No.: CoE/470/2026
Date: 23/11/2026

NOTIFICATION

Clarification regarding Division and CGPA-to-Percentage Conversion in Annual-System B.A./B.Sc./B.Com. Mark Sheets

In pursuance of the Academic Council Resolution No. 12/51(vi), dated 16.10.2026 and subsequently approved by the Executive Council in its meeting held on 26.10.2026, vide Resolution No. 04/95, ***it is hereby clarified that, in respect of students enrolled in the Annual-System B.A., B.Sc. and B.Com. Programmes during the Academic Years 2023–24 and 2024–25***, the Division shall be determined on the basis of the Aggregate Percentage calculated from the actual marks obtained against the total maximum marks, as reflected in the final marksheet/grade sheet and in accordance with the applicable University rules governing the award of Division

The percentage obtained by applying the prescribed formula: CGPA × 10 = Equivalent Percentage based on CGPA shall be treated only as the Equivalent Percentage based on CGPA and shall not alter or re-determine the Division awarded on the basis of the Aggregate Percentage calculated from actual marks.

Accordingly, students shall report the Division as recorded on the marksheet/grade sheet and, wherever specifically required, may report the CGPA or its Equivalent Percentage based on CGPA using the prescribed conversion formula.

Illustration: Where the Aggregate Percentage based on actual marks is 58% (Second Division) and the CGPA is 6.20 (Equivalent Percentage based on CGPA = 62%), the Division shall remain Second Division.

Any such difference between the Aggregate Percentage based on Actual Marks and the Equivalent Percentage based on CGPA shall not, by itself, be treated as a discrepancy in the result.

This Notification is issued for uniform interpretation and application of the academic record.
