

NOTICE

A large number of candidates seeking admission in PG Courses, who live in far-flung places and different states have requested that if verification of their documents is also made online, it will be of a great help to them. The Core Committee for P.G. Admissions 2022, after consideration of their request, has resolved that now the entire admission process will be made online and paperless for the convenience of the candidates.

Therefore, P.G. Admission in different subjects is being postponed till further notification.
