Dated : 11.08.2026

The Chairman
ICT Cell,
University of Allahabad,
Allahabad.

Dear Sir,

The National Centre of Experimental Mineralogy and Petrology (NCEMP), University of Allahabad is going to organize a three day International Webinar on the topic **“Exploring the Interdisciplinary Horizons of Experimental Techniques for Earth Sciences and Noble Materials”** scheduled from 3rd to 5th September, 2026. In this regard we would request you to kindly upload the enclosed information on the website of University of Allahabad. Your kind co-operation in this regard will be highly appreciated.

With regards,

Amit Kumar

Dated : 11.08.2026

NOTICE

The National Centre of Experimental Mineralogy and Petrology (NCEMP), University of Allahabad (Central University), Prayagraj, is organizing a three-day international webinar entitled "**Exploring the Interdisciplinary Horizons of Experimental Techniques for Earth Sciences and Noble Materials**" from September 3rd to 5th, 2026.

This webinar aims to provide a distinguished international platform for researchers to present innovative work, exchange scholarly ideas, discuss emerging trends, and foster interdisciplinary collaboration at the intersection of earth sciences and advanced noble materials for the future. The academic program will feature comprehensive plenary lectures, invited talks, and contributed oral presentations.

Interested researchers are requested to submit their applications via the Google Form through QR code given below on or before **August 24th, 2026**. Selected candidates will be notified by email on or before **August 27th, 2026**. No registration fee will be charged for this international webinar.
