PUBLIC NOTICE

25 June 2022

Sub: Display of Mock Practice Questions for Common University Entrance Test (UG) - 2022

With a view to familiarize the candidates with the process of appearing in Computer Based Test, National Testing Agency (NTA) has developed an online platform where candidates can practice answering the test questions in a CBT environment.

The Practice Questions for all the subjects/languages/General Test covered under CUET (UG)-2022, are now displayed at <http://203.122.47.147:8094/online/>

Candidates can click the link given above, enter the site and practice solving the questions, online, at their convenience.

Candidates are advised to note the following:

1. The questions are meant for practice by candidates who are desirous of appearing in CUET (UG) - 2022.
2. **The Practice Questions do not constitute a Mock Test and are not indicative of duration within which they are capable of being solved.**

They do not necessarily represent the pattern or spread of the questions across various topics in the syllabus or difficulty level, or their answerability within the duration of any specified time span, etc. of the questions that will be there in the actual exam.

It is quite likely that the Practice Questions may include questions on topics which might not have been included in the syllabus of Class 12 examination of some Boards.

However, it may be noted that CUET (UG) - 2022 provides for choice in all its component tests.

Candidates are advised in their own interest to go through the syllabus as displayed on the NTA website <https://cuet.samarth.ac.in> and prepare for the exam accordingly.

3. NTA disclaims any responsibility in respect of any actual or perceived deviation as to the pattern or difficulty level, coverage of topics, level of difficulty etc. of the actual questions in the exam from the Practice Questions, displayed at the link given above.

Candidates are advised to be in touch with NTA website <https://cuet.samarth.ac.in> for any updates regarding the exam.

For any clarifications, candidates can write to NTA at cuet-ug@nta.ac.in or call NTA Help Desk at 011-40759000 or 011-69227700.
