaching Methodologies, Collaboration with Academic, Research and Specialized Institutes
- Creating awareness about the higher education System, Rules ,Regulations, Statutes and Policies, Motivation for Research, Project Writing, Funding Agencies and Avenues
- Weaving Gender Justice and Gender Equality in the system through lectures/ workshops/seminars on Capacity Building, Gender Sensitization and Gender awareness
- Stressing the importance of mental and physical health by lectures and demonstrations by Yoga Experts and practice sessions by the teacher participants. This has become an integral part of all Orientation Programmes
- Organizing programmes and activities related to Social and Communal Harmony, Secularism and National Integrity such as lectures and Literary programmes, Essay Writing Competitions, Cultural Evenings, Group Discussions and Seminars
- Inviting eminent Resource Persons and Subject Experts for both OPs and RCs and giving teachers the opportunity to interact with them.

In session 2020-2021, the UGC-HRDC has successfully completed most of the programmes allocated by the UGC for the session in the online mode. It has organized 4 out of 4 **GURU DAKSHTA: FACULTY INDUCTION PROGRAMME** with 133 participants and 09 out of 09 **Refresher Courses** (Including Winter School and Teacher Educators programme) with 313 participants. Besides the subject Refresher Courses conducted by the concerned department, 5 Interdisciplinary Refresher Courses were organized successfully by the HRDC. This included 1 ID in Human Rights, 1 ID in Media Studies and Governance, 1 Information and Communication Technology, 1 in Teachers Education and 1 Special Winter School Programme. HRDC has been ranked amongst the first ten HRDCs of the country based on the OPs and the RCs conducted by the HRDCs.

The HRDC has also organized 7 out of 9 Short Term Programme (Including workshop and Webinar) with 314 participations.

राजभाषा अनुभाग

परिचय :

संविधान के अनुच्छेद 343 के अंतर्गत हिंदी हमारी राजभाषा है। केंद्र सरकार के प्रत्येक कार्यालय में हिंदी के प्रचार-प्रसार एवं प्रगामी प्रयोग के लिए राजभाषा अनुभाग/प्रकोष्ठ के गठन का प्रावधान है। केंद्र सरकार के दिशानिर्देशों के अनुसार कार्यालयीन कार्य हिंदी में करना हमारी विधिक जिम्मेदारी भी है। इन्हीं प्रावधानों के अनुपालन में इलाहाबाद विश्वविद्यालय में राजभाषा अनुभाग/प्रकोष्ठ का गठन वर्ष 2011 में किया गया।

राजभाषा अनुभाग/प्रकोष्ठ राजभाषा अधिनियम 1963 एवं राजभाषा नियम 1976 के अनुपालन के साथ-साथ मंत्रालय द्वारा प्राप्त विभिन्न निर्देशों के अनुपालन सुनिश्चित करने का कार्य अपनी स्थापना के बाद से लगातार कर रहा है।

महत्वपूर्ण क्षेत्र

राजभाषा हिंदी का प्रचार-प्रसार प्रोत्साहन के माध्यम से करना। केन्द्र सरकार की राजभाषा नीति का कार्यान्वयन करना। समय-समय पर राजभाषा नीति संबंधी आदेशों का अनुपालन सुनिश्चित करना साथ ही अधिकारियों/कर्मचारियों/छात्र/छात्राओं के लिए कार्यशालाएं/संगोष्ठियां आयोजित करना। इसके अतिरिक्त मंत्रालय के राजभाषा हिंदी से संबंधित नियम एवं वार्षिक कार्यक्रम का अनुपालन विश्वविद्यालय में सुनिश्चित करना।

स्टाफ

क्र.स.	नाम	लिंग	पदनाम
1.	प्रो. योगेन्द्र प्रताप सिंह	पुरुष	आचार्य (हिन्दी)/संयोजक, राजभाषा कार्यान्वयन समिति
2.	श्री हरिओम कुमार	पुरुष	हिन्दी अनुवादक/प्रभारी

अनुभाग की विभिन्न समितियां :

राजभाषा कार्यान्वयन समिति

राजभाषा हिंदी प्रचार-प्रसार के लिए उक्त समिति का गठन किया गया है। इस समिति के संरक्षक माननीय कुलपति महोदय, इ.वि.वि. एवं अध्यक्ष पदेन कुलसचिव होते हैं। वर्तमान में प्रो. नरेन्द्र कुमार शुक्ल (कुलसचिव) समिति के अध्यक्ष हैं तथा प्रो. योगेन्द्र प्रताप सिंह (आचार्य हिंदी) समिति के संयोजक हैं साथ ही इ.वि.वि. एवं संघटक महाविद्यालयों के शिक्षक एवं कर्मचारी इस समिति के सदस्य हैं।

निरीक्षण समिति :- विश्वविद्यालय में राजभाषा हिंदी के कार्य का निरीक्षण उक्त समिति करती है।

हिंदी दिवस का आयोजन

इलाहाबाद विश्वविद्यालय में दिनांक 14.09.2020 को हिंदी दिवस समारोह इस बार ऑनलाइन आयोजित किया गया। कार्यक्रम की मुख्य अतिथि केंद्रीय हिंदी संस्थान की निदेशक प्रो. बीना शर्मा रहीं। उन्होंने हिंदी के प्रभाव पर विश्व पटल के संदर्भ में अपनी बात रखी। आपने कहा कि हिन्दी आज भारत ही नहीं विश्व के कई विश्वविद्यालयों में पढाई जा रही है और विश्व में दूसरी सर्वाधिक बोली जाने वाली भाषा है। भारत के बाहर पाकिस्तान, भूटान, नेपाल, बांग्लादेश, श्रीलंका, मालदीव, म्यामांर, इंडोनेशिया, सिंगापुर, थाईलैंड, चीन, जापान, ब्रिटेन, जर्मनी, न्यूजीलैंड, दक्षिण अफ्रीका युगांडा, कनाडा में हिंदी बोलने वालों की अच्छी खासी संख्या है।

इलाहाबाद विश्वविद्यालय के कुलसचिव और राजभाषा कार्यान्वयन समिति के अध्यक्ष प्रोफेसर नरेंद्र कुमार शुक्ल जी ने अपने आभार ज्ञापन में हिंदी दिवस की शुभकामना संदेश के साथ विश्वविद्यालय में हिंदी काम-काज की अपील के साथ सभी का धन्यवाद किया।

अंतर्राष्ट्रीय अनुवाद दिवस (30.09.2020) का आयोजन

अंतर्राष्ट्रीय अनुवाद दिवस के अवसर पर इलाहाबाद विश्वविद्यालय में दिनांक 30.09.2020 “वैश्वीकरण में अनुवाद की भूमिका” विषय पर ई-व्याख्यान का आयोजन किया गया। कार्यक्रम के मुख्य वक्ता केन्द्रीय अनुवाद ब्यूरो, राजभाषा विभाग, गृह मंत्रालय के अनुवाद विशेषज्ञ श्री राघवेन्द्र पाण्डेय जी रहे।

विशिष्ट वक्ता डा. सरोज सिंह, एसो. प्रोफेसर (हिंदी), सी.एम.पी. डिग्री कालेज, प्रयागराज ने अनुवाद के व्यावहारिक पक्ष पर अपने विचार रखे। आपने तमाम तरह के विज्ञापन एवं फिल्मों की डबिंग के उदाहरण के साथ बाजार और अनुवाद को संबोधित किया तथा बताया कि अनुवाद दो भाषाओं के सेतु के रूप में कार्य करता है। आज के प्रसंगिकता को देखते हुए हमें निजी जीवन में अनुवाद को अपनाना ही होगा। जब हम एक भाषाई क्षेत्र से दूसरे भाषाई क्षेत्र में जाते हैं तो अनुवाद ही हमारा साथी बनता है।

हिंदी अनुवादक हरिओम कुमार ने भी विषय पर अपनी बात रखी। उन्होंने कहा कि अनुवाद में संस्कृति विशेष का ज्ञान अति आवश्यक है। अनुवाद करते समय संस्कृति विशेष के शब्दों का अधिक ध्यान रखना होता है नहीं तो अर्थ का अनर्थ हो जाता है।

31 अक्टूबर, 2020 राष्ट्रीय एकता दिवस का आयोजन

31 अक्टूबर 2020 को राष्ट्रीय एकता दिवस के अवसर पर इलाहाबाद विश्वविद्यालय में राष्ट्रीय एकता दिवस का आयोजन ऑनलाइन किया गया। इस अवसर पर उत्तर प्रदेश भाषा संस्थान के अध्यक्ष डॉ राजनारायण शुक्ल मुख्य अतिथि रहे। आपने देश की अखण्डता की बात करते हुए बताया कि किस तरह से कश्मीर से लेकर कन्याकुमारी तक भारत में एकता विद्यमान है। सर्वविदित है कि पिछले 6 वर्षों से प्रत्येक वर्ष 31 अक्टूबर का यह पावन दिवस न केवल राष्ट्रीय एकीकरण के शिल्पकार सरदार बल्लभ भाई पटेल की जयंती के रूप में बल्कि राष्ट्रीय एकता दिवस के रूप में भी पूरे देश में हर्षोल्लास के साथ मनाया जाता है।

अंतर्राष्ट्रीय मातृभाषा दिवस, 2021

दिनांक 22.02.2021 को 'मातृभाषा कवि संगोष्ठी' का आयोजन किया गया। कश्मीर से लेकर कन्याकुमारी तक की मातृभाषाओं में कवियों ने अपनी रचनाएं पढ़ी। पूरे देश के 16 कवि/कवियत्रियों ने अपनी रचनाएं अपनी-अपनी मातृभाषा में पढ़ी। कवियों में प्रो. गुलाम मुस्तफा ख्वाजा, कश्मीर (कश्मीरी), डा० विनम्रसेन सिंह, प्रयागराज (खड़ी बोली), डा० सूर्या ई.वी., केरल (मलयालम), श्री प्रभात कटारे, सागर, मध्य प्रदेश (बुंदेली), श्री मनोज कुमार त्यागी, दिल्ली (खड़ी बोली), श्री प्रकाश कुमार, बिहार (बज्जिका), सुश्री पूनम मुखर्जी, कोलकाता (बांग्ला), डा० मुबिंशिर फूलपुरी (उर्दू), श्री विवेक रंजन सिंह, अमेठी (अवधी), श्री नैनसिंह, कश्मीर (डोगरी), सुश्री वंदना झांसी (बुन्देली/खड़ी बोली), श्री आशीष कुमार शर्मा, दिल्ली (बृजभाषा), सुश्री पारूल रस्तोगी, सीतापुर (अवधी), डा० पद्मभूषण प्रताप सिंह, सुल्तानपुर (अवधी), सुश्री काजल, मुम्बई (मराठी), सुश्री शुभिका, दिल्ली (पंजाबी) से इस मातृभाषा काव्य संगोष्ठी में शामिल हुए।

REPORTS OF THE CONSTITUENT COLLEGES / INSTITUTES OF UNIVERSITY OF ALLAHABAD

ALLAHABAD DEGREE COLLEGE

Introduction

Allahabad Degree College, a Constituent P.G. College of University of Allahabad, established in 1956, aims to fulfill the needs of the society in terms of quest for knowledge. It provides equal opportunity to all students, including those belonging to socially and economically weaker sections of the society to study multiple disciplines, including social sciences, humanities, commerce, and law, basic and applied sciences, with the aid of best practices, qualified teachers, teaching aids and infrastructure, under the academic leadership of the University of Allahabad. The College provides quality education to all students coming from rural as well as urban background.

Thrust Areas:

- Academic Excellence
- Extra curricular activities
- Personality development
- Discipline
- Moral Values

Programmes of Study:

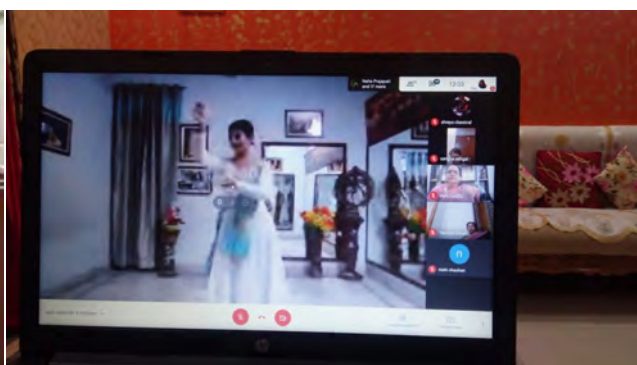

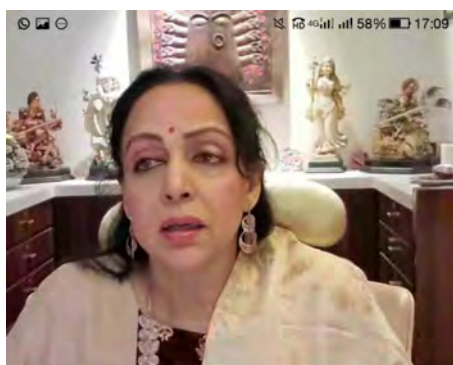

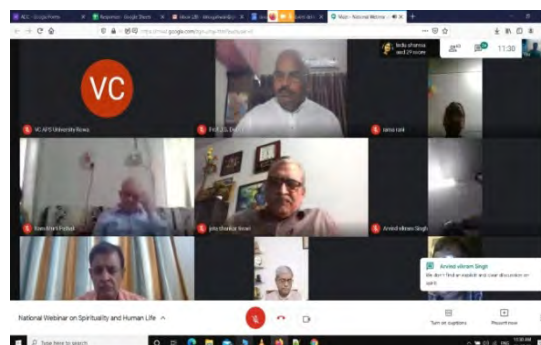

S.N.	Programme of Study	Duration	No. of Seats	Specialization(s)
1.	Ph.D.	5 years (includes course work)	2	Economics
			4	Defence & Strategic Studies
			4	Hindi
2	M. A./ M. Sc. / M.COM. / LL.M.	2 years	62	Ancient History
			37	Defence & Strategic Studies
			62	Economics
			62	Education
			62	English
			37	Geography
			62	Hindi
			62	History
			31	Music Vocal
			31	Music Sitar
			31	Music Tabla
			31	Painting
			62	Philosophy
			62	Political Science
			37	Psychology
			62	Sanskrit
			31	Urdu
			62	Commerce
			37	Law
			50	Physics
			50	Mathematics
2.	B. A./ B. Sc./ B.Com/ LL.B	3 years	3357	--

Details of Students, Year wise and Reservation wise (2020-21):

Course	Gen			EWS			OBC			SC			ST			TOTAL		
	Male	Female	Total	Male	Female	Total	Male	Female	Total	Male	Female	Total	Male	Female	Total	Male	Female	Total

ARYA KANYA DEGREE COLLEGE

Introduction:

The College, affiliated to the Allahabad University was founded on the principles of Maharshi Dayanand Saraswati who was a social reformer and educationist. It was established in the year 1975, the International Year of Women, and was a Constituent College of Allahabad University on 14th July, 2005 the year the University achieved Central status.

The goals and objectives of the College which is situated in the thickly populated area of the city are focused towards education and empowerment of women especially from the backward areas. Our endeavour has been to promote independent thinking among young girls and make them responsible citizens so that they play the role of an anchor in their own families.

The College offers graduate degrees in Arts and Commerce, post graduate degree in Arts and will soon be starting courses in Five Year Integrated Law and Science. Doctoral programme is offered in Political Science and Education.

Thrust Areas:

- Career counseling is given to the students from time to time by career experts.
- We encourage Yoga, sports and games both indoor and outdoor because physical exercise and training provide good health which is necessary for physical health and intellectual pursuits.
- Vocational and job oriented courses enables the students to gain specific skills and recognition. Computer courses, fashion designing, beauty tips by experts, mehndi application helps the students acquire skills and thereby earn a livelihood for themselves and become economically independent.
- Participation of students in various competitions organized by the University and other degree Colleges like quiz, essay writing, debate, folk song, folk dance, mehndi, painting etc. enables the students to showcase their talents and develop a sense of confidence.

C.M.P. DEGREE COLLEGE

Introduction:

The college was established in the year 1950. The College is under the governance of 'Kayastha Pathshala' which is the Asia's biggest trust. The college is Post Graduate College with four faculties Arts, Science, Commerce and Law.

C.M.P. Degree College has developed its own Learning management system (LMS) CMP Live Portal for the conduction of virtual classes for both U.G and P.G students in 2020. Apart from this Ph.D. in Science, Commerce and Art discipline has started in this year. Inauguration of Ph.D. Course work has occurred through online mode accompanied with its successful completion.

C.M.P. Degree College has got selected under strengthening component of DBT Star College Scheme. College has received financial support from Department of Biotechnology, Ministry of Science and Technology, New Delhi under DBT Star Scheme for strengthening of Life Science and Biotechnology Education and Training at undergraduate level under Star College at a total project cost of Rs. 82.00 lakhs for three years.

CMP Degree College has established a Centre for Skill Development which aims to create a large pool of trained personnel to address vital skill development gaps in our country, crucial for economic growth and self-sufficiency.

Thrust Areas:**Curriculum Development**

- Starting of Ph.D. programme in all remaining subjects.
- Certificate course in Computer Proficiency for Merit holder students of PG and UG by ICT Cell.
- Certificate Course in Spoken English.
- Starting a course of B.Sc. in Computer Science.
- Encourage faculty to develop e-content.

Learning and E-Resources Development

- Publication of an Interdisciplinary Research Journal by the College.
- Development of Learning Management System (LMS).
- Online Feedback system for students.
- Website redesigning.
- Development of Alumni Portal for online Registration and Support
- Improvement and Extension of Library facility with special attention of e-information and e-resource
- Development of Departmental Libraries
- Development of Wi-Fi campus

EWING CHRISTIAN COLLEGE, PRAYAGRAJ

Introduction:

Ewing Christian College Allahabad (a Christian minority institution of the church of North India), is an Autonomous Constituent Post Graduate College of the University of Allahabad.

Ewing Christian College as an Autonomous Associated College since 1994 is now an autonomous constituent college of the University of Allahabad. The University Grants Commission (UGC) and the University of Allahabad, under the UGC Scheme of Autonomous Colleges have allowed the College to formulate its own courses of studies and evaluate its own students separately. The Degree is awarded by the University of Allahabad. The College faculty, therefore, after great deliberations and careful planning has developed courses of studies most appropriate under the prevailing circumstances. Several self-financed vocational courses namely –Electronics, Computer Application, Biotechnology, Microbiology, Biophysics, B. Com., BCA have been permitted to run as Degree Programs of the Allahabad University. Several Diploma programs (Computer Programming and Software Applications, Laboratory Technology, Business Management and Administration, Leadership Development and Secretarial Practices).

The College regained Postgraduate status in 2016 and is successfully running Postgraduate programs in fourteen departments. It is preparing to launch the third PG batch this year.

The College got the required permission from the Allahabad University to enroll PhD students and many of the departments will be conducting the research program.

HAMIDIA GIRLS' DEGREE COLLEGE

Introduction :

Hamidia Girls' Degree College was established in 1975, the International Year of Women and functions under the aegis of **The Association for the Education of Muslim Women at Allahabad**. It caters to the needs of higher education of girls and women and has maintained its accessibility to all sections of the society, especially Muslims girls. The College is a unique center of quality modern higher education and vocational skills. Presently approximately 1300 girl students are enrolled in three faculties in UG & PG Courses at the College.

Highlights:

- The College was given affiliation by the University of Allahabad in 1975. It started with six subjects in Bachelor of Arts. Then it added eight subjects. Presently there are fourteen subjects – twelve Conventional & two vocational in the Faculty of Arts at UG level. Post Graduate classes are functional in 5 subjects – English, Urdu, Sociology, Medieval History & Education as granted by the University of Allahabad in 2016. In 2017 M.A. in Arabic is also sanctioned yet to be started. Now Research Degree Programme (Ph.D.) in Urdu sanctioned by University of Allahabad shall start from the next session.
- Taking forward the vision of the Association and to fulfill the mission more faculties have been added – since 2001 with the approval of the University of Allahabad Faculty of Commerce where Bachelor of Commerce (B.Com) is functional and Faculty of Vocations where Bachelor of Vocations (B.Voc) in three trades - Journalism & Mass Communication, Fashion Design and Software Technology are running successfully. In the session 2019-20 M.Voc. in Fashion Design and Embroidery started it was sanctioned by UGC and has been approved by the University of Allahabad. In this session 2020-21 three more vocational courses were sanctioned by the UGC and approved by the University of Allahabad – B.Voc. in two trades – Office Administration & Secretarial Practices and Social Media & Digital Marketing. One Certificate Course – Advance Pattern Making in Fashion Design.
- Centre for Women's Studies sanctioned in XI Five Year Plan of UGC running by the College since 2009.

Thrust Areas:

- To combat the challenges of COVID-19 and to prepare teachers and students for digital modes of teaching and learning alongwith traditional methods.
- To upgrade ICT infrastructure and to implement new technological software in the Library.
- Facilitating employment to girls through education and skills so that they can become self reliant and to collaborate with industries.
- Maintaining quality benchmarks in conventional subjects as well as vocational subjects to blend the traditions and modernity.
- To promote research in humanities and Social Sciences.
- To undertake projects for translation work in different languages.

ISWAR SARAN DEGREE COLLEGE

Introduction :

Iswar Saran Degree College, a constituent post graduate college of the University of Allahabad was established in the year 1970 under the aegis of Iswar Saran Ashram with two vibrant units; Gandhi Study Circle and Gandhi Memorial Library as integral part of it.

In the college, graduate and postgraduate classes of basic three streams of Science, Arts and Commerce are running; keeping in mind the future needs of the students and the global challenges the college also runs several vocational courses approved by UGC under different faculties viz. Food Processing and Automobile in B. Voc. Degree program, Computer Application, Computer and Electronic Equipment Maintenance and six add-on courses like mobile repairing, e-commerce, watershed management, microbial bio-fertilizer : production and utilization, computer application 'O' level diploma, and library science.

Thrust Areas:

To gratify the desires of excellence in higher education the College aims;

- To develop a cohesive center of excellence in teaching and learning to produce best manpower enriched with highly innovative perception and adaptability potential.
- To prepare the youths to face the interminably changing global challenges.
- To provide best higher education to youth in general, and with special emphasis on Schedule casts/ Schedule tribes, socially, economically and educationally underprivileged and disadvantaged groups.
- To impart knowledge, skills, moral values, traditions and patriotism among students to create a good human-being.
- To let the youth to cooperate each other and embrace the sorrow of the impoverished and help them as far as possible.

With the prime focus on above objectives the college, apart from its conventional academic programmes of B.A., B.Com., B.Sc. and M.A./M.Sc., Institution is also concentrating on following Professional programmes—

Programmes of Study:

RAJARSHI TANDON MAHILA MAHAVIDYALAYA

Introduction:

The College was established in the year 1975 as an extension of Gauri Pathshala Inter College (established in 1905) with undergraduate course in Arts. The primary aim of the establishment of this College in the thick locality of Malviya Nagar (Ahiyapur), was to educate and empower the girls of this area who were unable to go to the university for higher education. Late Justice Mahesh Prasad Mehrotra, Late Smt Rani Tandon and late Shri Hari Mohan Das Tandon were founder members of the college management. The College attained Central status and became a constituent of the University of Allahabad in 2005 and received B grade by NAAC in the year 2005 and 2015.

Highlights

- Post Graduation in Hindi and Political Science since 2016.
- B. Com Classes commenced from the session 2018-19
- UGC approved Computer (Diploma) courses under NSQF (National Skill Qualification Framework) started from 2020-2021.
- The college was granted permission of extension of campus in 2 Acres of land in Hindi Vidyapeeth, Mahewa.
- Results of MA are good, students also qualify NET.

Thrust Areas:

- To provide higher education of excellent quality.
- To empower them so that they may become economically independent and self sufficient enriched with moral values and may become responsible citizens of the nation
- To inculcate creative impulse and critical thinking in the girl students.
- To sensitize them towards burning social issues such that they may be responsive to social needs.

SADANLAL SANWALDAS KHANNA GIRLS' DEGREE COLLEGE

Introduction:

Founders of the College Late Mr. S. N. Kakkar, Prof. D.D. Khanna and Mr. Ashok Mohiley were committed to girls' education. They founded the S.S. Khanna Girls' Degree College to impart quality education to girls' from economically and socially backward sections of society. The college starting with humble beginning in 1975 and today is a premier constituent college of the University of Allahabad. The college has five faculties: Arts, Science, Commerce, B.Ed and Legal Studies.

In 2016 during the XIIth Plan period, the University Grants Commission conferred the college status of "College with Potential for Excellence (CPE-Phase II)". At present the college runs professional courses in Office Management and Secretarial Practices, Computer 'O' Level and One Year Diploma course in Biotechnology. Looking into the interest and skill development of girl students, the college has also started Diploma in Fashion Designing (UGC Approved) in 2020.

In 2019, the college has been selected under strengthening component of Star College Scheme (DBT). In 2020 during the 3rd Cycle of Accreditation by National Assessment and Accreditation Council, the college has been again accredited with 'A' Grade (CGPA of 3.09 on four point scale).

Thrust Areas:

- Promoting girls' education especially among disadvantaged class of society.
- Promoting Socialwork.
- Educational advancement of students according to needs of 21st century.
- Introducing online courses.

Details of Seminars/Webinars/Workshops/Conferences conducted by the Department/Centre:

S. No.	Name of the Seminar/ workshop/conference	National / International	Duration and dates
1.	International Webinar on “Humanities in Crisis”	International	Aug 04, 2020
2.	Covid 19 Awareness Quiz: "Spread the Science not virus",	National	May 29, 2020 – June 03, 2020
3.	National Webinar on “Relevance Of Scientific Values In Fighting The Pandemic Covid19”	National	June 5, 2020
4.	National Online Quiz Series on ‘Environmental Awareness’ Theme of Series 1: International Yoga Day	National	June 21, 2020
5.	National Online Quiz on ‘Environmental Awareness’ Theme of Series 2: Van Mahotsava 2020	National	July 01-07, 2020
6.	Webinar on Covid19: An opportunity for Technological Resurgence	International	July 08, 2020
7.	National Online Poster Competition on Energy Conservation	National	6.2.2021- 12.2.2021
8.	Workshop on Best out of Waste	College level	Feb 17-23, 2020
9.	Webinar On Migration : role, reason and responsibilities	National	June 8, 2020
10.	Two days National Webinar On “COVID-19: Impact on human health and various potent therapeutic Approaches”	National	June 15-16, 2020
11.	National online Quiz on Immunity and Covid-19	National	June 17-23, 2020
12.	World AIDS day Quiz	National	Dec 01-03, 2020
13.	Online Poster Competition on COVID 19: Impact on Health and Environment	National	Jan 25-31, .2021
14.	Challenges and possibilities of digital teaching and learning in present scenario	National	June 13, 2020
15.	A National Webinar on "COVID-19: From Infection to Viral Pathogenesis"	National	June 14, 2020
16.	A National online quiz on “COVID-19 Pandemic”	National	May 28 to June 04,
17.	A National online quiz on "Climate Change & Biodiversity Conservation"	National	June 05-11, 2020
18.	A National online quiz on “Cytogenetics and Plant Breeding.”	National	June 22, 2020 to July 02, 2020.
19.	A National online quiz on the “World Ozone Day”	National	Sep, 16 to 26, 2020
20.	A Poster competition on the theme “Conservation of Water” for the students of UG & PG	College	Feb 09 to 15, 2021
21.	A National online quiz on “Waste Management”	National	Feb 28, to March 07, 2021.
22.	Epidemics and Pandemics : A History and Historical Analysis.	National webinar	June 9-10 , 2020
23.	Dandi March : An Appeal of The Civil Disobedience Movement	National webinar	March 2, 2021

Details of Training/orientation/refresher courses/special lectures conducted by the College:

S. No.	Name of the course	Duration and dates
1.	Online Faculty Development Program on “E-Content Development and Learning Management System”	1 Week (22-28 th August 2020)
2.	Guest Lecture on “Different Approaches to Understanding and Appreciating Literature”	Feb 06, 2021
3.	Guest Lecture on topic “Solid State”	Sep 19, 2020
4.	Special lecture on ‘Sahityadarpan ke aalok mein shabd shaktiyan’	1 hour, Feb 05, 2021
5.	International Online Lecture Series	Oct 26-29, 2020
6.	Special lecture on ‘Bhartiya darshan mein karvad ki avdharna’ (with the collaboration of Literary Association)	1 hour, Oct 28, 2020
7.	Special lecture on ‘From Challenges to Changes: A discourse on women’s movement’	One day, 8/3/2021

S. No.	Name of the course	Duration and dates
8.	An online "Guest lecture" was organized by the Department of Botany, S.S. Khanna Girls' Degree College.	Sep 22, 2020
9.	Plantation: The students of Botany planted saplings in the college premises to promote a green & healthy environment.	Jan 27, 2021
10.	As per Interdisciplinary approach a lecture was organized by the Department of Botany, S.S. Khanna Girls' Degree College.	March 18, 2021
11.	Special Online Lecture on Jain Inscriptions and Sculptures from Mathura .	Nov 02, 2020
12.	Online Lecture Series on "Copyright, Patent and Ethics in Academic Research & Writing .	Jan 18-20, 2021
13.	Special Lecture on "Ajanta Caves :A Historical Narrative"	Jan 23, 2021
14.	Science Popularization Lecture Series	March 20-26, 2021
15.	Special Lecture on Union Budget 2021-22	Feb 13, 2021

Journals published by the Department/Centre:

SHYAMA PRASAD MUKHERJEE GOVT. DEGREE COLLEGE

इलाहाबाद नगर उत्तरी क्षेत्र की जन आवश्यकताओं की पूर्ति हेतु, यह महाविद्यालय उत्तर प्रदेश शासन के आदेश दिनांक: 25 सितम्बर, 1997 द्वारा इसी तिथि को सृजित हुआ एवं इलाहाबाद विश्वविद्यालय द्वारा प्रदत्त सम्बद्धता के उपरान्त इस विश्वविद्यालय के एक सहयुक्त महाविद्यालय के रूप में अस्तित्व में आया। 14 जुलाई 2005 को इलाहाबाद विश्वविद्यालय को केन्द्रीय विश्वविद्यालय का दर्जा प्राप्त होने के उपरान्त 24 नवम्बर, 2006 को यह महाविद्यालय, इलाहाबाद विश्वविद्यालय का संघटक महाविद्यालय बना। इस महाविद्यालय में स्नातक स्तर पर तीन संकाय यथा: कला, विज्ञान एवं वाणिज्य संकाय के 16 विषयों में स्नातक स्तर की शिक्षा तथा स्ववित्तपोषी पाठ्यक्रम के अन्तर्गत स्नातकोत्तर स्तर पर प्राचीन इतिहास, हिन्दी, राजनीति विज्ञान, भूगोल, रसायन विज्ञान, जन्तु विज्ञान, रक्षा अध्ययन एवं वाणिज्य विषय में शिक्षा प्रदान की जाती है। महाविद्यालय को वर्ष 2001 में 07 नये विषयों यथा: समाजशास्त्र, मनोविज्ञान, गृहविज्ञान, संगीत, शिक्षाशास्त्र, मानवशास्त्र एवं अर्थशास्त्र की सम्बद्धता इलाहाबाद विश्वविद्यालय द्वारा प्रदान की गयी थी जिनमें पद सृजन प्रक्रिया कार्य परिषद् के स्तर पर लम्बित है तथा यू.जी.सी. की स्वीकृति के उपरान्त इस 7 नये विषयों में शिक्षण आरम्भ हो सकेगा। इसके अतिरिक्त महाविद्यालय में स्नातक स्तर पर समाजशास्त्र एवं शिक्षाशास्त्र में स्ववित्तपोषित पाठ्यक्रम में कक्षाएँ संचालित हैं। महाविद्यालय की सर्वाधिक महत्वपूर्ण अकादमिक उपलब्धि में वर्तमान शिक्षण सत्र में राजनीतिविज्ञान, वाणिज्य एवं रक्षा एवं स्नातकोत्तर अध्ययन विषय में इलाहाबाद विश्वविद्यालय द्वारा शोध कार्य की अनुमति प्रदान की गयी। विभिन्न विषयों में 15 शोध छात्रों का नामांकन हुआ है। फाफामऊ में स्थित यह महाविद्यालय ग्रामीणांचल का एकमात्र महाविद्यालय है, जो इलाहाबाद विश्वविद्यालय केन्द्रीय विश्वविद्यालय का सहभुता महाविद्यालय है। सीमित संसाधनों और सुविधाओं के साथ यह महाविद्यालय शिक्षकों, कर्मचारियों और मेहनती छात्रों के संयुक्त प्रयासों से शिक्षा के एक उत्कृष्ट केन्द्र के रूप में विकसित हो रहा है।

इस महाविद्यालय में वर्तमान सत्र 2020-2021 में स्नातक स्तर पर कुल 1980 विद्यार्थी पंजीकृत हैं तथा स्नातकोत्तर स्तर पर 310 विद्यार्थी पंजीकृत हैं। ग्रीष्मावकाश के बाद वर्तमान सत्र का प्रारम्भ कोविड-19 के कारण दिनांक: 17 अगस्त, 2020 से हुआ। इलाहाबाद विश्वविद्यालय द्वारा सम्पन्न करायी गयी स्नातक प्रवेश परीक्षा के परीक्षा परिणाम के आधार पर इस महाविद्यालय में स्नातक एवं स्नातकोत्तर प्रथम वर्ष में मेरिट के आधार पर छात्र-छात्राओं को दिनांक: 04 अक्टूबर, 2020 से प्रारम्भ कर दिनांक 30 नवम्बर, 2020 तक प्रवेश दिया गया। विश्वविद्यालय के निर्देशानुसार कोविड-19 के सापेक्ष शिक्षण कार्य आरंभ हुआ। स्नातक द्वितीय, तृतीय एवं स्नातकोत्तर तृतीय सेमेस्टर की कक्षाएँ दिनांक 17 अगस्त, 2020 से प्रारम्भ हुई। वर्षपर्यन्त, विषय मर्मज्ञ एवं अनुभवी प्राध्यापकों एवं विजिटिंग प्राध्यापकों द्वारा नियमित पठन-पाठन और सह शैक्षणिक एवं प्रसार गतिविधियाँ संचालित की जा रही हैं। इस महाविद्यालय में सिप्सा छद्म के तहत विभिन्न कार्यक्रमों का आयोजन किया जा रहा है।

इस महाविद्यालय में दूरस्थ शिक्षा प्रदान करने वाले विश्वविद्यालय, उ.प्र. राजर्षि टण्डन मुक्त विश्वविद्यालय का अध्ययन केन्द्र हैं। जिसमें 20 से अधिक विषयों में दूरस्थ शिक्षा प्रदान की जाती है। महाविद्यालय में सत्र 2020-21 में कोविड-19 के कारण ऑफ लाइन क्रिया-कलाप संचालित करना संभव नहीं है। ऑनलाइन एकेडमिक प्रोग्राम में शिक्षक अपनी सहभागिता कर रहे हैं।

सत्र 2020-2021 के क्रिया-कलाप:

- सत्र 2021 में निर्मित नयी बिल्डिंग को टेक ओवर किया गया।
- श्यामा प्रसाद मुखर्जी के व्यक्तित्व एवं कृति-वेबिनार, राजनीति विज्ञान विभाग।
- वर्तमान चुनौतियों के सन्दर्भ में समाज की संवेदना और साहित्य -अन्तर्राष्ट्रीय वेबिनार (हिन्दी विभाग)
- बदलते परिवेश में गाँधीवादी मूल्यों की भूमिका विषय पर 6 दिवसीय कार्यशाला-दर्शनशास्त्र विभाग
- पुस्तकालय का नवीनीकरण।
- शिक्षण कक्षों के फर्शों का निर्माण।
- रसायन विज्ञान विभाग प्रयोगशाला का अधूरा कार्य पूर्ण
- महाविद्यालय कैम्पस पूर्णतः वाई-फाई सुविधा से लैश किया गया।

महाविद्यालय के पास अपने सीमित संसाधन हैं किन्तु गुणात्मक शिक्षण, अवस्थापन विकास, परिसर अनुशासन या परीक्षा की शुचिता, इस संस्था को विश्वविद्यालय की एक उत्कृष्ट संस्था बनाती है। छात्र एवं छात्राओं को स्वच्छ शौचालय एवं शुद्ध पेयजल उपलब्ध कराने तथा शिक्षण/परीक्षा कक्षों में प्रकाश की समुचित व्यवस्था हेतु महाविद्यालय प्रयासरत है। यू.जी.सी. से याचित अनुदान की प्राप्ति के उपरान्त अतिरिक्त शिक्षण कक्ष एवं प्रयोगशालाओं की वर्तमान क्षमता में अभिवृद्धि का कार्य आरंभ किया जायेगा। छात्र हित हमारी प्रतिबद्धता का केन्द्र बिन्दु है तथा महाविद्यालय के सभी प्राध्यापक एवं कर्मचारी छात्र-छात्राओं के सर्वांगीण विकास हेतु कटिबद्ध हैं।

LIST OF RESEARCH ENROLLED IN 2020-21

DEPARTMENT OF ARABIC AND PERSIAN

Details of Research Scholars in the Department (enrolled in 2020-21):

S. No.	Name of Research Scholar	Area/Subfield	Topic	Gender	JRF/NET/CRET	Category	Date of Enrollment
1.	Ghazala Shirin	Persian criticism	Sahme Mohammad Razi Sauda Der Naqde Farsi-e-Hind	Female	CRET	OBC	08-02-2021
2.	Rani Hafeez	History	Mutala-e-Khulasabit Tawarikh	Female	CRET	OBC	08-02-2021
3	Saba Naim	Persian literature	Mutalae Nasre Farsi Ghalib	Female	CRET	OBC	08-02-2021

DEPARTMENT OF PHILOSOPHY

Details of Research Scholars in the Department (enrolled in 2020-21):

S. No.	Name of Research Scholar	Area/Subfield	Topic	Gender	JRF/NET/CRET	Category	Date of Enrollment
1.	Kansaiya Kumar	Ethics	A Comparative Study of Rand's Rationalistic Egoism	Male	JRF	GEN	27-11-2020

Details of Post-Doctoral Research Scholars in the Department (enrolled in 2020-21):

S. No	Name of Research Scholar	Area/Subfield	Topic	Gender	JRF/NET/CRET	Category	Date of Joining
1	Gyan Prakash Upadhyaya	Indian Philosophy	Jivan darsha ke rup main Gandhi ke Gita Vimarsh ki samkalin adhyayan	Male	----	GEN	16/12/2020
2	Sanjay Kumar Tiwari	Indian Philosophy	Veta siddhi ya bhed siddhi hetu Acharya Sankar kurta bhedarahashya ka abadan	Male	NET/JRF	GEN	16/12/2020

DEPARTMENT OF BIOCHEMISTRY

Post-Doctoral Research Scholars in the Department (enrolled in 2020-21):

S. No	Name of Research Scholar	Area/Subfield	Topic	Gender	JRF/NET/CRET	Category	Date of Joining
1.	Dr. Arun Kumar Yadav	Bio chemistry	Role of berberine as a neuroprotector during aging in rats	Male	DSK-PDF	OBC	2/11/2020
2.	Dr. Shiv Vardan Singh	Bio chemistry	Identification of chemo-therapeutic inhibitor (s) and complimentary mechanism(s) of Plasmodium falciparum calcium-dependent protein kinase 1 (CDPK-1) to identify target based potent antimicrobials	Male	DSK-PDF	Gen	9/12/2020

DEPARTMENT OF BOTANY

Details of Research Scholars in the Department (enrolled in 2020-21):

S. N.	Name of Research Scholar	Area/ Subfield	Topic	Gender	JRF/ NET/ CRET	Category	Date of Enrollment
1.	Ananya Singh	Molecular Biology	Rice Genome Mining for Atypical Heterotrimeric G-Protein α -like subunit(s) and their Characterization	Female	CRET	OBC	02/07/2020
2.	Variyata Agrawal	Molecular Biology	Profiling Of Heterotrimeric G-Protein Signaling Architecture In Autotrophic Primitive Terrestrial Cryptogams.	Female	CRET	GEN	02/07/2020
3	Rajnandini Srivastava	Applied Phycology	Physiological and Biochemical response of freshwater algae towards stressors.	Female	CRET	GEN	02/07/2020
4	Xavier Kuncheria	Applied Phycology	Studies on Biochemical Constitution of Economically Important Seaweeds	Male	NET-JRF	GEN	02/07/2020
5	Anjali Singh	Ecology	Studies on the physicochemical characterization and heavy metal content of soil and agricultural products in some industrial cities of Uttar Pradesh	Female	CRET	OBC	02/07/2020
6	Priyanka	Molecular Biology	Microbial Diversity And Expressed Heavy Metal Tolerant Eukaryotic Genes In Chromium Polluted Soil	Female	CRET	OBC	02/07/2020
7	Harshita Mishra	Applied Phycology	Effect Of Heavy Metals And Herbicides On Physiology And Biochemistry Of Aquatic Plants.	Female	CRET	UR	02/07/2020
8	Priyanka Ojha	Advanced Cytogenetics	Assessment of Genetic Variability and Mutant lines developed through induced mutagenesis in <i>Anethum graveolens</i> L.	Female	CRET	UR	02/07/2020
9	Rahul	Taxonomy of Angiosperms	Floristic Studies On Family Cyperaceae Of Uttar Pradesh, India	Male	CRET	SC	02/07/2020
10	Tasbeeha Taab Zarrin	Taxonomy of Angiosperms	Floristic And Ethnobotanical Studies Of Garhwa District, Jharkhand, India.	Female	CRET	OBC	02/07/2020
11	Aparna Pandey	Molecular Biology	An investigation on putative role of gamma-aminobutyric acid (GABA) in the regulation of oxidative stress toxicity in some cyanobacteria	Female	CRET	GEN	02/07/2020
12	Garima Singh	Ecology	Interactive Role Of Hydrogen Sulfide And Nitric Oxide In Regulating The Toxicity In Cyanobacteria Exposed To Heavy Metal Stress	Female	CRET	GEN	02/07/2020
13	Shravan Kumar	Molecular Biology	Investigation On Regulatory Role Of Melatonin And Nitric Oxide In Alleviation Of Toxicity Under Oxidative Stress In Some Cyanobacteria.	Male	CRET	OBC	02/07/2020
14	Jyoti Yadav	Advanced Cytogenetics	Induced Mutagenesis In <i>Corchorus Capsularis</i> L. With Special Reference To Agromorphological And Cytological Traits.	Female	CRET	OBC	02/07/2020

DEPARTMENT OF CHEMISTRY**List of Post-Doctoral Research Scholars enrolled in 2020-21:**

S. No	Name of Research Scholar	Area/ Subfield	Gender	JRF/ NET/ CRET	Category	Date of Joining
1.	Dr. Ritu Kapoor	--	Female	Women Scientist Research Project- DST	GEN	Joined in 2021

DEPARTMENT OF EARTH & PLANETARY SCIENCES**Details of Research Scholars in the Department (enrolled in 2020-21):**

S. No.	Name of Research Scholar	Area/ Subfield	Topic	Gender	JRF/ NET/ CRET	Category	Date of Enrollment
1.	Mr. Nilesh Kumar Rai	Engineering Geology	Weathering induced deformation characteristics and geomorphic evolution of granitic terrain	Male	CRET	GEN	26-05-2020
2.	Mr. Anil Kumar Sahu	Sedimentology	Provenance of the quaternary clastic sediments - North-western Arabian Sea	Male	JRF	OBC	26-05-2020
3.	Mr. Swarnim	Application of remote sensing in hydrology	Hydrological management studies using remote sensing and simulation methods in Prayagraj and adjoining region watershed	Male	CRET	OBC	26-05-2020
4.	Mr. Digvijay Singh	Engineering Geology	Study of micro/macro structural damage and brittle rock fracture in predicting large scale slope failure	Male	CRET	SC	26-05-2020

DEPARTMENT OF ELECTRONICS AND COMMUNICATION**Details of Research Scholars in the Department (enrolled in 2020-21):**

S. N.	Name of Research Scholar	Area/ Subfield	Topic	Gender	JRF/ NET/ CRET	Categ.	Date of Enrollment
1.	Ms. Iqra Masroor	Electronics and Communication	Design And Investigations of Fractal Reconfigurable Antennas For Smart Applications	Female	JRF	Gen	860/RES/19
2.	Mr. Vijay Kumar Gupta	Electronics and Communication	"Investigations on Techniques of Reconfigurable Microstrip Antennas Design for Smart Wireless Applications"	Male	CRET	OBC	11AU/675 or 862/RES/19
3.	Mr. Vivek Pandey	Computer Science	Design and Analysis of Wireless Sensor Networks	Male	CRET	Gen	11/08/2020
4.	Mr. Vipul Chandra Varshney	Computer Science	Development of Intelligent Algorithms for Astrological Analysis	Male	NET	GEN	26/05/2020
5.	Ms. Shreya Agarwal	Computer Science	Anaphora Resolution and its Applications	Female	NET	GEN	26/05/2020
6.	Mr. Satendra Singh	Computer Science	Exposing digital image forgery using machine learning and soft computing approaches	Male	JRF	OBC	26/05/2020
7.	Mr. Archit Verma	Computer Science	Study and Evaluation of Classification Algorithms for Class Imbalance Problem	Male	CRET	OBC	11/08/2020

S. N.	Name of Research Scholar	Area/ Subfield	Topic	Gender	JRF/ NET/ CRET	Categ.	Date of Enrollment
8.	Ms. Jyotsana Tiwari	Computer Science	Design and Analysis of Algorithm for Decision Making Process of Online Tourists using Machine Learning Approach	Female	CRET	Gen	1309/RES/2020

DEPARTMENT OF MATHEMATICS**Details of Research Scholars in the Department (enrolled in 2020-21):**

S. No.	Name of Research Scholar	Area/ Subfield	Topic	Gender	JRF/ NET/ CRET	Category	Date of Enrollment
1.	Angad Prasad	Fluid Mechanics	A numerical study of some real fluid flow problems	Male	UGC-JRF	OBC	28/08/2020
2.	Anupam Singh	Group Theory	A Study on Some Problems in Group Theory	Male	CSIR-JRF	OBC	28/08/2020
3.	Ravi Singh Chauhan	Mathematical Analysis	Generalized Measure Theory and Quantum Structures.	Male	CSIR-JRF	OBC	28/08/2020
4.	Shailendra Kumar	Mathematical Modeling	Study of the Dynamics Of Ecological Systems: Modelling and Simulation	Male	UGC-JRF	SC	28/08/2020

K. BANERJEE CENTRE OF ATMOSPHERIC AND OCEAN STUDIES**Details of Research Scholars in the Department (enrolled in 2020-21):**

S. No.	Name of Research Scholar	Topic	Gender	JRF/ NET/ CRET	Category	Date of Enrollment
1.	Mudit	Understanding the decadal variability and predictability of Indian summer monsoon	Male	CRET	OBC	20/08/2020

CENTRE OF MATERIAL SCIENCES**Details of Research Scholars in the Department (enrolled in 2020-21):**

S. No.	Name of Research Scholar	Area/ Subfield	Topic	Gender	JRF/ NET/ CRET	Category	Date of Enrollment
1.	Rutam Biswal	Nanomaterials	Designing, Characterization and application of Nanoparticle organic hybrid Materials	Female	CRET	GEN	20/08/2020
2.	Sonam Mishra	Soft Materials	Phyto Synthesis of Nanomaterials and its Potential Application	Female	CRET	GEN	20/08/2020

DOCTORAL DEGREES AWARDED IN 2020-21

S.No.	Name of Candidate	Name of Supervisor	Department/Centre	R.D.C / Award Date
1.	Mr. Pawan Kumar Dubey	Prof. Pushpa Tiwari	Ancient History	28/08/2020
