Dear Sir/ Mam

Hope you are doing good!

As informed we are one of the leading social organizations in India, working towards the transformation of Education apart from health and water sanitation. We have been doing this for the last 12 years and two years back we have started the District Transformation program in collaboration with NITI Aayog under the Aspirational District Program of Govt of India.

Though we as a team are mainly working in education amid the global crisis of COVID 19, the organization has extended support to save Senior Citizens from getting infected.

### **In Brief about the campaign: -**

Surakshit Dada-Dadi, Nana-Nani Abhiyan is a Collaborative Effort Between NITI Aayog, Piramal Foundation, and 27 Aspirational Districts to ensure the well-being of 2.9 million Senior Citizen during the COVID 19 pandemic. We have collaborated with 27719 volunteers and reached to 180370 Senior Citizens through calling. Not only this the program is going to be extended to 112 districts of India within June 2020 itself. As a nation, we need to focus on the safety of senior citizens. Especially we are working on behavioral Change and continues supports as required to help senior citizens adopt to the safety measures of COVID – 19. We have a detailed module of intervention with senior citizens which enables interns to contribute and learn virtually without having the risk of getting infected in the process.
